How to Wage Spiritual Warfare in the Last Days An important spiritual law was revealed by Jesus in Luke 11:21-22 and Matthew 12:29, "How can one enter into a strongman's house, and spoil his goods, except he first bind the strongman? And then he will spoil his house." Now, instead of "binding" symptoms, we can attack the sixteen strongmen or demonic spirits mentioned by name in the Bible! If God names them, they are real, and He has given us dominion over them through the Name of Jesus! In easy to understand language this book... Teaches how to zero in on and quickly identify the strongman in every situation Illustrates each strongman by a tree showing the fruits or symptoms for quick identification Instructs how to bind the enemy and loose the power of God according to Matthew 18:18 Provides instant recognition when and where Satan is attacking our lives and the lives of those around us Shows that God wants us to be free from Satan's hassles so that we can reach this world for Christ. Strongman's His Name...What's His Game offers a scriptural, balanced, and uplifting approach to present-day spiritual warfare. The Little Prophet Chosen Books

**NIV, Game Plan for Life Bible, eBook** Zondervan

This is your Playbook for life. In life, you're going to get tackled, intercepted, or end up in the wall. So how do you prepare and be ready when life slams you unexpectedly? Maybe your struggle is with your finances, your relationships, your job, or perhaps you just hope to gain understanding of some of the basics about God, salvation, and what your purpose is in life. If so, the Game Plan for Life Bible, NIV will reveal God's perspectives in these areas in a practical, engaging way and provide the tools you need to create a solid, God-honoring game plan for your life. The notes that lead you to the Bible's answers on your toughest questions are based on a national survey that former NFL coach and current NASCAR team owner Joe Gibbs commissioned. This research targeted the everyday life issues that men struggle with most. He may have Super Bowl rings and NASCAR Cup championship

trophies to his credit, but Coach Gibbs believes that, by turning to the Bible in times of failure and adversity, he has learned about true success. Written specifically for the "average Joe", Joe Gibbs' notes will enlighten, encourage and inspire you as you strive to build a game plan for your life. Features: • Key articles from well-known experts on the areas of God, creation, finances, relationships, career, vocation and other topics of interest to men. • Devotions from Joe Gibbs that help you to learn from the Coach himself. • Character studies of Bible characters who actually followed God's Game Plan—and how you can follow it, too. • Book introductions for every book of the Bible. "Winning the game of life is like winning in NASCAR or the NFL—if you don't have the right game plan, you won't succeed. Like a lot of guys, I tried many "game plans." None led me to true success and a couple ended in disaster. Not until I turned to the Bible did I gain the insights of God's game plan for my life and experience true, eternal success. Written for the 'average Joe' like me, I'm convinced the Game Plan for Life Bible will help you if you're serious about developing a successful game plan for your life." - Joe Gibbs 8.5-point type size

In exploring the idea of lyric performances as 'textual events', this volume marks a departure from interpretations of Greek lyric as socio-political discourse. Building on the renewed concern with the aesthetic, it studies poetic effects that cannot be captured in terms of function alone and re-examines the relationship between form and context.

The role of religious prophetic witness in the public discourse of modern civil societies is a vital question, not only for the churches, but for society as a whole. Is it still appropriate for churches to make use of prophetic witness as a mode of public discourse in contemporary democratic societies? Can biblical tradition be a referential source for prophetic public statements of the churches in highly debated political questions? Or must public discourse in pluralistic societies be strictly grounded in purely reason-based arguments? This book deals with these questions in a multi-disciplinary perspective, looking at historical settings of biblical texts and discussing contemporary issues and contexts. In every moment, every situation, every relationship, every idea, or possibility, Christians have the upper hand. We are the ones who know the truth. We are the ones for whom death has lost its sting, rendering all threats empty. We are the ones with the ear of Him who holds all resource, all potential, all power, and authority, and who has seen the story to its end and called it "good." We have all that every human being needs. We cannot truly be deceived, stolen from, humiliated, or killed. We are the upper dogs in the great story of the universe. Our God invites us

to actively reign with him, to be powerful ambassadors and productive partners, but we've been confused about the mechanisms of partnership with him. We've underestimated our role in the story. What does it look like on a Tuesday morning to be an ambassador of the living God? What is happening when we pray? How does creation itself speak to the issue of faith and its development? *Upper Dogs* takes a convicting and inspiring ride through these questions. You will come away walking a little bit taller, and you will never pray the same way again.
