The Summer Book Frances Lincoln

The Heinemann Plays series offers contemporary drama and classic plays in durable classroom editions. Many have large casts and an equal mix of boy and girl parts. This is a dramatization of Laurie Lee's warm and humorous memories of his boyhood in a Cotswold village.

The Cotswolds Oxford University Press
Thea Osborne is thanking her lucky stars. After two disastrous house-sitting incidents in which she unwittingly became embroiled in murder and mayhem, she is only too happy to have a bit of time to concentrate on her blossoming relationship with DI Phil Hollis. The couple has retreated to Phil's late aunt's cottage in Cold Aston, and other than the odd interruption from his childhood acquaintance, the eccentric

Ariadne, they look forward to some peace and quiet. But the bad luck that plagues the hapless Thea and her beloved spaniel Hepzibah is never far away. With autumn drawing in, preparations for Samhain, the pagan origin of Halloween, are well underway when Ariadne discovers a very tangible reminder of the season of death: a body laid out like a sacrificial victim on Notgrove Barrow. It soon becomes apparent that the cosy village has more than its share of secrets. But just how far will some go to keep them hidden?

The Women of Troy Hill The Crowood Press

COTSWOLD GARDENS tours one of Britain's best loved landscapes and explores, from a fresh perspective, some of its most spectacular gardens. It is not

by chance that so many admirable gardens have sprung up in so concentrated an area. The rolling hills, steep escarpments and wooded coombs of the Cotswolds are blessed with a temperate climate and a tradition of prosperity that has allowed its inhabitants to build splendid manors and fine houses out of the local honey-coloured limestone. To complement such dwellings magnificent gardens were constructed, designed by famous figures such as Capability Brown, William Kent and Sir Geoffrey Jellicoe. COTSWOLD GARDENS looks at these gardens - Blenheim, Buscot, Hidcote, Rousham, Sezincote, Sudeley and many others - through the eyes of David Hicks, making this a garden book like no other. Accompanied by Andrew Lawson's

stunning photographs, he discovers how the beauty of the surrounding countryside is inextricably linked to the symmetry and elegance of the gardens. His unique insights will delight and inspire gardeners everywhere.

Landscape of Dreams Thames & Hudson
The instantly recognizable English cottage garden encapsulates that delightful mix of scented climbers, drifts of flowers inter-mingled with herbs and vegetables, fruit trees and traditional features. Much loved and copied throughout the world, it is uniquely individual. With no strict rules to adhere to, it is a garden style that is both informal and functional, celebrating fragrance, flowers and seasonal interest at its heart. The old cottage style of gardening, that blended planting to

create a flowery yet productive plot within a small space, is still highly relevant and easily transferable to today's modern garden, whether it be a city courtyard or a large garden in the country. Appropriate for gardeners of every level of ability, The English Cottage Garden covers all aspects of designing a cottage-style garden; from choosing the right trees, climbers, shrubs and perennials to creating an authentic cottage feel to the planting It also covers the use of colour within the garden; how features can establish a framework and create focal points; and why companion planting is essential to this style. Illustrated throughout with a wealth of photographs showing gardens, planting combinations, colourful border schemes and individual flowers, this

book is an essential read for anyone interested in the quintessential cottage garden.

Discover the unexpected on your driving holiday with DK Eyewitness Back Roads: Great Britain

CAMRA's Good Beer Guide 2016

Ryland Peters & Small

Discover design inspiration as a

photographer and blogger details the story of her renovation of a 1940s cottage in the California countryside. A little, abandoned vacation house that could, set in the center of rolling fields and trees becomes the cottage home of her dreams. A French country-style cottage filled with original elements and an exquisite mix of rustic and refined. The years of renovation allowed Courtney to create a lifestyle that is fueled by inspiration and beauty, a touch of whimsy, and an abundance of everyday elegance. The journey has been shared on her popular blog French Country Cottage, and now, through the publication of her first book, her readers will experience a reveal of more of her home and property and the inspirations behind her beloved style. Courtney's

inspiring photography reveals every nuance of her style and home including a muted color palette, old brassy door knobs, chippy paint, antiques, her greenhouse and garden, and an abundance of entertaining and holiday decorating style. Blurring the lines between indoor and outdoor and embracing well-worn as well loved, French Country Cottage is a style that celebrates simplicity, indulges in romance, cherishes pieces with history and believes a chandelier and fresh flowers belong in every room.

