What do you do when you want to find your faith, but don't know

where to start?  
 Lifestyle blogger  
 Ashley Hetherington  
 tackles the question so  
 we can finally start  
 living the life that's  
 waiting for us. Many  
 women have no idea  
 how to get into their  
 faith. It's even easier  
 for them to wonder  
 what the heck is out  
 there and if there  
 really is someone  
 Divine looking over  
 them. Ashley  
 Hetherington  
 understands this  
 problem. But she also  
 discovered that no  
 matter where you  
 come from or how  
 much you know, there  
 is a way to start a  
 relationship with Jesus  
 from scratch. Her  
 experience helps us: ·  
 Learn how to pray, and  
 see that it's a lot easier  
 than you'd think. · Open  
 up the Bible and  
 actually understand it. ·

Find a church home,  
 even if you don't have  
 anyone to go with. ·  
 Make friends that will  
 support you on your  
 faith journey, and what  
 Christian community  
 looks like.

Hetherington, a former  
 Jesus-googler herself,  
 delivers just how you  
 can find your faith from  
 ground zero. By the  
 end of *A Scoop Of  
 Honey*, you will  
 understand more about  
 your purpose, gain a  
 sense of your worth,  
 and you will surely feel  
 closer to your Maker.

Artisan Books  
 The secret to planning  
 a deeply personal and  
 meaningful wedding  
 has nothing to do with  
 budget. It's about  
 creating a celebration  
 that reflects a couple's  
 core values.

Translating those  
 values is the work of

Modern Wedding, an information-filled guide with hundreds of creative ideas and beautiful, inspiring photographs for readers to look at and say, “This feels like us.” The book unpacks every element of a wedding—stationery, attire, seating plans, flowers and tablescapes, food and drink, gifts—with examples that will appeal to couples who care about how things are made but are not overly influenced by trends. The emphasis is on natural surroundings, seasonal flowers and food, modern dresses, minimalist ceremony structures, and naked cakes. Photographs of real weddings—“case studies” like a destination fete in Tuscany, a house party

in Brooklyn, and a New Agey revel in Kauai—show how all the pieces can come together into a unique and expressive whole. Extensive practical information and resources give readers access to all the help they need for their own unique celebration.

Logo Design Workbook  
focuses on creating  
powerful logo designs  
and answers the  
question, "What makes  
a logo work?" In the  
first half of this book,

authors Sean Adams  
and Noreen Morioka  
walk readers step-by-  
step through the entire  
logo-development  
process. Topics include  
developing a concept  
that communicates the  
right message and is  
appropriate for both  
the client and the  
market; defining how  
the client's long-term  
goals might affect the  
look and needs of the  
mark; choosing colors  
and typefaces;  
avoiding common  
mistakes; and  
deciphering why some  
logos are successful  
whereas others are  
not. The second half of  
the book comprises in-  
depth case studies on  
logos designed for  
various industries.  
Each case study  
explores the design  
brief, the relationship  
with the client, the  
time frame, and the

results.
