A fill in the blank
themed journal for
wedding planning. An
all-inclusive journal to
plan your big day!
Includes a page for
important dates,
members of your
wedding party, their
roles and phone

numbers, 2-page
wedding checklist, and
a contacts/phone page
for easy reference to
caterer, photographer,
bridal shop etc.

Additional pages allow
you to plan, update
your progress, and
record your excitement
and concerns. It even
has a countdown for
"days to go".

Dentists Routledge
Spanning Cuban music
from rumba to salsa,
and graphic styles from
socialist realist to
geometric abstraction,

this volume of Cuban record cover art traces a musical form in constant revolution. The first ever book about Cuban record sleeve design, compiled by Gilles Peterson and Stuart Baker, *Cuba: Music and Revolution* features hundreds of rarely seen vinyl records from the start of the Cuban Revolution at the beginning of the 1960s up until 1985, when Cuba's Special Period, brought about by the dissolution of the Soviet Union and the withdrawal of Russia's financial support for the Cuban government, led to the demise of vinyl-record manufacturing in Cuba. The artwork here reflects both the cultural and musical depth of Cuba as well as the political

influence of revolutionary communism. Over the past century, Cuban music has produced a seemingly endless variety of styles--rumba, mambo, son, salsa--at a dizzyingly fast rate. Since the 1940s a steady stream of Cuban musicians has also made the migration to the US, sparking changes in North American musical forms: bandleader Machito set New York's jazz and Latin scene on fire, and master drummer Chano Pozo's entry into Dizzy Gillespie's group led to the birth of Latin jazz, to name just two. After the Cuban Revolution in 1959, the new government closed American-owned nightclubs and consolidated the island's recording

industry under a state-run monopoly. Out of this new socialist agenda came new musical styles, including the Nueva Trova movement of left-wing songwriters. The 1980s saw more experimentation in modernist jazz, salsa and Afro-Cuban folkloric music. Generously illustrated with hundreds of color images, *Cuba: Music and Revolution* presents the history of Cuban record cover art, including many examples previously unseen outside the island itself.

Learn to draw and paint more than 100 of your favorite everyday items! Step-by-step projects and creative inspiration make it fun and easy. The Inspired

Artist series invites art hobbyists and casual art enthusiasts to have fun learning basic art concepts, relaxing into the creative process to make art in a playful, contemporary style. With *Draw Every Little Thing*, the first book in this new series, you can learn to draw and paint your favorite everyday items. From learning to draw and paint plants, flowers, and bicycles to the neighborhood café and the contents of the kitchen cabinet, this contemporary drawing book demonstrates just how easy it is to render the world around you with little more than a pencil, paper, and paint. Following a brief introduction to the joys of simplistic drawing and painting, this aesthetically pleasing book familiarizes you

with a range of drawing tools and materials, including graphite pencil, pen and ink, colored pencil, and gouache, before offering a quick overview of basic color theory. Each subsequent chapter is then devoted to a specific theme—kitchenalia, hobbies, neighborhood haunts, and much more—and packed with simple step-by-step drawing projects. This accessible book encourages you to jump around so you can draw what immediately inspires you. Interactive prompts, creative exercises, and inspiring ideas make the process fun and engaging. Easy techniques and helpful instructions show you how to develop your

own personal style, as well as add color to your drawings using gouache and colored pencil. Crafty projects round out the book, allowing you to use your newfound drawing and painting skills. Filled to the brim with whimsical artwork and loads of creative ideas, *Draw Every Little Thing* encourages artists of all skill levels to draw any time inspiration strikes.

Dear Black Girls is a letter to all Black girls. Every day poet and educator Shanice Nicole is reminded of how special Black girls are and of how lucky she is to be one. Illustrations by Kezna Dalz support the book's message that no two Black girls are the same but they are all

special--that to be a Black girl is a true gift. In this celebratory poem, Kezna and Shanice remind young readers that despite differences, they all deserve to be loved just the way they are. *Watercolour with Love* Hal Leonard Corporation

