A glorious celebration of the seasons and the simple pleasures of walking from the archives of the National Trust. This pocket-sized book has a perfect country walk for every time of year. The 100 walks show you the highlights of every season, from the beautiful bluebell woods of spring and the wildflower meadows of summer to the spectacular colours of autumn and the stark grandeur of winter. The routes cover all of Britain (including Scotland) and they're all easy or moderate in their difficulty – ideal for relaxed strolls and families. As well a map and comprehensive directions, each walk has information about other fun activities in the area and nearby cafes and restaurants.

As always, Leary makes dysfunction, pathology

and even tragedy completely compelling. - The Huffington Post Charlotte Maynard rarely leaves her mother's home; the sprawling Connecticut lake house that belonged to her late stepfather, Whit Whitman, and the generations of Whitmans before him. While Charlotte and her sister grew up at Lakeside, their stepbrothers, Spin and Perry, were welcomed as weekend guests. But now the grown boys own the estate, which Charlotte's mother occupies by their grace. When Spin, the youngest and favourite of all the children, brings his fiancé home for the summer, she breathes new life into their rarefied world. But as the wedding draws near, and flaws surface in the family's polite veneer, an array of simmering resentments and unfortunate truths are exposed, with devastating consequences.

Stand up paddling (SUP) is experiencing fast growth in the United States and around the world. It can be enjoyed on inland lakes and rivers, as well as on the ocean and in the surf—but most important, it's fun and a great way to stay fit. The *Art of Stand Up Paddling* will include everything both new and not-so-new paddlers need to know—from buying a board and getting started on your local lake to paddling rivers and surfing ocean waves. This revised edition features a brand new chapter on SUP Yoga, which combines the passion of yoga with the art of stand up paddling. Also included is a fascinating and controversial history of stand up paddling, which, although new to many, dates back hundreds of years to Peruvian fishermen, Venetian gondoliers, and Hawaiian beach boys. Chapters on surf-break etiquette, fitness, yoga, and the exhilarating potential for adventures on a stand up paddleboard makes this a complete resource for beginners and

experienced paddlers alike.

Stand-up Paddleboarding in the Lake District is the essential guide for anyone interested in discovering and enjoying this popular sport at its leading UK location - the stunning Lake District National Park. Jo Moseley,

passionate paddleboarder and adventurer advocate, writes with a friendly voice about her SUP experiences - you'll really feel like you're out on the water with her. Take to the gentle shores of Grasmere stopping for a picnic along the way, appreciate the majestic scenery on a paddle across Derwent Water, enjoy sunset from your board at Buttermere, or traverse the remote and rugged Wast Water - it's up to you how adventurous you want to be. You will be sure to see an entirely different side of the Lakes out on the water on your paddleboard. There is detailed, practical information provided for each lake: you'll discover the best launch spots, where to paddle to once you're out on the water, how to get to the lake, where to stop for a well-earned coffee and cake afterwards, and where to stay for your own SUP adventure. The book is illustrated with stunning photography and handy maps are provided of the lakes so you can visualise the landscape. Jo also takes you through essential safety advice, how to choose your paddle and board, what to carry with you, and some

top tips for if you want to SUP with a pup. Also, Jo discusses how to enjoy this sport in as low impact a way as possible, with everything from sustainable travel choices to biosecurity.