Death in the Cotswolds BoD - Books on Demand

The Good Beer Guide is fully revised and updated each year and features pubs across the United Kingdom that serve the best real ale. This pub guide is

completely independent with listings based entirely on nomination and evaluation by CAMRA members. This means you can be sure that every one of the 4,500 pubs deserves their place, plus they all come recommended by people who know a thing or two about good beer. The unique 'Breweries Section' lists every brewery - micro, regional and national - that produces real ale in the UK, and the beers that they brew. Tasting notes for the beers, compiled by CAMRA-trained tasting teams, are also included. The Good Beer Guide 2015 is the complete book for beer lovers and a must-have for anyone wanting to experience the UK's finest pubs.

The Cotswold Cottage Weidenfeld & Nicolson

A guide to decorating and introducing style to a cottage in the country. The book's topics range from the evolution of the cottage to the garden and its crops.

French Country Cottage Apa Publications (UK) Limited

Celebrating 50 years of Tove Jansson's classic, bestselling novel Featured in the BBC 2 Between the Covers Bookclub Special (Eurovision series 2023) 'Distils the essence of summer' Robert Macfarlane 'Magical, life-affirming' Elizabeth Gilbert The Worldwide Classic about a tiny island and larger love. An elderly artist and her six-year-old granddaughter while away a summer together on a tiny island in the gulf of Finland. As the two learn to adjust to each other's fears, whims and yearnings, a fierce yet understated love emerges - one that

encompasses not only the summer inhabitants but the very island itself. Written in a clear, unsentimental style, full of brusque humour, and wisdom, *The Summer Book* is a profoundly life-affirming story. Tove Jansson captured much of her own life and spirit in the book, which was her favourite of her adult novels. With a foreword by Esther Freud and an afterword by Sophia Jansson (on whom the child 'Sophia' is based) who returns to the island during the pandemic at the point of becoming a grandmother herself. Includes a 15pp epilogue by Tove's niece Sophia Jansson - the inspiration for 'Sophia' - on a personal and moving return to the island. 'Eccentric, funny, wise, full of joys and small adventures. This is a book for life.' Esther Freud 'Tove Jansson was a

genius. This is a marvellous, beautiful, wise novel, which is also very funny.' Philip Pullman

In Search of Scandal Frances Lincoln
 WINNER: NATIONAL GEOGRAPHIC TRAVELLER READER AWARD FOR BEST TRAVEL BOOK OF THE YEAR 2016
 WINNER: BOOKS ARE MY BAG READER AWARD FOR BEST AUTOBIOGRAPHY OR BIOGRAPHY 2016
 Twenty years ago, Bill Bryson went on a trip around Britain to celebrate the green and kindly island that had become his adopted country. The hilarious book that resulted, *Notes from a Small Island*, was taken to the nation's heart and became the bestselling travel book ever, and was also voted in a BBC poll the book that best represents Britain. Now, to mark the twentieth anniversary of that modern

classic, Bryson makes a brand-new journey round Britain to see what has changed. Following (but not too closely) a route he dubs the Bryson Line, from Bognor Regis to Cape Wrath, by way of places that many people never get to at all, Bryson sets out to rediscover the wondrously beautiful, magnificently eccentric, endearingly unique country that he thought he knew but doesn't altogether recognize any more. Yet, despite Britain's occasional failings and more or less eternal bewilderments, Bill Bryson is still pleased to call our rainy island home. And not just because of the cream teas, a noble history, and an extra day off at Christmas. Once again, with his matchless homing instinct for the funniest and quirkiest, his unerring eye for the idiotic, the endearing, the

ridiculous and the scandalous, Bryson gives us an acute and perceptive insight into all that is best and worst about Britain today.

