I Got a D in Salami

#2 Hachette UK

Jacob Freisten's goal in life is to go about unnoticed. He's perfect at gliding past the jocks' lockers and sneaking into his English class. That was, until now. If Jacob

wants to pass English, he must work for extra credit on the stage crew of the school production of The Wizard of Oz. Jacob, who is usually in a fog anyway, has the the job of running the fog machine. The problem is that Maria Tresser, the girl of his dreams, is cast as the Wicked Witch. Jacob's already

made a fool of himself in front of Maria. How can he face her again?

Love is Hell Random House

Because of their pet cat Horace, Nick and his family must move from the anti-pet Earth to Plowman's Planet, where they find themselves in the middle of a war against a mysterious entity known as the Glimmung.

Peter Pan Abrams

When Ted and Kat watched their cousin Salim get on board the London Eye, he turned and waved before getting on. After half an hour it landed and everyone trooped off - but no Salim. Where could he have gone? How on earth could he have disappeared into thin air? Since the police are having no luck finding him, Ted

and Kat become sleuthing partners. Despite their prickly relationship, they overcome their differences to follow a trail of clues across London in a desperate bid to find their cousin. And ultimately it comes down to Ted, whose brain works in its own very unique way, to find the key to the mystery. This is an unputdownable spine-tingling thriller!

Lights, Camera,

Danger! Penguin

Four friends spend their holidays in a remote bungalow, and are plunged into a series of absurd adventures. Written by popular Bengali children's writer Narayan

Gangopadhyay, this is an eccentric book which parodies the form of the detective

novel. Swati Bhattacharjee's excellent translation makes this much-loved Bengali story available in English for the first time.

Nicky Random House
From the author of the New York Times bestselling novel *Fish in a Tree!* Carley uses humor and street smarts to keep her emotional walls high and thick. But the day she becomes a foster child, and moves in with the Murphys, she's blindsided. This loving, bustling family shows Carley the stable family life she never thought existed, and she feels like an alien in their cookie-cutter-perfect household. Despite her resistance, the Murphys eventually show her what it feels like to belong--until her

mother wants her back and Carley has to decide where and how to live. She's not really a Murphy, but the gifts they've given her have opened up a new future. "Hunt's writing is fearless and *One For The Murphys* is a story that is at once compassionate, thought-provoking and beautifully told. From the first page, I was drawn into Carley's story. She is a character not to be missed or forgotten."
—Jacqueline Woodson, National Book Award-winning author of *Brown Girl Dreaming* Winner of the Tassy Walden Award for New Voice in Children's Literature
The Unwritten Rules of Social Relationships Future Horizons
It's report card day-the

most dreaded day in Hank's school year. And when Hank gets his grades, they're his worst nightmare come true: a D in spelling, a D in reading, a D in math. After school, Hank and his friends go to his mom's deli. His mom is on the prowl—she knows a report card day when she sees one. Hank tries to stall her, but she's going for his backpack. He's cornered. Hank hands the report card off to his friend Frankie, who gives it to his friend Ashley, who gives it to Robert, who puts it into a meat grinder! Hank watches as his Ds are ground into a big salami, and this particular salami is being made for a very important client. How will Hank get out of this one?

Alien Superstar

HarperCollins UK
For Hank, fourth grade does not start out on the right foot. First of all, he gets called to the principal's office on the very first day of school. Then the first assignment his teacher gives him is to write five paragraphs on "What You Did This Summer." Hank is terrified—writing one good sentence is hard for him, so how in the world is he going to write five whole paragraphs? Hank comes up with a plan: instead of writing what he did on vacation, he'll show what he did. But when Hank's "living essay" becomes a living disaster, he finds himself in detention. Strangely enough, however, detention ends up becoming a turning point in his life.

