NEW YORK TIMES
BESTSELLER • "The
definitive biography for

decades to
come."—Leo Jansen,
curator, the Van Gogh
Museum, and co-editor
of Vincent van Gogh:
The Complete Letters
Steven Naifeh and
Gregory White Smith,
who galvanized
readers with their
Pulitzer Prize-winning
biography of Jackson
Pollock, have written
another tour de
force—an exquisitely
detailed, compellingly
readable portrait of
Vincent van Gogh.
Working with the full
cooperation of the Van
Gogh Museum in
Amsterdam, Naifeh
and Smith have
accessed a wealth of
previously untapped
materials to bring a
crucial understanding
to the larger-than-life
mythology of this great
artist: his early
struggles to find his
place in the world; his

intense relationship with his brother Theo; and his move to Provence, where he painted some of the best-loved works in Western art. The authors also shed new light on many unexplored aspects of Van Gogh's inner world: his erratic and tumultuous romantic life; his bouts of depression and mental illness; and the cloudy circumstances surrounding his death at the age of thirty-seven. Though countless books have been written about Van Gogh, no serious, ambitious examination of his life has been attempted in more than seventy years. Naifeh and Smith have re-created Van Gogh's life with an astounding vividness and psychological acuity

that bring a completely new and sympathetic understanding to this unique artistic genius. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • The Washington Post • The Wall Street Journal • San Francisco Chronicle • NPR • The Economist • Newsday • BookReporter "In their magisterial new biography, Van Gogh: The Life, Steven Naifeh and Gregory White Smith provide a guided tour through the personal world and work of that Dutch painter, shining a bright light on the evolution of his art. . . . What [the authors] capture so powerfully is Van Gogh's extraordinary will to learn, to persevere against the odds."—Michiko

Kakutani, The New York Times “Brilliant . . . Steven Naifeh and Gregory White Smith are the big-game hunters of modern art history. . . . [Van Gogh] rushes along on a tide of research. . . . At once a model of scholarship and an emotive, pacy chunk of hagiography.”—Martin Herbert, The Daily Telegraph (London)

Van Gogh and the Seasons Createspace Independent Publishing Platform

A new look at the ways van Gogh represented the seasons and the natural world throughout his career. The changing seasons captivated Vincent van

Gogh (1853–90), who saw in their unending cycle the majesty of nature and the existence of a higher force. Van Gogh and the Seasons is the first book to explore this central aspect of van Gogh's life and work. Van Gogh often linked the seasons to rural life and labor as men and women worked the land throughout the year. From his depictions of peasants and sowers to winter gardens, riverbanks, orchards, and harvests, he painted scenes that richly evoke the sensory pleasures and deprivations particular to each season. This stunning book brings to life the locales that defined his tumultuous career, from Arles, where he experienced his most crucial period of creativity, to Auvers-

sur-Oise, where he committed suicide. It looks at van Gogh's interpretation of nature, the religious implications of the seasons in his time, and how his art was perceived against the backdrop of various symbolist factions, antimaterialist debates, and esoteric beliefs in fin de siècle Paris. The book also features revealing extracts from the artist's correspondence and artworks from his own collection that provide essential context to the themes in his work. Breathtakingly illustrated and featuring informative essays by Sjraar van Heugten, Joan Greer, and Ted Gott, Van Gogh and the Seasons shines new light on the extraordinary creative

vision of one of the world's most beloved artists.

Vincent Van Gogh Planner 2021
Independently Published
A dazzling selection of Van Gogh's most famous paintings, as well as some lesser-known masterpieces, many drawn from the collection of the Van Gogh Museum in Amsterdam. Nearly 130 years after his death, Vincent van Gogh continues to exert a powerful fascination over viewers and historians. This superb book offers readers a selection of the artist's most unforgettable canvases, as well as

some lesser-known examples, many drawn from the collection of the Van Gogh Museum in Amsterdam. The volume explores the works in the context of Van Gogh's short but brilliant career, in which frequent spells of isolation were paired with lively engagement with his peers and the popular ideas of his time. Additionally, Van Gogh's continuous stream of letters written to family and friends—one of the most important archival resources of nineteenth-century art—provides a narrative thread around which this study develops. In the text, art historian Belinda Thomson considers Van Gogh as a cosmopolitan figure who combined his art experiences and native

traditions absorbed in Holland and in Victorian England, and later succeeded in making his mark upon the painting scene in France at one of its richest periods. This book will be a welcome resource for art lovers, offering a different take on one of history's most interesting artists.

Features a wide range of well-known and modern artists, with new artworks published throughout the year.

BEAUTIFULLY

DESIGNED. The highly crafted covers are printed on foil paper, embossed then foil stamped, complemented by the luxury binding and rose red end-papers. The covers are created by our artists and designers who spend many hours transforming original artwork into gorgeous 3d masterpieces that feel good in the hand, and look wonderful on a desk or table.

PRACTICAL, EASY TO USE. Flame Tree Notebooks come with practical features too: a pocket at the back for scraps and receipts; two ribbon markers to help keep track of more than just a to-do list and robust ivory text paper, printed with lines. THE ARTIST. In a letter to his sister Wilhemina, Van Gogh

wrote: 'Often it seems to me night is even more richly coloured than day.' In this night painting, the sky is Prussian blue, ultramarine and cobalt, with sparkling yellow gaslights and stars. The spot depicted is in Arles, close to the Yellow House he famously rented. THE FINAL WORD. As William Morris said, "Have nothing in your houses that you do not know to be useful, or believe to be beautiful."

Insights

In the winter of 1886-87, during his stay in Paris, Vincent van Gogh bought 660 Japanese prints at the art gallery of Siegfried Bing. His aim was to start dealing in them, but the exhibition he organized in the café-restaurant Le Tambourin was a total failure. However, he was now able to study his collection at ease and in close-up, and he gradually became captivated by their colourful, cheerful and unusual imagery. When he left for Arles, he took some prints with him, but the core remained in Paris with his brother Theo. Although some prints were later given away, the collection did not disperse. This book

reveals new analyses of the collection, now held in the Van Gogh Museum, given as a long-term loan from the Vincent van Gogh Foundation. The authors delve into its history, and the role the prints played in Van Gogh's creative output. The book is illustrated with over 100 striking highlights from the collection.

Random House
Starry Night is a fully illustrated account of Van Gogh's time at the asylum in Saint-Remy. Despite the challenges of ill health and asylum life, Van Gogh continued to produce a series of masterpieces - cypresses,

wheatfields, olive groves and sunsets. He wrote very little about the asylum in letters to his brother Theo, so this book sets out to give an impression of daily life behind the walls of the asylum of Saint-Paul-de-Mausole and looks at Van Gogh through fresh eyes, with newly discovered material.
