What do we have when the master storyteller, Paul John Hausleben, decides to sprinkle pages with tidbits of all the adventures of his famous and beloved characters? When he adds some tragedy, raw emotion, more than just a touch of sports action and adds a few new characters to the never-ending mix? When he adds some of his wild and unique humor, a little roundabout religion, a few stunning surprises, and then finally, while it is all in the storytelling blender, Mr. Hausleben adds doses of romance and love? We have this magnificent novel, *Heaven's Gain!* *Heaven's Gain* is the sixth and the final book in the series of *The Adventures of Harry and Paul*. It is an epic novel of emotional and magical storytelling and it is the memorable conclusion to the many adventures of Mr. Paul John Hausleben's most beloved characters. This is the pinnacle of Mr. Hausleben's storytelling magic, from the author who tells stories of common human emotions and everyday life, which always captures our hearts and our minds. As the author honestly states in the Preface to *Heaven's Gain*, "I guess that it is time to admit that the two characters are a part of me, as I am a part of them too. In a roundabout manner, I will profoundly miss them." Because of the master storyteller's remarkable ability to make his character's fictional lives so real, and his skill at perfectly capturing the details of life all around us all, readers everywhere agree with him and will have to admit that they will miss them too. Now, with *Heaven's Gain*, we have the joy of having experienced the

unforgettable magic of *The Adventures of Harry and Paul* one last time.

But as fun as Chris is, she knows she'll never fit in his world. After his latest prank lands him in hot water, Chris has to get serious about school or lose hockey. Not an easy thing for someone as carefree as the defenseman. The biggest problem, though, is how much he wants to help his cute, buttoned-up tutor loosen up a little. The New Jersey Nets were mired in mediocrity when an international man of mystery emerged from the shadows. Russian multibillionaire Mikhail Prokhorov came bearing two gifts: a bottomless wallet and a passion for basketball. In return for his money, he expected everybody associated with the team -- management, players, ball boys -- to commit to success . . . and achieve it within five years. But the Nets required more than money to change their fortunes. They needed shrewd decision makers, brilliant minds, and the most physically gifted players in the world. Instead, as Prokhorov's thirst for instant gratification spiraled out of control, management turned losing into an art form, dangling perfectly good players as trade bait, kowtowing to their stars, and alienating an entire state. The fallout on the court and in the locker room produced, if not a winning team, the most interesting basketball story not yet told.

From USA Today bestselling author Jennifer Sucevic comes a steamy, enemies-to-lovers, forced proximity, new adult sports romance that is laugh out loud funny featuring a strong heroine and the cocky hockey player who falls first and hard for her. Grayson McNichols can have his pick of girls on this campus. Just ask him and he'll tell you that the females of Hillsdale University have a real penchant for sexy, hockey playing hotties. Hell, all he has to do is flash a smile in their direction and they fall right onto their backs and spread their legs. Would I happen to be one of them? Umm...I'm going to plead the fifth on that one. All right, fine. You caught me. I made the mistake of knocking boots with

Gray freshman year. What can I say? I'm a sucker for gorgeous guys with inky black hair, bright blue eyes, and dimples. And don't even get me started on his chiseled chest and abs of steel... After we hooked up, I never heard from Gray again. Not that I expected too. Okay, that's a lie. Maybe for one brief, delusional moment, I thought I might be different. You know, the girl who changes the hockey playing bad boy for the better (cue the laughter). But he swiftly disabused me of that notion by moving on to fresh meat in the blink of an eye. Which is precisely why I've avoided Grayson like the plague ever since. Fool me once, shame on you. Fool me twice, and I totally deserve what I get. Well, I don't plan on falling into that trap ever again. Except...now our parents are dating, and Gray's come up with a cockamamie plan to break them up that has disaster written all over it. --- "I loved
