Take charge of Operation Barbarossa and drive towards Moscow or command the steadfast defenders of the Soviet Union. From the early battles for Leningrad and Sevastopol to the tank clash of Kursk and the bitter urban warfare of Stalingrad, this new Theatre Book for Bolt Action provides wargamers with new scenarios and special rules that give them everything they need to focus their gaming on the Eastern Front.

Bolt Action: Ostfront

Enter A Game of Spies, where the salons and soirées of Regency England are countered by spies and gambling. Josette Sourantine enjoys dancing, flirtations, and gambling on cards. The salons of Regency London offer everything she loves. A little dancing, a little flirtation with dangerous rakes, a little card-play with extra coins in the offing. A little unexpected spying. When Giles Hargreaves tempts her into a dalliance, Josette discovers he hunts a spy working for France. A traitor to England working for Bonaparte who will hang when he finds them. Dancing, flirtations, gambling and

betrayal? Not for Josette. A little addition of love? That works. A captivating love story combines with a suspenseful tale of dangerous spies in A Game of Spies.

The adventurers now have their own island and port, but they'll need more than one ship to defend it. They must scour the harbors and docks of the Shackles to recruit more ships and more crews to their flag. But when a rival from their past sends a fleet to attack them, they must defend their island home. And when they sail to his island to get their revenge, the adventurers discover a traitor whose betrayal threatens all of the islands of the Shackles! Continuing the Skull & Shackles Adventure Path, The Price of Infamy is a Pathfinder Roleplaying Game adventure for 11th-level characters. This Pathfinder adventure delves into the secrets of the deadly cult of Norgorber, god of thieves and assassins, and presents new rules for battles between whole pirate fleets. New monsters from the depths of the sea and exotic islands fill the Pathfinder Bestiary, while Robin D. Laws (author of the Pathfinder Tales novel The Worldwound Gambit) continues his tale of pirates and lost treasures in the Pathfinder's Journal.
