BRENDEN ROMAN

Canadian Library Journal BoD – Books on Demand

The most comprehensive reference guide to one of Canada's most distinguished writers. A three-time Governor-General's Award winner, Marie-Claire Blais has changed the literary landscape of the nation. An indispensable source for information on both Blais's works and on the wealth of criticism devoted to the writer, this bibliography also provides accurate and insightful details about manuscript and archival material. Oore and MacLennan have fully annotated all of the critical material concerned with Blais's writing, and their book also includes thorough coverage of Blais-related radio and television broadcasts in France and Canada, as well as a guide to all published interviews with this important writer. An essential text to Blais scholars and of great interest to students and researchers in both Canadian and Québec literature, and in women's studies and comparative literature.

The Medico-chirurgical Review and Journal of Medical Science Melbourne : Hawthorn Press

Reprint of the original, first published in 1879.

A New Law Dictionary and Institute of the Whole Law Syracuse University Press

Includes private and local laws.

Literary Gazette and Journal of Belles Lettres, Arts, Sciences, &c University of Pennsylvania Press

This text is an introduction to the full range of standard reference tools in all branches of English studies. More than 10,000 titles are included. The Reference Guide covers all the areas traditionally defined as English studies and all the field of inquiry more recently associated with English studies. British and Irish, American and world literatures written in English are included. Other fields covered are folklore, film, literary theory, general and comparative literature, language and linguistics, rhetoric and composition, bibliography and textual criticism and women's studies.

Royal Dictionary English and French and French and English ... (Grand Dictionnaire Français-Anglais Et Anglais-Français) Univ of California Press

In this volume honoring William J. Abraham, noted theologians, philosophers, and historians offer erudite analysis of various aspects of the faith Scripture, conversion, initiation, liturgy, confession, reconciliation, and more and explore how those elements can serve to effect healing in broken lives. Brilliantly highlighting the therapeutic function of the means of grace available in Christian tradition, *Immersed in the Life of God* opens a conversation concerning an important theme too often neglected in the church today. / Contributors: Frederick D. Aquino, Ellen T. Charry, Paul L. Gavriluk, Douglas M. Koskela, Sandra Menssen, R. R. Reno, Thomas D. Sullivan, Jason E. Vickers, Geoffrey

Wainwright, Robert W. Wall and Jerry L. Wals.

A Dictionary of Practical Surgery

As Noah D. Guynn observes, early French farce has been summarily dismissed as filth for centuries. Renaissance humanists, classical moralists, and Enlightenment philosophes belittled it as an embarrassing reminder of the vulgarity of medieval popular culture. Modern literary critics and theater historians often view it as comedy's poor relation—trite, smutty pap that served to divert the masses and to inure them to lives of subservience. Yet, as Guynn demonstrates in his reexamination of the genre, the superficial crudeness and predictability of farce belie the complexities of its signifying and performance practices and the dynamic, contested nature of its field of reception. *Pure Filth* focuses on overlooked and occluded content in farce, arguing that apparently coarse jokes conceal finely drawn, and sometimes quite radical, perspectives on ethics, politics, and religion. Engaging with cultural history, political anthropology, and critical, feminist, and queer theory, Guynn shows that farce does not pander to the rabble in order to cultivate acquiescence or curb dissent. Rather, it uses the tools of comic theater—parody and satire, imitation and exaggeration, cross-dressing and masquerade—to address the urgent issues its spectators faced in their everyday lives: economic inequality and authoritarian rule, social justice and ethical renewal, sacramental devotion and sacerdotal corruption, and heterosocial relations and household politics. Achieving its subtlest effects by employing the lowliest forms of humor, farce reveals that aspirations to purity, whether ethical, political, or religious, are inevitably mired in the very filth they repudiate.
