*The Gospel:  
God S Plan for  
Me (HCSB)*  
Biblical  
Counseling  
Foundation

Build more  
compassionat  
e, accepting,  
and loving  
relationships  
with  
acceptance  
and  
commitment  
therapy (ACT).  
Let's face it:

Picture-perfect  
storybook  
romances  
don't exist in  
real life.  
Couples fight.  
Feelings of  
love wax and  
wane through  
the years. And  
the stress and

tedium of everyday life and work can often drive a wedge between even the most devoted couples. So, how can you reignite passion and intimacy in your relationship, cultivate greater understanding and compassion between yourself and your partner, and bring the joy back to your love life? In this fully revised and updated edition of ACT with Love, therapist and

world-renowned ACT expert Russ Harris shows how developing psychological flexibility—the ability to be in the present moment with openness, awareness, and focus, and to take effective action in line with one's values—can help you and your partner strengthen and deepen your relationship. Also included is new information on attachment theory, powerful mindfulness

and self-compassion techniques, and assertiveness and boundary-setting skills. ACT with Love will show you how to: Let go of conflict, open up, and live fully in the present Use mindfulness to increase intimacy, connection, and understanding Resolve painful conflicts and reconcile long-standing differences Act on your values to build a rich and meaningful relationship If you're looking

to increase feelings of intimacy, love, and connection with your partner, this book has everything you need to get started—toget her.

 Simon and Schuster  
 Sons of Zadok—The Prequel to the Remnant Rescue Series is the story of a fictional brotherhood

of Israelites (male descendants of Kohath from the tribe of Levi) who have sworn to guard the sacred Ark of the Covenant with their lives. In 944 B.C., Zadok, the High Priest of Israel, commissions loyal followers to build an intricate mechanism deep under King Solomon's Temple in Jerusalem to protect the Ark from harm. They fulfilled their sacred duty for over 400 years, during

which time civil wars, ungodly kings, corrupt priests, national apostasy, and invasions from Syria, Assyria, and Egypt destroy the nation's long history of faithfulness to their One True God. The Ark of the Covenant will remain hidden until Israel repents and turns back to the LORD. In 586 B.C., a massive Babylonian army is poised at Jerusalem's gates intent on leveling the fortress-city and King

Solomon's Temple to their foundations. With no salvation in sight, the last Kohathites remove the Ark from its hiding place and carry it to a distant land for safekeeping. It will remain there until the Temple is rebuilt, Israelites regather from exile, and Messiah comes to establish His Kingdom. Sons of Zadok is the fictional background to Remnant Rescue—The Tapez Scroll in

the Remnant Rescue series which is a modern-day thriller trilogy that takes place in a future seven-year period called the Tribulation, during which time God pours out His divine judgment on planet Earth and Satan wreaks havoc using the Antichrist whom the world knows as Constantine, Prince of Rome. The Antichrist demands that every human being on the planet worship

him and his image in a rebuilt Temple in Jerusalem. Anticipating the coming holocaust that the Bible calls the Great Tribulation, or the Time of Jacob's Trouble, a brave group of Christians dare to risk their lives to rescue a remnant of Jews who look forward to their coming Messiah. [Kingsolver] has with infinitely steady hands worked the prickly threads of religion, politics, race, sin and redemption into a thing of terrible beauty.” —Los Angeles Times Book Review</p> | <p>The Poisonwood Bible, now celebrating its 25th anniversary, established Barbara Kingsolver as one of the most thoughtful and daring of modern writers. Taking its place alongside the classic works of postcolonial literature, it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa. The story is told by the wife and</p> | <p>four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it—from garden seeds to Scripture—is calamitously transformed on African soil. The novel is set against one of the most dramatic political chronicles of the twentieth</p> |
|--|--|---|

century: the Congo's fight for independence from Belgium, the murder of its first elected prime minister, the CIA coup to install his replacement, and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy. Against this backdrop, Orleana Price reconstructs the story of her evangelist husband's part in the Western

assault on Africa, a tale indelibly darkened by her own losses and unanswerable questions about her own culpability. Also narrating the story, by turns, are her four daughters—the teenaged Rachel; adolescent twins Leah and Adah; and Ruth May, a prescient five-year-old. These sharply observant girls, who arrive in the Congo with racial preconceptions forged in 1950s

Georgia, will be marked in surprisingly different ways by their father's intractable mission, and by Africa itself. Ultimately each must strike her own separate path to salvation. Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility. *Literary Gazette and Journal of Belles Lettres, Arts, Sciences, Etc* B&H Publishing

happen. Growing up in one of the world's leading faith-healing dynasties, Costi Hinn witnessed the tragedy of people chasing after healing more than the Healer. In this book he provides biblical clarity to some of the most challenging questions of the Christian faith. Does grace guarantee healing? How do we catch ourselves from slipping into the trap of seeking

