## **NOELLE**

*Financial Accounting*  
PHI Learning Pvt. Ltd. Financial Accounting provides a comprehensive coverage to course requirements of students appearing in the Financial Accounting paper at the BCom examinations of different Indian universities as per CBCS. It also meets the requirements of students appearing in the accounting paper at the Foundation

Examinations of Institute of Chartered Accountants of India, the Institute of Company Secretaries of India and the Institute of Cost Accountants of India. The book is divided into three sections: Section I explains the fundamental principles necessary for understanding the subject. It covers the entire accounting cycle, from recording of financial transactions to the preparation of

final accounts. Section II deals with accounting problems related to certain specific types of business transactions. Section III deals with partnership accounts. *Fundamentals of Financial Accounting* SBPD Publications Covering all of the fundamental aspects of financial accounting, this text provides a firm grounding on topics such as the 'accounting cycle',

<p>financial assets, plant and intangible assets, liabilities, and much more.</p> <p><b>Fundamentals of Financial Accounting</b></p> <p>Sahitya Bhawan Publications The 14th Revised Edition of the book "Corporate Accounting" includes the provision of the Companies Act, 2013, SEBI rules and regulations and Accounting Standards, wherever applicable.</p>	<p>The whole book has been updated and corrections made wherever required.</p> <p>Theory and accounting treatment has been revised as per Accounting Standards - 4 (Revised) and Companies (Amendment) Act, 2019.</p> <p>Each aspect of a chapter has been discussed in detail in order to meet the requirements of the syllabus prescribed by different universities and professional institutes.</p>	<p>Salient Features of the Book The following features are worth nothing in the present text:</p> <ul style="list-style-type: none"> <li>• The illustrations and assignment material has been made to conform to the requirements of Schedule III of the Companies Act, 2013. The relevant problems/ solutions has also been revised.</li> <li>• The revised revision of Paragraph 14 of Accounting Standards — 4 concerning Financial Statements</li> </ul>
--	--	--

regarding Proposed final dividend has been incorporated at relevant pages and the illustrations amended accordingly. • The relevant provisions of Ind AS — 7: Statements of Cash Flows dealing with Bank Overdraft and Proposed Dividend have also been taken care of in this book. • In the chapter of Redemption of Debentures, the treatment of interest on Debenture Redemption Funds Investments or Profit (or Loss) on the sale of DRFI have been also summarised in the chapter. • All chapters have been revised and adapted. Problem of each chapter have been suitably graded and edited to include questions of topical interest. We are confident that the book in its revised form will be more useful for B.Com (Pass and Hons.), M.Com, M.B.A., C.A., I.P.C.E, C.A.(Final), I.C.M.A. (Stage II) and Company Secretaries (Executive Programme) Examinations.

**International Dimensions of Financial Management**

Cengage Learning Financial Management is so crucial for any organization--public or private sector--as profit maximization and increasing the shareholder value depend, to a large measure, on efficient and effective

financial management of the company or firm. With this end in view, Professor Bhabatosh Banerjee, drawing from his expertise and his rich and long years of experience, gives a masterly analysis of the fundamental principles of financial management along with their applications. While retaining the distinguishing features of the previous edition, the book is now a much more

comprehensive one on Financial Management. Significant changes have been incorporated into the chapters relating to cost of capital, analysis of leverages, capital structure theories and planning, capital budgeting decision, working capital management, changes in financial position, accounting ratios and financial statement analysis,

mergers and acquisitions and corporate governance for further value addition of the book. The book is logically organized into five parts—Part I: Basic Concepts, Part II: Financial and Dividend Decisions, Part III: Investing in Long-term and Short-term Assets, Part IV: Performance Analysis and Measurement, Part V: Contemporary Topics—to enable the students to understand the concepts,

with suitable cases, chronologically and more effortlessly. This book is primarily intended as a text for the students of commerce and management courses. It will also be highly useful for those appearing in CA and ICWAI examinations. In addition, the text will benefit practising finance and accounting professionals, corporate managers, and participants in management

development programs. KEY FEATURES • Includes numerous illustrations, worked-out problems and exercises covering recent questions in university and professional examinations. • Gives corporate practices in professional management, wherever found necessary. This will enable the students to acquaint themselves with real-life situations. • Provides Case Studies in a

few complex chapters to enhance the analytical and presentation skills of the students in a classroom setting.

**Study Guide for Use with Financial Accounting,**

**6th Ed** Sultan Chand & Sons For CA, CS, ICWA, MBA, BBA, CFA and Unified Syllabus of UGC for B.Com. And M.com. has been taken into consideration. A large number of new problems set in latest examinations have been
