Nicobobinus and his friend Rosie go in
search of the Land of Dragons and find
more adventure than they'd bargained for.

Lion of Hollywood ABDO

This book, the first fully sustained reading
of Henry James's and Oscar Wilde's
relationship, reveals why the antagonisms
between both authors are symptomatic of
the cultural oppositions within
Aestheticism itself.

The Ant Explorer Nelson Thornes

A modern, action-packed detective story.
Salahadin El Nur is an inspector in the
Antiquities Department of the Egyptian
police. The death of a visiting European
archaeologist leads Salahadin to
investigate the whereabouts of a priceless
statuette. He is soon on the trail of a gang
of international smugglers.

Книга для учителя «Английский язык»
(серия «Forward») для 7 класса
общеобразовательных организаций
разработана в рамках Федерального
государственного образовательного
стандарта основного общего
образования (2010) с учётом его
требований и планируемых результатов
основного общего образования.

Соответствует примерной программе
по иностранному языку для основной
школы. Книга для учителя с ключами
для 7 класса общеобразовательных
организаций содержит тематическое
планирование курса, ключи и тексты
аудиоприложений к учебнику и рабочей
тетради, а также четыре контрольные
работы (устная и письменная части) с
подробными комментариями и ключами
к заданиям. УМК для 7 класса входит в
систему учебно-методических
комплектов «Алгоритм успеха».
The Canterville Ghost and Other Stories
Orient Blackswan
"The Gift of the Magi" is a short story by O.
Henry first published in 1905. The story
tells of a young husband and wife and how
they deal with the challenge of buying

secret Christmas gifts for each other with very little money. As a sentimental story with a moral lesson about gift-giving, it has been popular for adaptation, especially for presentation at Christmas time.

The Inexperienced Ghost Read Books Ltd
Everyone agreed that Raman of Tenali was very clever. As a boy, he exasperated people with his mischief as much as he impressed them with his intelligence. As jester in the court of King Krishna Devaraya, Tenali continued to entertain and annoy the king and courtiers in equal measure. But underlying the buffoonery and audacious exploits was a keen concern for truth and a desire to bring to light the follies of men and society. This collection of eighteen stories contains all the wit and wisdom that make the stories of Tenali Raman so widely read and well loved.

1864 Clairvoyance, or somnambulant vision: its art & culture with rules for its attainment.

Philosophy of Nonsense Scholastic India

What does it mean to live as a ghost? Exploring spectrality as a metaphor in the contemporary British and American cultural imagination, Peeren proposes that certain subjects – migrants, servants, mediums and missing persons – are perceived as living ghosts and examines how this figuration can signify both dispossession and empowerment or agency.

How to Be an Alien Modernista

»The Sphinx Without a Secret« is a short story by Oscar Wilde, originally published in 1891. OSCAR WILDE, born in 1854 in Dublin, died in 1900 in Paris, was an Irish prose writer, playwright, essayist, and poet. Wilde's significance as a symbol for persecuted homosexuals around the world is immeasurable. Wilde himself was sentenced to prison and hard labour, his works were boycotted, theatrical productions were shut down, and he was publicly vilified. The Picture of Dorian Gray [1890] is his most famous work.

The Black Cat HarperCollins

This Combo Collection (Set of 3 Books) includes All-time Bestseller Books. This

anthology contains: The Picture of Dorian Gray The Canterville Ghost : Illustrated Classics (Oscar Wilde graphic novel) Salomé: A Tragedy in One Act *Nicobobinus* Canterbury Classics "The Red Room" is a short story written by H. G. Wells. First published in the 1896 edition of "The Idler" magazine, it is a quintessentially Gothic tale about a man who spends a night in a supposedly haunted room in Lorraine Castle in an attempt to disprove the legends surrounding it. This thrilling tale constitutes a must-read for fans of Gothic literature and Wells' seminal work, and it would make for a fantastic addition to any collection. Herbert George Wells (1866 - 1946) was a prolific English writer who wrote in a variety of genres, including the novel, politics, history, and social commentary. "The Father of Science Fiction" was also a staunch socialist, and his later works are increasingly political and didactic. Today, he is perhaps best remembered for his contributions to the science fiction genre thanks to such novels as "The Time Machine" (1895), "The Invisible Man" (1897), and "The War of the Worlds" (1898). Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this book now in an affordable, modern, high-quality edition complete with a specially commissioned new biography of the author.

The Picture of Dorian Gray Cambridge Scholars Publishing

Few authors are as closely associated with English wit as Oscar Wilde: the sharp-witted dandy, always ready with a cutting remark. His brilliant conversational skills made him famous even before he began his literary career. The stories in this volume showcase his drastic humour and scathing social critique. Among them, »The Model Millionaire« upends social hierarchies, and in »The Canterville Ghost,« ancient traditions meet modern times in the form of a vulgar and unsentimental American family, creating problems for a ghost that has had it too easy for centuries. OSCAR WILDE, born in 1854 in Dublin, died in 1900 in Paris, was an Irish prose writer, playwright, essayist, and poet. Wilde's significance as a symbol for persecuted homosexuals around the world is immeasurable. Wilde himself was sentenced to prison and hard labour, his works were boycotted, theatrical productions were shut down, and he was publicly vilified. The Picture of Dorian Gray [1890] is his most famous work.