God for what he can do for us and not for who he really is? Beginning with the vivid memory of the night he discovered his son's cancer diagnosis—Costi unpacks the layered feelings and questions we have about God and his healing power, and he provides practical principles for growing closer to Jesus. With gentle clarity and biblical wisdom, he explains how to: Faithfully pray for healing while trusting in

God's sovereignty. Navigate tough conversations about the topics of divine healing, love, and justice. Hold on to faith even in the most painful trials. More than chasing after the Jesus we want, this hopeful and encouraging book will guide you to discovering the Jesus we truly need—and the true power and hope that comes from a genuine relationship with him. **Cassell's**

The Happiness

Trap Thomas  
Nelson  
NOTE: This  
booklet is a  
companion to  
the Self-  
Confrontation  
manual. The  
Victory Over  
Failures Plan  
is a tool that  
has been  
developed to  
help you  
overcome any

difficulty of life  
with the full  
expectation of  
complete and  
lasting victory.  
To live  
victoriously in  
a lasting,  
fruitful way,  
we need to  
see how we  
have failed to  
live God's  
way, hence  
the phrase  
"victory over  
failures."

A  
compassionat  
e, shame-free  
guide for your  
darkest days  
"A one-of-a-  
kind book . . .  
to read for  
yourself or  
give to a  
struggling

friend or loved  
one without  
the fear that  
depression  
and suicidal  
thoughts will  
be minimized,  
medicalized or  
over-  
spiritualized."  
—Kay Warren,  
cofounder of  
Saddleback  
Church What  
happens when  
loving Jesus  
doesn't cure  
you of  
depression,  
anxiety, or  
suicidal  
thoughts? You  
might be  
crushed by  
shame over  
your mental  
illness, only to  
be told by  
well-meaning  
Christians to  
"choose joy"  
and "pray

more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental

illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it

takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect. **Inside Out and Back Again** Zondervan Developed from celebrated Harvard statistics lectures, *Introduction to Probability* provides essential language and

tools for understanding statistics, randomness, and uncertainty. The book explores a wide variety of applications and examples, ranging from coincidences and paradoxes to Google PageRank and Markov chain Monte Carlo (MCMC). Additional application areas explored include genetics, medicine, computer science, and information theory. The print book version

includes a code that provides free access to an eBook version. The authors present the material in an accessible style and motivate concepts using real-world examples. Throughout, they use stories to uncover connections between the fundamental distributions in statistics and conditioning to reduce complicated problems to manageable pieces. The book includes

many intuitive explanations, diagrams, and practice problems. Each chapter ends with a section showing how to perform relevant simulations and calculations in R, a free statistical software environment.

American Dream Online Books  
The gospel according to hip hop. Yeah, that's a thing. Christian ideas often show up in hip hop music. Biblical

themes and even Jesus Himself appear in the lyrics. But beneath all the God-talk, can a true gospel message be found? Pastor D. A. Horton (aka hip hop artist Azriel) says yes. And he wants you to know the gospel message is deep . . . powerful . . . theological . . . and surprisingly simple to comprehend. It all comes down to: God's design Our downfall God's demonstration

Our decision Are You Good With God? is a book of giant truths written in the raw and rhythmic style of hip hop. The poetry of the streets will energize you with the dynamic power of Scripture. Like every other global language, hip hop speaks to the human heart with truths that really matter. So if hip hop is your mother tongue, why not listen to what God is saying to you? *Steps to Peace with God: Scenic Version*

Thomas Nelson Inside Out and Back Again is a #1 New York Times bestseller, a Newbery Honor Book, and a winner of the National Book Award! Inspired by the author's childhood experience as a refugee—fleeing Vietnam after the Fall of Saigon and immigrating to Alabama—this coming-of-age debut novel told in verse has been celebrated for its touching child's-eye view of family and

immigration. Hà has only ever known Saigon: the thrills of its markets, the joy of its traditions, and the warmth of her friends close by. But now the Vietnam War has reached her home. Hà and her family are forced to flee as Saigon falls, and they board a ship headed toward hope—toward America. This moving story of one girl's year of change, dreams, grief, and healing received four starred

reviews, including one from Kirkus which proclaimed it "enlightening, poignant, and unexpectedly funny." An author's note explains how and why Thanhha Lai translated her personal experiences into Hà's story. This updated digital edition also includes an interview with the author, an activity you can do with your family, tips on writing poetry, and discussion questions. The Money