What did New York look like four centuries ago? An extraordinary reconstruction of a wild island from the forests of Times Square to the wetlands downtown. Named a Best Book of the Year by Library Journal, New York Magazine, and San Francisco Chronicle On September 12, 1609, Henry Hudson first set foot on the land that would become Manhattan. Today, it's difficult to imagine what he saw, but for more than a decade,

landscape ecologist Eric Sanderson has been working to do just that. *Mannahatta: A Natural History of New York City* is the astounding result of those efforts, reconstructing in words and images the wild island that millions now call home. By geographically matching an eighteenth-century map with one of the modern city, examining volumes of historic documents, and collecting and analyzing scientific data, Sanderson re-creates topography, flora, and fauna from a time when actual wolves prowled far beyond Wall Street and the degree of biological diversity rivaled that of our most famous national parks. His lively text guides you

through this abundant landscape—while breathtaking illustrations transport you back in time. *Mannahatta* is a groundbreaking work that provides not only a window into the past, but also inspiration for the future. “[A] wise and beautiful book, sure to enthrall anyone interested in NYC history.” —Publishers Weekly (starred review) “A cartographical detective tale . . . The fact-intense charts, maps and tables offered in abundance here are fascinating.” —The New York Times “[An] exuberantly written and beautifully illustrated exploration of pre-European Gotham.” —San Francisco Chronicle “You don’t have to be a New Yorker to be

enthralled.” —Library Journal

Open wide! Dentists care for people's teeth. Give readers the inside scoop on what it's like to be a dentist. Readers will learn what dentists do, the tools they use, and how people get this exciting job.

5 Language Visual Dictionary National Geographic Books
Ideal for those new to watercolour painting, this book offers 50 fabulous motifs that can be painted in five simple steps. Among the motifs are trendy animals, popular plants and fun-to-paint fruits and include a flamingo, llama, cacti, succulents and watermelons. The basics of watercolour painting are explained clearly and simply, and

the fifty motifs will give rise to limitless possibilities for designing posters, greetings cards, journal covers or simply as thoughtful, framed gifts.

Symbiosis in Cell

Evolution Walter Foster Publishing
Wolf Haas' Detective Brenner series has become wildly popular around the world for a reason: They're timely, edgy stories told in a wry, quirky voice that's often hilarious, and with a protagonist it's hard not to love. In this episode, Brenner forced out of the police force tries to get away from detective work by taking a job as the personal chauffeur for two-year-old Helena, the daughter of a Munich construction giant and a Viennese abortion doctor. One

day, while Brenner's attention is turned to picking out a chocolate bar for Helena at a gas station, Helena gets snatched from the car. Abruptly out of a job, Brenner decides to investigate her disappearance on his own. With both parents in the public eye, there's no scarcity of leads the father's latest development project has spurred public protest, and the mother's clinic has been targeted by the zealous leader of an anti-abortion group. Brenner and God is told with a dark humor that leaves no character, including Brenner, unscathed. Haas tells the story of a fallible hero who can be indecisive and world-weary, baffled and disillusioned by what he finds, but who

presses forward
nonetheless out of a
stubborn sense of
decency a two-year-old
is kidnapped, so you
find her, because that's
just what you do.

million people living in
the United States came
here from other
countries. Since its
beginnings, America
has been a haven for
people seeking refuge
from political or
economic troubles, or
simply those in search
of adventure and
prosperity in a land
where opportunity is
promised to all. These
émigrés, from every
corner of the world,
helped make America
great long before the
2016 election. Along
with their hopes and
dreams, they brought
valuable gifts: recipes
from their homelands

that transformed the way America eats. What would the Southwest be without its piquant green chili pepper sauces and stews, New York City without its iconic Jewish delis, Dearborn without its Arab eateries, or Louisiana without the Creole and Cajun flavors of its signature gumbos and jambalayas? Imagine an America without pizza or pad Thai, hummus or hot dogs, sushi or strudel—for most people, it wouldn't taste much like America at all. In these times of troubling anti-immigrant rhetoric, *The Immigrant Cookbook: Recipes that Make America Great* offers a culinary celebration of the many ethnic groups that have contributed

to America's vibrant food culture. This beautifully photographed cookbook features appetizers, entrees, and desserts—some familiar favorites, some likely to be new encounters—by renowned chefs from Africa, Asia, Latin America, the Middle East, and Europe.