Back Roads Great Britain Timber Press

Lying between the provinces and the capital, the Cotswolds have been home to kings and aristocrats, and have played a dramatic role in the story of Britain.

Secret Gardens of the Cotswolds Abrams

The Cotswolds is an area of outstanding natural beauty, with some of the most charming and historically significant towns and villages in England. This handsomely produced guide explores the area in a series of tours drawn from the main visitor centers, seeking out the prettiest villages, the history and the

legends, and identifying all the sites open to the public. There is essential visitor's information on houses, parks and gardens, museums and galleries, craft centers, and farms. Easily slipped into a pocket, this handy guide is abundantly illustrated with crisp color photos and maps.

Thrush Green Allison & Busby

Despite the catastrophic outcomes of her previous house-sitting commissions, Thea Osborne, accompanied by her trusty spaniel, Hepzie, is truly convinced nothing can go wrong on her next assignment in the charming village of Blockley. The Montgomerys have asked her to look after their house while they take a much needed holiday. But trouble seems to follow Thea and when a body is discovered in the house next door, she

finds herself in the midst of village secrets. From mystical local legends to celebrity sightings, the erstwhile quiet area turns out to be a place of mysterious contradictions - with very sinister undertones.

English Cottages and Farmhouses

Quarto Publishing Group USA

Veteran reporter Ansberry brings to life a heartwarming tale of six inspiring women whose constancy to one another, their families, and their community makes their seemingly ordinary lives extraordinary. Photos throughout.

Over the Hills from Broadway

Heinemann Educational Publishers

Federal Twist is set on a ridge above the Delaware River in western New Jersey. It is a naturalistic garden that has loose boundaries and integrates closely with

the natural world that surrounds it. It has no utilitarian or leisure uses (no play areas, swimming pools, or outdoor dining) and the site is not an obvious choice for a garden (heavy clay soil, poorly drained: quick death for any plants not ecologically suited to it). The physical garden, its plants and its features, is of course an appealing and pleasant place to be but Federal Twist's real charm and significance lie in its intangible aspects: its changing qualities and views, the moods and emotions it evokes, and its distinctive character and sense of place. This book charts the author's journey in making such a garden. How he made a conscious decision not to "improve the land", planted large, competitive plants into rough grass, experimented with seeding

to develop sustainable plant communities. And how he worked with light to provoke certain moods and allowed the energy of the place, chance, and randomness to have its say. Part experimental horticulturist and part philosopher, James Golden has written an important book for naturalistic and ecological gardeners and anyone interested in exploring the relationship between gardens, nature, and ourselves. *Secret Gardens of Somerset* Fodor's Travel

'The most romantic, creative person in garden design I know.' Piet Oudolf
'Jinny's genius is to marry a beautiful vision to an extraordinary empathy with the landscape into which that vision will fit, resulting in a pastoral harmony second to none' Victoria, Lady Getty

Prolific designer Jinny Blom embraces a wide variety of styles, from large garden spaces to formal walled gardens and contemporary installations. What defines her work is her skill with plants and her ability to create a garden that responds to the history of the site and the wider landscape. The gardens Jinny creates are as different as their owners and their locations. In this book, Jinny shares her insight into the creative process she has developed while designing more than 250 gardens around the world. The Thoughtful Gardener contains modern takes on traditional forms, and is split into six sections: seeing, understanding, structuring, harmonising, rooting, and liberating. All of Jinny's gardens share a commitment to beautiful craftsmanship and considered planting. Structure and

detail are important, and receive close attention. The styles vary considerably – logical, calm, beautiful, romantic, naturalistic, formal, sometimes spare – but the principles remain firm. Jinny designs for the long term, with consideration for the environment; these gardens are built to last. Reflecting Jinny's highly individual character, there is plenty of wit and quiriness alongside the expert knowledge, and it will appeal to the widest audience of garden lovers. Thoughtful and beautiful, yet practical and informative, this book marries artistry with functionality.

Reading the Cozy Mystery Amberley Publishing Limited

Discover this exquisite region of England with the most incisive and entertaining guidebook on the market. Whether you