Market Review  
WestBow Press  
The story of Jesus interacting with the Emmaus disciples after his resurrection provides an outline for what a gospel-centered kids ministry looks like: gospel-centered teaching that points to Jesus in every session, gospel-centered transformation that positions the gospel to change a child's heart and then his or her behavior, and

gospel-centered mission where kids join in on the big story of Jesus that continues to unfold. Seven out of ten kids will walk away from church after they turn eighteen. About five will return when they have families of their own. But two will never return. Clearly, something isn't connecting with our kids. As kids ministry leaders, we need to take a hard look at what we are missing in our

kids ministries and provide kids the one thing that will satisfy them and keep them connected to the church—the gospel. Gospel-Centered Kids Ministry also addresses how to communicate with and encourage gospel-centered leaders and parents as part of your ministry. [Student Workbook for the Self-Confrontation Bible Study](#) WaterBrook Conquer the

most essential adaptation to the knowledge economy The Fearless Organization: Creating Psychological Safety in the Workplace for Learning, Innovation, and Growth offers practical guidance for teams and organizations who are serious about success in the modern economy. With so much riding on innovation, creativity, and spark, it is essential to attract and retain quality talent—but

what good does this talent do if no one is able to speak their mind? The traditional culture of "fitting in" and "going along" spells doom in the knowledge economy. Success requires a continuous influx of new ideas, new challenges, and critical thought, and the interpersonal climate must not suppress, silence, ridicule or intimidate. Not every idea is good, and yes there are stupid

questions, and yes dissent can slow things down, but talking through these things is an essential part of the creative process. People must be allowed to voice half-finished thoughts, ask questions from left field, and brainstorm out loud; it creates a culture in which a minor flub or momentary lapse is no big deal, and where actual mistakes are owned and corrected, and where the

next left-field idea could be the next big thing. This book explores this culture of psychological safety, and provides a blueprint for bringing it to life. The road is sometimes bumpy, but succinct and informative scenario-based explanations provide a clear path forward to constant learning and healthy innovation. Explore the link between psychological safety and high performance

Create a culture where it's "safe" to express ideas, ask questions, and admit mistakes  
 Nurture the level of engagement and candor required in today's knowledge economy  
 Follow a step-by-step framework for establishing psychological safety in your team or organization  
 Shed the "yes-men" approach and step into real performance.  
 Fertilize creativity, clarify goals, achieve

accountability, redefine leadership, and much more. The Fearless Organization helps you bring about this most critical transformation .  
Captured By Grace Moody Publishers  
 Billy Graham shares God's gentle, reassuring promise of spiritual calm and authentic peace in a world falling apart at the seams. In a culture that values "quality of life" and personal

happiness above all else, why are so many of us unhappy, anxious, lonely, on the brink of despair? Why do so many of us feel empty, even though we live surrounded by plenty? In Peace with God, Reverend Graham takes you on a great quest to find the answers to life's purpose. Along the way, he answers essential questions to understanding the true hope at the foundation of

the Christian faith—questions like: What is God like? Why did Jesus come? What is repentance? How can I be sure of salvation? How should a Christian live? "God's peace can be in your heart—right now . . . Whatever the circumstances , whatever the call, whatever the duty, whatever the price, whatever the sacrifice—His strength will be your strength in your hour of need. It's all yours, and it's free." Peace

with God is a timeless message of hope for all those struggling with despair and loneliness. Billy Graham will beckon you on the path to lasting peace as he describes the basics of the biblical message, the problem of sin, the tenets of the Christian way of life, and the glorious hope for the future.

Foundation  
A guide to ACT: the revolutionary mindfulness-based program for reducing stress, overcoming fear, and finding fulfilment - now updated.  
International bestseller, 'The Happiness Trap', has been published in over thirty countries and twenty-two languages.  
NOW UPDATED.  
Popular ideas about happiness are misleading, inaccurate,

and are directly contributing to our current epidemic of stress, anxiety and depression.  
And unfortunately, popular psychological approaches are making it even worse! In this easy-to-read, practical and empowering self-help book, Dr Russ Harries, reveals how millions of people are unwittingly caught in the 'The Happiness Trap', where the more they strive for

happiness the more they suffer in the long term. He then provides an effective means to escape through the insights and techniques of ACT (Acceptance and Commitment Therapy), a groundbreaking new approach based on mindfulness skills. By clarifying your values and developing mindfulness (a technique for living fully in

the present moment), ACT helps you escape the happiness trap and find true satisfaction in life. Mindfulness skills are easy to learn and will rapidly and effectively help you to reduce stress, enhance performance, manage emotions, improve health, increase vitality, and generally change your life for the better. The book provides

scientifically proven techniques to: reduce stress and worry; rise above fear, doubt and insecurity; handle painful thoughts and feelings far more effectively; break self-defeating habits; improve performance and find fulfilment in your work; build more satisfying relationships; and, create a rich, full and meaningful life.
