**Meet the New Dragons** Hodder Children's Books

Parents often feel at a loss with popular culture and how it fits in with their families. They want to love their children well, but it can be overwhelming to navigate the murky waters of television, movies, games, and more that their kids

are exposed to every day. Popular culture doesn't have to be a burden. The Pop Culture Parent equips mothers, fathers, and guardians to build relationships with their children by entering into their popular culture-informed worlds, understanding them biblically, and passing on wisdom. This resource by authors Ted Turnau, E. Stephen Burnett, and Jared Moore, provides Scripture-based, practical help for parents to enjoy the messy gift of popular culture with their kids. By engaging with their children's interests, parents can explore culture while teaching their children to become missionaries in a post-Christian world. By providing realistic yet biblical encouragement for parents, the coauthors guide readers to engage with

popular culture through a gospel lens, helping them teach their kids to understand and answer the challenges raised by popular culture. The Pop Culture Parent helps the next generation of evangelicals move beyond a posture of cultural ignorance to one of cultural engagement, building grace-oriented disciples and cultural missionaries.