The Book of Emma

 The adventure that
 began in Siobhan
 Dowd's popular and
 acclaimed novel *The
 London Eye Mystery* at
 long last continues
 with Ted, Kat, and their
 cousin Salim
 investigating a theft at
 the Guggenheim
 Museum that's been
 pinned on Salim's
 mother! When Ted and
 his big sister, Kat, take
 a trip to New York to
 visit their cousin Salim
 and their aunt Gloria,
 they think they're
 prepared for big-city
 adventures. But when
 a famous painting is
 stolen from the
 Guggenheim Museum,
 where Aunt Gloria
 works, the surprises
 begin to mount faster
 than they could have
 anticipated. With the
 police looking at Aunt

Gloria as the prime
 suspect, Ted, Kat, and
 Salim become
 sleuthing partners,
 following a trail of
 clues across NYC to
 prove her innocence--
 and to pinpoint the real
 thief. Ultimately, it
 comes down to Ted,
 whose brain works in
 its own very unique
 way, to find the key to
 the mystery. "Fast-
 paced, suspenseful,
 but never scary, a
 middle-grade mystery
 with a singular voice
 and a welcome
 continuation of the
 Sparks' adventures." --
 Kirkus Reviews "Swift
 pacing and smartly
 integrated clues allow
 readers to make
 connections along with
 the characters.
 Stevens's portrayal of
 Ted, who is on the
 autism spectrum, is
 positive and
 empowering" -- School

Library Journal "A welcome return for this dynamic trio." --

Mossy Trotter

Gyldendal Uddannelse

Digging for peat in the mountain with his Uncle Tally, Fergus finds the body of a child, and it looks like she's been murdered.

As Fergus tries to make sense of the mad world around him - his brother on hunger-strike in prison, his growing feelings for Cora, his parents arguing over the Troubles, and him in it up to the neck, blackmailed into acting as courier to God knows what, a little voice comes to him in his dreams, and the mystery of the bog child unfurls. Bog Child is an astonishing novel exploring the sacrifices made in the name of

peace, and the unflinching strength of the human spirit.

Overcoming Dyslexia

Tara Publishing

A girl is worried about starting school for the first time, but when she goes she makes a remarkable new friend named Nicky.

Percival Everett by

Virgil Russell John

Wiley & Sons

Jason, a twelve-year-old autistic boy who wants to become a writer, relates what his life is like as he tries to make sense of his world.

Nick and the Glimmung

Scholastic Inc.

A short holiday with his mother turns out very differently for Joe than he could have imagined when he left home. Soon he is embroiled in a world of witchcraft, a world where the kind and

innocent witches of Britain are facing a wicked foe. Can Joe and his young friend Twiggy put an end to the cunning plot, or will they, like their witchy friends, find the baffling mystery too hard to solve?

Whispering to Witches
John Wiley & Sons

“Startling and astringently poetic.”

—The New York Times
A literary discovery: an extraordinary account, in the tradition of *The House on Mango Street* and *Angela’s Ashes*, of a Colombian woman’s harrowing childhood. This astonishing memoir was hailed as an instant classic when first published in Colombia in 2012, nearly a decade after the death of its author, who was encouraged in her writing by Gabriel García Márquez.

Comprised of letters written over the course of thirty years, and translated and introduced by acclaimed writer Daniel Alarcón, it describes in vivid, painterly detail the remarkable courage and limitless imagination of a young girl growing up with nothing. Emma Reyes was an illegitimate child, raised in a windowless room in Bogotá with no water or toilet and only ingenuity to keep her and her sister alive. Abandoned by their mother, she and her sister moved to a Catholic convent housing 150 orphan girls, where they washed pots, ironed and mended laundry, scrubbed floors, cleaned bathrooms, sewed garments and decorative cloths for

the nuns—and lived in fear of the Devil. Illiterate and knowing nothing of the outside world, Emma escaped at age nineteen, eventually establishing a career as an artist and befriending the likes of Frida Kahlo and Diego Rivera as well as European artists and intellectuals. The portrait of her childhood that emerges from this clear-eyed account inspires awe at the stunning early life of a gifted writer whose talent remained hidden for far too long. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,800 titles, Penguin Classics represents a global bookshelf of the best

works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Secret Ways of Perfume Collector's Library
The original story of Peter Pan.
Hollywood Vs. the Galaxy (Alien Superstar #3) Bloomsbury Publishing USA
This unique book is the first to fully explore the history of autism - from the first descriptions of autistic-type behaviour to the present day. Features in-depth discussions with leading professionals

and pioneers to provide an unprecedented insight into the historical changes in the perception of autism and approaches to it Presents carefully chosen case studies and the latest findings in the field Includes evidence from many previously unpublished documents and illustrations Interviews with parents of autistic children acknowledge the important contribution they have made to a more profound understanding of this enigmatic condition

Bad Dreams Simon and Schuster
 Draws on recent scientific breakthroughs to explain the mechanisms underlying dyslexia, offering parents age-

specific, grade-by-grade instructions on how to help their children.

