Backstreet Mom

New York Review of Books

In this hilariously sweet story about an opposites-attract friendship, chock-full of Yiddish humor, a girl and her best bird friend's perfect day turns into a perfect opportunity to see things differently. Gitty and her feathered-friend Kvetch couldn't be more different: Gitty always sees the bright side of life, while her

curmudgeonly friend Kvetch is always complaining and, well, kvetching about the trouble they get into. One perfect day, Gitty ropes Kvetch into shlepping off on a new adventure to their perfect purple treehouse. Even when Kvetch sees signs of impending doom everywhere, Gitty finds silver linings and holds onto her super special surprise reason for completing their mission. But when her perfect plan goes awry, oy vey, suddenly it's Gitty who's down in the dumps. Can Kvetch come out of his funk to lift Gitty's spirits back up?

Billboard Galt Publishing

Ever wondered why you can identify your favourite song from hearing only the first two notes? Or why you can't get that annoying jingle out of your head? Daniel Levitin's breathtaking - and wholly accessible - book, now published as an ebook, explains why. This is the first book to offer a comprehensive explanation of how humans experience music and to unravel the mystery of our perennial love affair with it. Using musical examples from Bach to the Beatles, Levitin reveals the role of

music in human evolution, shows how our musical preferences begin to form even before we are born and explains why music can offer such an emotional experience. Music is an obsession at the heart of human nature, even more fundamental to our species than language. In *This Is Your Brain On Music* Levitin offers nothing less than a new way to understand it, and its role in human life.

Gitty and Kvetch Roman Bodnarchuk

Feminist City is an ongoing experiment in living differently, living better, and living more justly in an urban world. We live in the city of men. Our public spaces are not designed for female bodies. There is little consideration for women as mothers, workers or carers. The urban streets often are a place of threats rather than community. Gentrification has made the everyday lives of women even more difficult. What would a metropolis for working women look like? A city of friendships beyond Sex and the City. A transit system that

accommodates mothers with strollers on the school run. A public space with enough toilets. A place where women can walk without harassment. In Feminist City, through history, personal experience and popular culture Leslie Kern exposes what is hidden in plain sight: the social inequalities built into our cities, homes, and neighborhoods. Kern offers an alternative vision of the feminist city. Taking on fear, motherhood, friendship, activism, and the joys and perils of being alone, Kern maps the city from new vantage points, laying out an intersectional feminist approach to urban histories and proposes that the city is perhaps also our best hope for shaping a new urban future. It is time to dismantle what we take for granted about cities and to ask how we can build more just, sustainable, and women-friendly cities together.

This revealing biography of pop star Justin Timberlake documents his background, childhood career, achievements, and disappointments. From his first taste of fame as an 11-year-old contestant on the TV show Star Search to making it big with the boy-band 'N Sync and his subsequent solo career to the notoriety following the 2004 Super Bowl halftime performance "incident" with Janet Jackson, this biography presents an accurate overview of Justin Timberlake's life and impact on popular culture. Justin Timberlake: A Biography gives students access to unbiased insight into how Timberlake achieved stardom. The narrative tone and manageable length make this book easy to read, while the accurate presentation of the historical context of his life's events makes it engaging and relevant for young readers. This title will appeal to teen readers due to their

natural interest in pop icons. In addition, the enviable success of Timberlake's career path can serve as a source of inspiration and hope for young adults.

Bad news: The music business is packed with hidden agendas. Good news: There's one indispensable guide that helps songwriters, musicians, executives, lawyers, and managers understand the music business and travel its shark-infested waters safely and confidently. *What They'll Never Tell You About the Music Business* sold more than 20,000 copies in its first edition. This new, fully revised edition presents even more priceless insider information, updated for today's music scene, plus clear explanations and advice on the new transparency in agreements, the impact of agent-artist agreements, new webcasting opportunities, changes in copyright law, royalty limits, and all the other developments in law

and technology, plus advice for songwriters, A&R people, and artists, and much, much more. Packed with real-world ideas and tips, *What They'll Never Tell You About the Music Business, Revised and Updated* is the must-have guide for creative types and business types—everyone who works in the music industry. “Intelligent and accessible.” —David Geffen From the Hardcover edition.

Justin Timberlake

An intensely personal novel about childhood, memory, and history by one of today's most celebrated authors, now available in the US for the first time. *Friend of My Youth* begins with the novelist Amit Chaudhuri returning to Bombay, the city in which he grew up, to give a reading. Ramu, the friend of his youth, with whom he likes to get together when he comes back, is not there: after years of disabling drug addiction, Ramu has signed up for an intensive rehab program. But Amit Chaudhuri has errands to run in Bombay for his mother and wife, which take him back to the Taj Mahal Hotel, the site, not that long before, of a

brutal terrorist attack. Amit Chaudhuri writes novels the way an extraordinary instrumentalist makes music, stating and restating his themes, trying them out in different keys and to various effect, developing and dropping them, only to pick them up again and turn them completely around. He engages both our minds and our hearts. He makes us marvel. *Friend of My Youth*, his deceptively casual and continually observant and inventive new novel, makes us see and feel the great city of Bombay while bringing us into the quizzical, tender, rueful, and reflective sensibility of its central character, Amit Chaudhuri, not to be confused, we are told, with the novelist who wrote this book. *Friend of My Youth* reflects on the nature of identity, the passage of time, the experience of friendship, the indignities of youth and middle age, the lives of parents and children, and, for all the humor that seasons its pages, terror, the terror that can strike from nowhere, the terror that is a fact of daily life. *Friend of My Youth* is fearfully and wonderfully

made.

Billboard

Popular music is one of the most important sources of culture in our society, a source that provides the soundtrack for everyday life in America, while also providing practical meanings for making sense of everyday life. This book discusses this topic.

Billboard

More than 100 widespread myths about drug and alcohol abuse are enumerated and then dispelled in this book about the reality of addiction. Questions such as Does proper parenting and involvement prevent alcoholism? and Do alcoholics lack willpower? are addressed, and a myriad of addiction-related falsities that the general public and even medical professionals have considered true are identified and refuted. Specific attention is paid to defining and understanding alcohol addiction, including guidelines on identifying symptoms of alcoholism in social settings and detailed information on the biological difference between the disease in its early and late stages.
