## WALSH GREER

*Headway Academic Skills: 2: Listening, Speaking, and Study Skills Class Audio CDs (2)* Bloomsbury Publishing

Providing a foundation in the structure of the language by gradually building students' understanding of the basic grammar, vocabulary, and functions of English.

*Developing Materials for Language Teaching* Marshall Cavendish  
 ELT

A three-level, paired skills course that teaches students in higher education the essential skills for academic success. Strands available: Reading, Writing, and Study Skills. Listening, Speaking, and Study Skills. Headway Academic Skills can be used independently or alongside a general English course book such as New Headway or New Headway Plus. The course focuses on developing the specific skills required for academic studies and exploring strategies for success in academic learning. It also offers guidance in key study areas and provides plenty of practice to encourage learner independence.

## New Headway English Course OUP Oxford

The listening and reading texts are drawn from a range of authentic sources. An in-depth treatment of grammar enables students to work out grammatical rules and helps them achieve greater accuracy through a better understanding of how language works. There is a thorough skills syllabus, with all four skills systematically developed and integrated through related tasks. There is extensive work on vocabulary, with particular emphasis on the most frequently used verbs, phrasal verbs, idioms, and compounds. Integrated pronunciation practice is provided throughout. 'Postscript' sections provide an opportunity to practise everyday English in situations (such as airports and hotels), or survival areas (such as telephones and directions). There is a particular focus on the grammar of spoken English. The topics - including homelessness, pre-nuptial agreements, and the effects of tourism - have all been chosen to appeal to adults and young adults.

The first four levels of a new video series to accompany the New Headway. It can be used as an additional component to the New Headway, or as a supplement to any course at the appropriate

level. Key Features Each level consists of six self-contained comedy stories looking at the lives and misadventures of four people in their twenties who share a house. The syllabus is closely linked to the New Headway. Each episode provides a natural context to consolidate the grammatical, functional and lexical areas covered by the course, and to develop listening skills. Key language is controlled and contextualized throughout. Each episode provides clear grammar and functional language, with an emphasis on developing communicative skills. The video is supported by an Activity Book for students and a Video Guide for teachers. Teacher's Book Teaching notes for each episode Help on using video in the classroom Cultural information Optional activities Answers to exercises where appropriate  
**New Headway Advanced Student's Book** Oxford University Press, USA

The world's best-selling English course - a perfectly-balanced syllabus with a strong grammar focus, and full support at all six levels. With its proven methodology, Headway is the course you can always trust. The strong grammar focus, clear vocabulary syllabus and integrated skills work give you lessons that really work in class. Constant updates mean the material is always current, and with a huge range of components available - including new digital resources for interactive whiteboards - you've always got support where you need it.

Headway Academic Skills can be used independently, or alongside a general English coursebook such as New Headway or New Headway Plus. Designed for students moving on to academic studies or for those on a foundation programme, the series focuses on improving students' academic skills by: - Developing the specific skills required for academic studies through a wide range of topics relevant to higher education. - Exploring strategies to help students with new vocabulary, and to record, vary, and build their vocabulary. - Offering guidance in undertaking research, and in acknowledging sources. - Providing plenty of guided practice as well as freer practice to encourage learner independence.

New Headway: Advanced Workbook with Key OUP Oxford  
 New Headway English Course takes the successful Headway series into an exciting new era. It introduces new features to challenge adult and young adult students and ensure that learning English is interesting and motivating. The course combines the best of traditional methods with more recent approaches, to help students use English both accurately and fluently. Learners at the upper-intermediate level require a different approach. It is no longer appropriate to examine language items in isolation. In New Headway Upper-intermediate, grammatical areas are treated in greater depth so that students begin to perceive the systems that underlie the language. This new upper-intermediate course provides around 120 hours of language learning. It follows on from New Headway Intermediate, and together with Headway Elementary, Headway Pre-

intermediate, and Headway Advanced, provides a fully comprehensive language teaching series. Key features: • New, universal topics selected from a wide variety of sources, including authentic listening texts. • In-depth treatment of grammar: Each unit starts with a Test your grammar section, followed by Language in context, where students work out rules through Grammar questions. The Practice Bank provides a choice of wide-ranging exercises and the Grammar Reference gives detailed rules of form and use. • The grammar of spoken English is examined, with work on areas such as being polite, linking and commenting adverbs, exaggeration and understatement, and lexis in discourse. • Thorough skills syllabus: All four skills are developed systematically and integrated through related tasks. • Well-defined lexical syllabus with work on systems such as collocation, binomials, homonyms, and compounds. • Pronunciation practice is integrated at appropriate points throughout the units. • Everyday English is practised in the Postscript section. In addition to the Student's Book, there is a Teacher's Book with extra photocopiable activities, two Class Cassettes, a Workbook, and an optional Workbook Cassette. This level is supplemented by Headway Upper-intermediate Video and New Headway Upper-intermediate Pronunciation.

Headway Academic Skills: Introductory: Listening, Speaking, and Study Skills Student's Book Bloomsbury Publishing

New Headway Pre-Intermediate extends and revises many of the structures covered at Elementary level. This new edition keeps to the successful framework of the original, but has been transformed by fresh material throughout, a more accessible feel, and a completely new design. The majority of the reading and listening texts have been replaced with vibrant new material on up-to-date topics with a more global outlook than before. There is now a higher proportion of speaking activities, maintaining the balance between communicative and more traditional approaches. At this level, related areas of grammar are explored and then practised in discriminatory exercises. All of the main tenses are included, and their uses are compared and contrasted where appropriate. Integrated skillswork continues to be an important feature, with skills work becoming more challenging. As at Elementary level, an emphasis on thorough practice is retained, ranging from the very controlled to freer tasks. The vocabulary syllabus continues to be developed through a variety of approaches to lexical input and integrated pronunciation work. A new 'Starter' section at the beginning of each unit has a warm-up activity, often personalized, to lead into the topic and grammar of the unit. A new, separate Teacher's Resource Book is available with photocopiable games and activities to supplement the main course material.

**New Headway: Upper-Intermediate Fourth Edition:**

**Student's Book and iTutor Pack** OUP Oxford

Aimed at absolute beginners, this title provides a measured, step-by-step approach that aims to build both skills and confidence. It contains a mix of language work and many practice material that help learners to consolidate their knowledge of key points before proceeding further. The vocabulary syllabus focuses on high-frequency survival terms.
