The Essential Guide for Prophets Mining from years on the frontlines of prophetic ministry, and overseeing the internationally renowned Bethel School of Supernatural Ministry, bestselling author Kris Vallotton takes you deep into the heart of one of the most crucial, compelling and controversial topics today: the office of prophet. In this definitive guide, Kris offers often-neglected foundational teaching and provides critical advanced training, including how to · discern your calling and grow in your gift · define your divinely appointed sphere of influence and depth of authority · recognize the six different types of prophets--and how to

deal with false ones · navigate potential relational difficulties as you step into your gifting · understand the complex ways God communicates · prepare for the common, but dangerous, spiritual attacks prophets face Vallotton offers a balanced view of not only what modern-day prophets are, but also what they are not. You will come away empowered and equipped with the knowledge and skills needed for this beautiful, vital, supernatural ministry. "The New Testament of Jesus Christ is a message of faith, hope and love. It is called the Good News. My friend and colleague Kris Vallotton is one of the best in the prophetic community to help shape, teach and model these 'Good News Prophets.' Thanks for honoring my generation's pioneering work and picking

up the baton and carrying it forth!"--Dr. James Goll, founder, Encounters Network, Prayer Storm and GET eSchool "My friend Kris Vallotton has masterfully crafted this treatise, School of the Prophets, on the dynamics and framework of building a prophetic community in the 21st century. His life experience and seasoning in Christ have afforded the Spirit the opportunity to make him an influencer of influencers and a prophetic voice to the nations with a global footprint."--Mark J. Chironna, M.A., Ph.D.; Mark Chironna Ministries; Church on the Living Edge, Orlando, Florida "I love this book! As a person passionate to see the most desired gift in the New Testament (1 Corinthians 14:1) flourish all over the world, I would recommend this book wholesale. It

clearly and biblically describes how to function in the New Testament gift of prophecy and articulates various kinds of biblical prophets. If one heeds its principles, it will give greater understanding and produce higher levels of maturity in prophetic ministry."--Stacey Campbell, founder, Canadian Prophetic Council; author, Ecstatic Prophecy "This is a must-read for all ministries. As an apostolic ministry, we recognize the gifts and callings that God has placed on the lives of those we pastor. Reading School of the Prophets has given us greater insight and understanding of how to help develop and prepare others to walk in their divine assignment. Kris Vallotton brings much clarity in what it means to be called in the office of a prophet and

eliminates the fear of giving and receiving the prophetic."--Tony and Cynthia Brazelton, founders and pastors, Victory Christian Ministries International "Kris Vallotton's book reminds us that the heart of prophecy should be God's heart to build up, encourage and speak life. Kris goes through strategic and important teaching about prophecy versus the office of prophet, specifically in the context of the Church. I highly recommend this book and pray that it helps you to understand the prophetic and to 'call the gold' out of those around you."--Heidi Baker, Ph.D.; co-founder and director, Iris Global "As I read this book, I could hear the sound of an entire generation of voices emerge that will transform culture. Kris Vallotton is a father to these voices. School of the

Prophets presents a practical methodology for prophetic community and a powerful manifesto for prophetic transformation in this generation."--Bob Hazlett, author, *The Roar: God's Sound in a Raging World; Future Perspectives*, New Haven, Connecticut

All God's people have been given the ability not only to hear his voice, but to speak his words. Yet some still believe that the gift of prophecy ceased with the death of the New Testament apostles. Others believe that gifts are reserved only for those specially anointed and appointed. Grounded in Scripture, international speaker and author Kim Maas will help you understand the history of the modern prophetic

movement · key misunderstandings and misconceptions about prophecy · where prophetic community fits into God's kingdom plan When the body of Christ recognizes that we are called to be a prophetic community, the voice of God will be released with fresh power in the church and the family, in the halls of justice and of education, in places of business and of leisure, and in the streets of every neighborhood, city, and nation. Lives will be changed. Communities will be transformed. Culture will be influenced. And history will be made.

With the advent of social media and its inherent ability to make people's words "go viral," abundant opportunities exist for false prophecies to flourish in the church. People are drawn to these "prophets" to ease anxiety, fulfill wants, or know the future. But when these men and women aren't speaking God's words, they can lead people astray and turn their eyes from our Savior and Lord, Jesus Christ. In Understanding Prophetic Ministry, author Tewodros Assefa

Damtew addresses this danger by highlighting the benchmarks and characteristics of the true prophets of God and providing practical instructions on how to deal, in love, with the false prophets that will arise these days. Pastor Damtew bases his words on biblical truth and rigorous theological study, and his teaching provides transformative insights and guidance to all those interested in learning more about prophecy and other ministerial gifts in the church. With topics ranging from the restoration of the prophetic ministry to the infiltration of false prophets, this is a must-read for Bible students, visionaries, church leaders, and the laity. Relevant, timely, and straightforward, *Understanding Prophetic Ministry* will be a valuable

resource in Bible colleges and seminaries, church and personal libraries, and small group studies.

The Nature Of The Prophetic

As the longest serving and the most influential bishop of Hong Kong during one of the most tumultuous periods in China's history, Bishop R. O. Hall played a crucial role in the reconstruction of the Anglican Church and Hong Kong after the Second World War. Born in England,

the bishop committed his life to building bridges: between China and England; between Hong Kong workers and company management; between the government and the Hong Kong people; and, of course, between the Hong Kong people he loved and the Divine he worshipped. His single-mindedness in pursuing and translating the social theology of F. D. Maurice into practical terms resulted in his enormous contributions to the development of social welfare, low-cost housing, and education in postwar Hong Kong and helped spur its economic and social evolution into a global city. This book highlights the two major controversies during his episcopacy: the ordination of a woman priest during the war and his visit to China during the “Hundred

Flowers Campaign.” Based on primary archival and private materials, this book shows that Bishop Hall, whole-hearted in pursuit of his goals for Hong Kong through “love-in-action,” was also multifaceted, with longings, questions, and inner contradictions we all share. *The Handbook for Prophetic Ministry*

Jesus promised that his sheep would hear and know his voice, but what does his voice sound like? How does he speak to his people today? How can the contemporary church embrace prophetic ministry in a way that will both resource discipleship and empower mission? Prophecy did not die out with the early church and remains a vitally important gift, bearing much fruit in the lives of disciples if well taught, responsibly handled, and ministered with love. There

is a great need in the church today for a healthy, holistic and biblical prophetic ministry that will equip God's people to become more radical followers of Jesus and engage more effectively in the world around them. This is a book for all those who seek a mature and outward-looking expression of prophetic ministry. It provides a way forward for everyone who desires to hear God's voice with clarity, as well as bringing greater understanding of the role that prophets play today.