Annie Ratti - The Mushroom Project

"O'Reilly Media, Inc." Learn the art of drawing and painting beautiful letters in watercolour. Hand lettering is the art of drawing beautiful letters, and is the latest trend you can dive into with just a few materials and a bit of creativity! In this book, discover the perfect combination of lettering and watercolour paint to

create stunning little messages for giving or keeping. Starting with your basic tools and necessities, go straight into creating impressive hand-lettered pieces by following the clear and simple step-by-step instructions provided - from fabulous homemade art prints to notecards for loved ones. In addition, a gallery of watercolour images along with several drawn alphabets are included at the back of the book, perfect for inspiring experienced illustrators and helping beginner artists continue their watercolour, hand-lettered journey. You'll soon find that, with a little preparation, hand lettering is quick and fun to learn, and an invaluable skill that will

last you for years to come.

Enogfyrre Ting DK Publishing (Dorling Kindersley)

The DK German-English Bilingual Visual Dictionary introduces the vocabulary of the modern world through themed chapters filled with full-colour photographs and artworks which display and label all elements of everyday life. With sections ranging from home and work to leisure and the environment, every item is clearly labelled in German with the translation directly below. The German-English Bilingual Visual Dictionary is a colourful and stimulating learning resource ideal for all levels and ages. With more than 6,000 terms annotated, the illustrations in the

dictionary provide a quick and intuitive route to learning a language, defining the words visually so it is easier to remember them. Learning German has never been easier!

Mannahatta Dorling Kindersley Ltd
 NEW YORK TIMES BESTSELLER • The first published collection of photographs by the icon of street style, bringing together favorites published in The New York Times alongside never-before-seen work across five decades. “A dazzling kaleidoscope from the gaze of an artist who saw beauty at every turn.”—André Leon Talley
 Bill Cunningham’s photography captured the evolution of style, of trends, and of the everyday, both in New

York City and in Paris. But his work also shows that street style is not only about fashion; it’s about the people and the changing culture. These photographs—many never before seen, others having originally appeared in The New York Times and elsewhere—move from decade to decade, beginning in the 1970s and continuing until Cunningham’s death in 2016. Here you’ll find Cunningham’s distinctive chronicling of the 1980s transit strike, the rise of 1990s casual Fridays, the sadness that fell over the city following 9/11, Inauguration Day 2009, the onset of selfies, and many other significant moments. This enduring portfolio is enriched by essays

that provide a revealing portrait of Cunningham and a few of his many fascinations and influences, contributed by Cathy Horyn, Tiina Loite, Vanessa Friedman, Ruth La Ferla, Guy Trebay, Penelope Green, Jacob Bernstein, and a much favored subject, Anna Wintour. More than anything, *On the Street* is a timeless representation of Cunningham's commitment to capturing the here and now. "An absolute delight."—People

Cuba: Music and Revolution Die Gestalten Verlag-DGV (Piano Solo Songbook). "I think there is a similarity between the infinite big and the infinite smallness of everything," says Yann Tiersen. "It's the same

experiment looking through a microscope as it is a telescope." Named after a chapel in a small village on the island of Ushant, Kerber marks a new chapter in critically-acclaimed composer Yann Tiersen's career. A chapter still true to Tiersen's nuanced and subtle approach but one that sets out with his most overtly electronic material to date. Beautifully textured, highly immersive and thoughtfully constructed, Tiersen creates an electronic world, providing an environment in which the piano source exists. A sense of place has often been a central theme in Tiersen's work and here that is no different. Each track is tied to a place

mapping out the immediate landscape that surrounds Tiersen's home, linking back to his thoughts on the possibilities of the infinite smallness. This official, exclusive folio is beautifully printed on high-quality, uncoated paper with striking graphic artwork. All seven pieces are presented for solo piano and follow an exclusive introduction to the project.

Bullies, Bitches and Bastards Peter Owen Publishers

"A tale of diversity within our damaged landscapes, *The Mushroom at the End of the World* follows one of the strangest commodity chains of our times to explore the unexpected corners of capitalism. Here, we witness the varied and peculiar worlds of matsutake commerce: the worlds of Japanese gourmets, capitalist traders, Hmong jungle fighters, industrial forests, Yi Chinese goat herders, Finnish nature guides, and more. These companions also lead us into fungal ecologies and forest histories to better understand the promise of cohabitation in a time of massive human destruction."--

Publisher's description.
