The early Christian Church was a chaos of contending beliefs. Some groups of Christians claimed that there was not one God but two or twelve or thirty. Some believed that the world had not been created by God but by a lesser, ignorant deity. Certain sects maintained that Jesus was human but not divine, while others

said he was divine but not human. In *Lost Christianities*, Bart D. Ehrman offers a fascinating look at these early forms of Christianity and shows how they came to be suppressed, reformed, or forgotten. All of these groups insisted that they upheld the teachings of Jesus and his apostles, and they all possessed writings that bore out their claims, books reputedly produced by Jesus's own followers. Modern archaeological work has recovered a number of key texts, and as Ehrman shows, these spectacular discoveries reveal religious diversity that says much about the ways in which history gets written by the winners. Ehrman's discussion ranges from considerations of various "lost scriptures"--including forged gospels supposedly written by Simon Peter, Jesus's closest disciple, and Judas Thomas, Jesus's alleged twin brother--to the disparate beliefs of such groups as the Jewish-Christian Ebionites, the anti-Jewish Marcionites, and various "Gnostic" sects. Ehrman examines in depth the battles that raged between "proto-orthodox Christians"--those who eventually compiled the canonical books of the New Testament and standardized Christian

belief--and the groups they denounced as heretics and ultimately overcame. Scrupulously researched and lucidly written, *Lost Christianities* is an eye-opening account of politics, power, and the clash of ideas among Christians in the decades before one group came to see its views prevail.

For Eb Instruments (alto Sax, Baritone Sax)

The Best of Chuck Loeb (Songbook)

Nestor Torres is a versatile solo artist, composer, arranger, and educator. Nestor has chosen 16 compositions in various styles of Latin, jazz, and ballads to demonstrate and share his skills. The *Performing Artist Master Class CD* includes recorded excerpts of Nestor's transcribed solos, instrumental examples/demonstrations and an in-depth discussion by Nestor on topics including: jazz influences, singing while playing, double and triple tonguing, playing ballads, Latin grooves, flutter tonguing, fourth octave technique, and more. Features include: 16 condensed score leadsheets, 15 transcribed flute solos, *Performing Artist Master Class CD*, *Discography/Biography* and a high note fingering chart.

*The Great World Music Makers* Penguin Tuesday, Sep. 11, 2001, dawned cool and clear, with sunny skies all along the eastern seaboard. For Air Force aviators like Lt. Col. Timothy "Duff" Duffy of the 102d Fighter Wing at Otis Air National Guard Base, Massachusetts, the day held the promise of perfect flying weather, at a time when the U.S. civil aviation system was enjoying a period of relative peace, despite concerns about a growing terrorist threat. More than ten years had passed since the last hijacking or bombing of a U.S. air carrier. That morning, however, the country came under a shocking, coordinated aerial assault by nineteen al Qaeda hijackers...The attack plan carried out by the suicide operatives had been years in the making. It was intended to cause mass, indiscriminate casualties and to destroy or damage the nation's financial, military, and political centers,

four high value U.S. targets selected by bin Laden, independent operator Khalid Sheikh Mohammed, and al Qaeda operations chief Mohammed Atef... By the time 1 World Trade Center, North Tower, collapsed at 10:28 a.m. EDT, almost three thousand people had been killed or were dying; the financial center of the U.S. had been reduced to burning, toxic rubble; the iconic symbol of the military strength of the country had been severely damaged; the tranquility of a field in Pennsylvania had been shattered; U.S. Air Force and Air National Guard fighter aircraft had set up combat air patrols over Washington, D.C., and New York City; and the administration of President George W. Bush and the Department of Defense (DOD) had begun shifting major resources of the federal government and military services to a new national priority, homeland defense.

On Playing the Harp McFarland

Foreword by Ben Stiller Afterword by Perry Farrell Jewish achievement in the sciences? Celebrated. Jews in literature? Lionized. But until now, there's been no record of the massive contributions of Jews in Rock n' Roll. Jews Who Rock features 100 top Jewish rockers, from Bob Dylan to Adam Horowitz, Courtney Love (yes, she's half Jewish) to John Zorn, with a concise page of essential data and a biography of each one. Includes the complete lyrics to "The Chanukah Song" by Adam Sandler Windplayer Pickle Partners Publishing JazzTimes has been published continuously since 1970 and is the recipient of numerous awards for journalism and graphic design. A large cross-section of music aficionados and fans alike view JazzTimes as America's premier jazz magazine. In addition to insightful profiles of emerging and iconic stars, each issue contains over 100 reviews of the latest CDs, Books and DVDs. Published ten times annually, JazzTimes provides uncompromising coverage of the American jazz scene.

Jazz Journal International Oxford University Press

A collection of studies composed for

musicians who wish to extend themselves in improvisation, composition, sight reading and general musicianship skills. Each etude has a theoretical explanation, suggestions for performance and tips for practice routines. Two CDs of combo accompaniments performed by members of the Yellowjackets are included. All books are compatible and written so that they can be performed together.

*Essential Jazz Lines: The Style of Charlie Parker, Guitar Edition* Mel Bay Publications

After John Coltrane, there was no more revered and profoundly influential saxophonist on the planet than Michael Brecker. For those coming of age in the 1970s, during that transitional decade when the boundaries between rock and jazz had begun to blur, Brecker stood as a transcendent figure. He was their Trane. Ode to a Tenor Titan follows Michael's story from growing up in Philadelphia, finding his tenor sax voice during his brief stint at Indiana University, making his move to New York City in 1969 and taking the Big Apple by storm through the sheer power of his monstrous chops on the instrument. A commanding voice in jazz for four decades, Brecker possessed

peerless technique (a byproduct of his remarkable work ethic and relentless woodshedding) and an uncanny ability to fit into every musical situation he encountered, whether it was as a ubiquitous studio musician (more than nine hundred sessions) for such pop stars as Paul Simon, James Taylor, Bruce Springsteen, Todd Rundgren, Chaka Khan, and Steely Dan; playing with seminal fusion bands like Dreams, Billy Cobham, and the Brecker Brothers; or collaborating with the likes of Frank Zappa, Charles Mingus, Pat Metheny, and Herbie Hancock. But his biggest triumphs came as a bandleader during the last twenty years of his career, when he produced some of the most challenging, inspired, and visionary modern jazz recordings of his time. A preternaturally gifted player whose facility seemed almost superhuman, he was also modest to a fault and universally beloved by fellow musicians. After coming through a dark decade of heroin addiction, he turned his life around and became a

beacon for countless others to lead clean and sober lives. At the peak of his powers, he was struck down by a rare preleukemic blood disease that sidelined him for two and a half years. He got off a sick bed to make a heroic comeback with his swan song, Pilgrimage, which Pat Metheny called "one of the great codas in modern music history" and which earned him a posthumous Grammy Award in 2007.

Michael Brecker was a player of tremendous heart and conviction as well a person of rare humility and kindness, and his story is one for the ages.

*The music of Nestor Torres* Alfred Music Publishing