Music and Dyslexia

Random House

Darra is an omen of unluck: a thirteenth child. To appease the dark god, Dond, and bring good fortune to her small island community, Darra must be sacrificed at the age of thirteen - by drowning. On the eve of her final birthday, Darra begins to dream of the twin brother she has watched from afar but never met, and dares to hope that she might escape her fate . . . The scouring wind and remorseless waves which beat against Darra's island world are matched in Pam Smy's powerful, wild and emotive illustrations. The Ransom of Dond is our

final story from Siobhan, and a book to be treasured.

Margarettown

Barrington Stoke

'It's always a treat to read Elizabeth Taylor. Mossy Trotter is a real gem. A delightfully mischievous boy living in those long-ago halcyon days when children played out all day, roaming commons, scavenging on rubbish tips and stamping in newly-laid tar' JACQUELINE

WILSON 'We - that is, Herbert and I - want you, Mossy, to be our page-boy,' Miss Silkin said, staring hard at Mossy again, as if she were trying to imagine him dressed up, and with his hair combed. Mossy went very red, and nearly choked on a piece of cake, and Selwyn laughed, and went on laughing, as if

he had just heard the funniest joke of all his life. They both knew what being a page-boy meant. One of the boys at school - one of the very youngest ones - had had to be one, wearing velvet trousers and a frilled blouse.' When Mossy moves to the country, life is full of delights - trees to climb, woods to explore and, best of all, the marvellous dump to rummage through. But every now and then his happiness is disturbed - chiefly by his mother's meddling friend, Miss Silkin. And a dreaded event casts a shadow over even the sunniest of days - being a page-boy at her wedding. In her only children's book, Elizabeth Taylor perfectly captures the temptations, confusion and terrors of a

mischievous boy, and just how illogical, frustrating and inconsistent adults are!

The Boy Who Owned the School Penguin

"Anything we take for granted, Mr. Everett means to show us, may turn out to be a lie."

—Wall Street Journal *

Finalist for the Los Angeles Times Book Prize * Finalist for the PEN / Faulkner Award for Fiction * A story inside a story inside a story. A man visits his aging father in a nursing home, where his father writes the novel he imagines his son would write. Or is it the novel that the son imagines his father would imagine, if he were to imagine the kind of novel the son would write? Let's simplify: a woman seeks an apprenticeship with a

painter, claiming to be his long-lost daughter. A contractor-for-hire named Murphy can't distinguish between the two brothers who employ him. And in Murphy's troubled dreams, Nat Turner imagines the life of William Styron. These narratives twist together with anecdotes from the nursing home, each building on the other until they crest in a wild, outlandish excursion of the inmates led by the father. Anchoring these shifting plotlines is a running commentary between father and son that sheds doubt on the truthfulness of each story. Because, after all, what narrator can we ever trust? Not only is Percival Everett by Virgil Russell a powerful,

compassionate meditation on old age and its humiliations, it is an ingenious culmination of Everett's recurring preoccupations. All of his prior work, his metaphysical and philosophical inquiries, his investigations into the nature of narrative, have led to this masterful book. Percival Everett has never been more cunning, more brilliant and subversive, than he is in this, his most important and elusive novel to date.

One for the Murphys
Simon and Schuster
Music and dyslexia is of particular interest for two reasons. Firstly, research suggests that music education can benefit young dyslexics as it helps them focus on auditory and motor timing skills and

highlights the rhythms of language. Secondly, dyslexic musicians at a more advanced level face particular challenges such as sight-reading, written requirements of music examinations and extreme performance nerves. This is a sequel to the highly successful *Music and Dyslexia: Opening New Doors*, published in 2001. The field of dyslexia has developed rapidly, particularly in the area of neuropsychology. Therefore this book focuses on these research advances, and draws out the aspects of music education that benefit young dyslexics. The contributors also discuss the problems that dyslexic musicians face, and several chapters are devoted to sight-reading and

specific strategies that dyslexics can use to help them sight-read. The book offers practical techniques

and strategies, to teachers and parents to help them work with young dyslexics and dyslexic musicians.
