Rebel or die. My choices are simple. I've been sent to Bloodwing Academy because I'm one of the magically repressed. I should have magical powers, but I don't. Not yet. One day I'll wake up and my powers will be out of my control. I'll be a threat to everyone around me, but that doesn't mean they should lock me up. Especially with the dangerously fierce and irresistibly gorgeous, Striker Draven. As heir to the Draven fortune, he thinks he can have whatever he wants. He wants to pull me apart, rip out my power, and take my heart with it. That's if I don't rip his out first. My name is Peyton Price. My freedom is going to come at a cost. Body and mind, I have to decide if I'm willing to pay it.

I could not put this book down and have told all of my friends to get a copy to

read. I can't wait for the rest of the series!!! It was a fun refreshing take on magic and creatures. The characters are so captivating. I am glad to see a magic related series that is more female based and has more of the "Supernatural" feel to it.- L. Coffing Added to my collection of urban fantasy beautifully written - Tevin I've read other things by this author, but this one stands head and shoulders above the others! Fast paced, fascinating characters, twists and turns, loved it all and am so happy I could dive right into the second. Keep them coming - don't want to go into withdrawals! - Tami Cowles This is a well-structured and exciting tale, with a magical system that any Fantasy lover would die for. This inspiring first novel shows a promising start to a series and kept a firm grasp on my attention throughout. Trials of Magic makes for an addictive read. Many times, I even found myself shouting at the characters, praying either for their safety or for them to succeed in their endeavors. A true work of fiction with great artistic flair. There is a lot of heart embedded within these pages. Trials of magic is a five-star read and a real credit to Mr. Thomas Carpenter. - Dax Munro TRA I've always enjoyed coming-of-age novels and this one is fantastic. It is Well written, well plotted, and gripping. The characters and plot do not let you go. -PRBC I thoroughly enjoyed reading this book. The characters are all interesting, I couldn't predict what would happen (which I LOVE), and I can hardly wait to find out what happens next. (I also appreciate that I want more, but that the book actually ended very well, and not in a cliffhanger.) Thomas Carpenter is a new favorite author for me! - Skipperdo Loved this new book. It's amazing how real Carpenter makes this world and all

the people in it. - Sharon Brigham Spratt Animalians I really love how quickly you fall head over heels for the Animalian Hall. - Yorkiemom The Animalians series is easily one of the most enjoyable reads I have had in the past year. Filled with a relatable heroine, strong character building and equal doses of magic and action, the series starts strong and only gets better. - amazon customer This is an excellent series. Fun and amazing characters with each a great separate plot. - Zippy Inger This is one of the most amazing, spellbound series I have read in a long time. Loads of action, adventure, suspense and supernatural creatures. A must read series!- Liza van der Pluym Gamemakers- Fast paced and spot on descriptions will keep you turning pages well into the night. If you adore Jordan and Martin, Thomas Carpenter and his Hundred Halls series are MUST READS as sci-fantasy of today! - Lynda C. If you want lots of interesting action and characters, this book has it. - J Krug LitRPG has become very formulaic as a genre. The warped Forest steps beyond those norms and explores character development and world exploration/design in excellent ways. - Scott Reimers Stone singers I have treasured each and every one of the Hundred Halls stories. Tom Carpenter has a unique style of writing which is always brilliantly researched, detailed for easy visualization and reads like you have a master storyteller in your head. - Lynda C It's a well written, enthralling read that grabs you from the get go. The world building is incredible, the storyline, action packed and fast paced and the characters intriguing. Thrust into a world of soul swapping, magic, music, secrets and so much more, this had me on the edge of my seat and I could not put it down. - Debbie Like all the other

hundred hall series this one does not disappoint. Very unique scenarios and most unsuspecting plots. Fall in love with Minerva and follow her on her path of survival. – Liza van der Pluym

The “compelling [and] vivid” (The New York Times Book Review) true story of a man who claimed to be a survivor of a 1919 British massacre in India, his elaborate twenty-year plan for revenge, and the mix of truth and legend that made him a hero to hundreds of millions. When Sir Michael O’Dwyer, the Lieutenant Governor of Punjab, ordered Brigadier General Reginald Dyer to Amritsar, he wanted Dyer to bring the troublesome city to heel. Sir Michael had become increasingly alarmed at the effect Gandhi was having on his province, as well as recent demonstrations, strikes, and shows of Hindu-Muslim unity. All these things, to Sir Michael, were a precursor to a second Indian revolt. What happened next shocked the world. An unauthorized gathering in the Jallianwallah Bagh in Amritsar in April 1919 became the focal point for Sir Michael’s law enforcers. Dyer marched his soldiers into the walled public park, blocking the only exit. Then, without issuing any order to disperse, he instructed his men to open fire, turning their guns on the crowd, which numbered in the thousands and included women and children. The soldiers continued firing for ten minutes, stopping only when they ran out of ammunition. According to legend, nineteen-year-old Sikh orphan Udham Singh was injured in the attack, and remained surrounded by the dead and dying until he was able to move the next morning. Then, he supposedly picked up a handful of blood-soaked earth, smeared it across his forehead, and vowed to kill the men responsible. The truth, as the author has discovered, is more complex—but no less dramatic. Award-winning journalist Anita Anand traced Singh’s journey through Africa,

the United States, and across Europe until, in March 1940, the young man finally arrived in front of O'Dwyer himself in a London hall ready to shoot him down. The Patient Assassin "mixes Tom Ripley's con-man-for-all-seasons versatility with Edmond Dantès's persistence" (The Wall Street Journal) and reveals the incredible but true story behind a legend that still endures today.

The Steel Seraglio Del Rey

What kind of assassin works pro bono? It's hard to be a badass assassin when a giant is beating the crap out of you. Luckily, I never let pride get in the way of my work. My current mission is personal: annihilate Mab Monroe, the Fire elemental who murdered my family. Which means protecting my identity, even if I have to conceal my powerful Stone and Ice magic when I need it most. To the public, I'm Gin Blanco, owner of Ashland's best barbecue joint. To my friends, I'm the Spider, retired assassin. I still do favors on the side. Like ridding a vampire friend of her oversized stalker—Mab's right-hand goon who almost got me dead with his massive fists. At least irresistible Owen Grayson is on my side. The man knows too much about me, but I'll take my chances. Then there's Detective Bria Coolidge, one of Ashland's finest. Until recently, I thought my baby sister was dead. She probably thinks the same about me. Little does she know, I'm a cold-blooded killer . . . who is about to save her life.