Gul Mohar Reader-6 Springer

Lion of Hollywood is the definitive biography of Louis B. Mayer, the chief of Metro-Goldwyn-Mayer—MGM—the biggest and most successful film studio of Hollywood's Golden Age. An immigrant from tsarist Russia, Mayer began in the film business as an exhibitor but soon migrated to where the action and the power were—Hollywood. Through sheer force of energy and foresight, he turned his own modest studio into MGM, where he became the most powerful man in Hollywood, bending the film business to his will. He made great films, including the fabulous MGM musicals, and he made great stars: Garbo, Gable, Garland, and dozens of others. Through the enormously successful Andy Hardy series, Mayer purveyed family values to America. At the same time, he used his influence to place a federal judge on the bench, pay off local officials, cover up his stars' indiscretions and, on occasion, arrange marriages for gay stars. Mayer rose from his impoverished childhood to become at one time the highest-paid executive in America. Despite his power and money, Mayer suffered some significant losses. He had two daughters: Irene, who married David O. Selznick, and Edie, who married producer William Goetz. He would eventually fall out with Edie and divorce his wife, Margaret, ending his life alienated from most of his family. His chief assistant, Irving Thalberg, was his closest business partner, but they quarreled frequently, and Thalberg's early death left Mayer without his most trusted associate. As Mayer grew older, his politics became increasingly reactionary, and he found himself politically isolated within Hollywood's small conservative community. Lion of Hollywood is a three-dimensional biography of a figure often caricatured and vilified as the paragon of the studio system. Mayer could be arrogant and tyrannical, but under his leadership MGM made such unforgettable films as The Big Parade, Ninotchka, The Wizard of Oz, Meet Me in St. Louis, and An American in Paris. Film historian Scott Eyman interviewed more than 150 people and researched some previously

unavailable archives to write this major new biography of a man who defined an industry and an era.

The Chronicles of Supernatural Tales: Southern Horrors, Canterville Ghosts and Ghostly Whispers (Southern Horrors: Lynch Law in All Its Phases by Ida B. Wells-Barnett/ The Canterville Ghost by Oscar Wilde/ Ghosts by Henrik Ibsen) Edinburgh University Press

“A delightful, dark, and entertaining romp . . . Molly Tanzer is at the top of her form in this beautifully constructed novel.” — Jeff VanderMeer, best-selling author of the Southern Reach trilogy Victorian London is a place of fluid social roles, vibrant arts culture, fin-de-siècle wonders . . . and dangerous underground diabolic cults. Fencer Evadne Gray cares for none of the former and knows nothing of the latter when she’s sent to London to chaperone her younger sister, aspiring art critic Dorina. At loose ends after Dorina becomes enamored with their uncle’s friend, Lady Henrietta “Henry” Wotton, a local aristocrat and aesthete, Evadne enrolls in a fencing school. There, she meets George Cantrell, an experienced fencing master like she’s always dreamed of studying under. But soon, George shows her something more than fancy footwork—he reveals to Evadne a secret, hidden world of devilish demons and their obedient servants. George has dedicated

himself to eradicating demons and diabolists alike, and now he needs Evadne’s help. But as she learns more, Evadne begins to believe that Lady Henry might actually be a diabolist . . . and even worse, she suspects Dorina might have become one too. Combining swordplay, the supernatural, and Victorian high society, *Creatures of Will and Temper* reveals a familiar but strange London in a riff on Oscar Wilde’s *The Picture of Dorian Gray* that readers won’t soon forget. “An artful, witty, Oscar Wilde pastiche with the heart of a paranormal thriller.” — Diana Gabaldon, best-selling author of *Outlander* Seership Pearson Education India Relates how the leopard got his spotted coat in order to hunt the animals in the dappled shadows of the forest. Colonel Fazackerley Butterworth-Toast Puffin

Book 1: Confront the dark realities of racial injustice with “Southern Horrors: Lynch Law in All Its Phases by Ida B. Wells-Barnett.” Ida B. Wells-Barnett, a pioneering journalist and civil rights activist, investigates and exposes the brutality of lynching in the American South. Through meticulous research and fearless advocacy, Wells-Barnett sheds light on the atrocities committed against Black individuals, challenging the prevailing narratives of her time. Book 2: Embark on a whimsical and humorous

ghostly tale with “The Canterville Ghost by Oscar Wilde.” Oscar Wilde’s novella follows the misadventures of Sir Simon, a ghost haunting Canterville Chase, and the American family that moves in, unimpressed by his supernatural antics. Filled with Wilde’s trademark wit and satire, this ghost story transcends the genre, offering a delightful blend of humor and charm. Book 3: Confront the ghosts of the past in “Ghosts by Henrik Ibsen.” Henrik Ibsen, a master of psychological drama, presents a play that explores the consequences of hidden secrets and societal expectations. As the characters grapple with their haunting past, Ibsen’s work delves into the complexities of morality and the impact of societal norms on individuals.
