ARMSTRONG MORENO

Le Guide Musical BoD -
Books on Demand

Nelle prime settimane
del 2011, la Tunisia si
infiamma di una rivolta
che, come un rapido
contagio, travalica i
confini del Paese e si
estende in tutto il
Nordafrica e oltre.
Presto definite
“Primavera arabe”,

queste rivolte
esplodono ancora oggi
in molteplici forme,
caotiche e radicali,
come guerre civili e
contro dittature
militari, dalla Siria
all’Egitto. Questo
volume vuole essere
un tentativo di
ricostruzione di alcune
esperienze che
attraverso le arti
performative si
configurano come
espressioni del
contemporaneo e delle
sue istanze nei territori

dove una generazione di giovani è scesa in strada per rivendicare libertà e diritti. Seppur con esiti molto diversi, ciò che resta dell'onda di proteste del 2011 nell'area sud-mediterranea è la conquista di alcuni diritti fondamentali che ha permesso di raggiungere territori prima inaccessibili. Tra questi diritti, la libertà di espressione come condizione non più negoziabile, che il più delle volte si traduce attraverso le arti performative.

Extrait. du Diction. de Bayle Metropolitan Books

'The Flower of the Chapdelaines' by George Washington Cable is a classic American novel that offers a realistic portrayal of Creole life in Louisiana. The story

begins by introducing us to a young lawyer who becomes intrigued by a beautiful stranger and her escort. As he navigates the twists and turns of his own life, he is drawn into an unexpected literary venture with a peculiar costumer. With subplots that explore the social hierarchies and histories of the region, the novel is an intriguing window into the past.

Encyclopédie moderne [by E.M.P.M.A.Courtin]. [With] *Atlas. Compl., publ. sous la direction de N. des Vergers* [and others]. [With] *Planches* Good Press

Includes section, "Recent book acquisitions" (varies: Recent United States publications) formerly published separately by the U.S. Army Medical Library.

Dictionnaire biblique universel Cassell

Academic

Reproduction of the original: *The Flower of the Chapdelaines* by George W. Cable

The Oil and Gas Journal

Mimesis

From the bestselling author of *What's the Matter With Kansas*, a scathing look at the standard-bearers of liberal politics -- a book that asks: what's the

matter with

Democrats? It is a widespread belief among liberals that if only Democrats can continue to dominate national elections, if only those awful Republicans are beaten into submission, the country will be on the right course. But this is to fundamentally misunderstand the modern Democratic Party. Drawing on years of research and first-hand reporting, Frank points out that the Democrats have done little to advance traditional liberal goals: expanding opportunity, fighting for social justice, and ensuring that workers get a fair deal. Indeed, they have scarcely dented the free-market consensus at all. This is not for lack of opportunity: Democrats have

occupied the White House for sixteen of the last twenty-four years, and yet the decline of the middle class has only accelerated. Wall Street gets its bailouts, wages keep falling, and the free-trade deals keep coming. With his trademark sardonic wit and lacerating logic, Frank's Listen, Liberal lays bare the essence of the Democratic Party's philosophy and how it has changed over the years. A form of corporate and cultural elitism has largely eclipsed the party's old working-class commitment, he finds. For certain favored groups, this has meant prosperity. But for the nation as a whole, it is a one-way ticket into the abyss of inequality. In this critical election year,

Frank recalls the Democrats to their historic goals—the only way to reverse the ever-deepening rift between the rich and the poor in America.
