Little Men e-artnow
Little Men, or Life at Plumfield with Jo's Boys is a novel by American author Louisa May Alcott, first published in 1871. The novel reprises characters from Little Women and is considered by some the second book of an unofficial Little Women trilogy, which is completed with Alcott's 1886 novel Jo's Boys, and How They Turned Out: A Sequel to "Little Men". Little Men tells the story of Jo Bhaer and the children at Plumfield Estate School.

This ebook contains 3 unabridged classic books with over 200 original illustrations by Frank T. Merrill and Reginald B. Birch in one ebook. Louisa

May Alcott (1832 - 1888) was an American novelist best known as author of the novel Little Women and its sequels Little Men and Jo's Boys. Little Women and Good Wives, published in 1868 and 1869 respectively, is a story following the four March sisters and their friend Theodore "Laurie" Lawrence in Massachusetts in the 1800's. The four girls each exhibit individual flaws and much of the plot is concerned with their journey to correct themselves, always supporting each other in the end despite their numerous squabbles. Margaret "Meg" March is the eldest sister and at the beginning of the tale is very preoccupied with materialistic possessions, Josephine "Jo" March is a tomboy with a fiery temper, Elizabeth "Beth" March is shy and gentle and Amy, being the youngest March sister, is spoiled and therefore prone to temper tantrums. Little Women follows the sisters for about a year, but Good Wives skips forward in time regularly so that by the end they are all of adult age. Little Men, or

Life at Plumfield with Jo's Boys is a novel by American author Louisa May Alcott, first published in 1871. Little Men follows the adventures of Jo March and her husband Professor Bhaer as they try to make their school for boys a happy, comfortable, and stimulating place. Jo's Boys was first published in 1886. The novel is the final book in the unofficial Little Women series. In it, Jo's "children," now grown, are caught up in real world troubles.

Independently Published Little Men, or Life at Plumfield with Jo's Boys, is a novel by American author Louisa May Alcott, first published in 1871. The novel reprises characters from Little Women and is considered by some the second book in an unofficial Little Women trilogy, which is completed with Alcott's 1886 novel Jo's Boys, and How They Turned Out: A Sequel to "Little Men". It tells the story of Jo Bhaer and the children at Plumfield Estate School. It was inspired by the death of Alcott's brother-in-law, which reveals itself in one of the last chapters, when a beloved character from Little Women passes away. It has been adapted to a 1934 film, a 1940 film, a television series, and a Japanese animated television series. Plot The book recounts six months in the life of the students at Plumfield, a school run by German Professor Friedrich and Mrs. Josephine Bhaer (née March). The idea of the school is first suggested at the very end of Little Women, Part Two when adult Jo inherited the estate from her late Aunt

March. The story begins with the arrival of Nat Blake, a shy young orphan who used to earn a living playing the violin. We are introduced to the majority of the characters through his eyes. There are ten boys at the school already; Nat, and later his friend Dan, join them, and soon after Nan arrives as companion for Daisy, the only girl. Jo's sons Rob and Teddy are younger than the others and are not counted among the pupils, nor are the two girls, Daisy and Nan. The school is not run on conventional lines. All the children have their own gardens and their own pets, and are encouraged to experiment with running businesses. Pillow fights are permitted on Saturdays, subject to a time limit. Children are treated as individuals, with a strong emphasis on gently molding their characters. Daisy Brooke, Meg's daughter, is at the school with her twin brother Demi, but is somewhat isolated with no other girls her age, until Nan's arrival. Nan is even more of a willful tomboy than Jo was as a teenager while Daisy is interested mainly in dolls and in her own mini kitchen, purchased by Jo's brother-in-law, Laurie,

husband of her youngest sister Amy..... Louisa May Alcott (November 29, 1832 - March 6, 1888) was an American novelist and poet best known as the author of the novel Little Women (1868) and its sequels Little Men (1871) and Jo's Boys (1886). Raised by her transcendentalist parents, Abigail May and Amos Bronson Alcott in New England, she also grew up among many of the well-known intellectuals of the day such as Ralph Waldo Emerson, Nathaniel Hawthorne, Henry David Thoreau and Henry Wadsworth Longfellow. Alcott's family suffered from financial difficulties, and while she worked to help support the family from an early age, she also sought an outlet in writing. She began to receive critical success for her writing in the 1860s. Early in her career, she sometimes used the pen name A. M. Barnard, under which she wrote novels for young adults that focused on spies, revenge, and cross dressers. Published in 1868, Little Women is set in the Alcott family home, Orchard House, in Concord, Massachusetts, and is loosely based on Alcott's childhood experiences with her

three sisters. The novel was very well received and is still a popular children's novel today, filmed several times. Alcott was an abolitionist and a feminist and remained unmarried throughout her life. She died from a stroke, two days after her father died, in Boston on March 6, 1888.
