The Marriage Repair and Maintenance Manual is a self-help book for those who want to improve their marriages, avoid problems and fix those that have arisen. It is divided into two sections, basic principles and concepts, and a section of case studies with the author's comments. The author uses humor and case illustrations as well as his own cartoons to get his points across.

*Husqvarna Competition Models Owners Workshop Manual* Haynes Publishing

This is a service and repair manual for the DIY motorcycle mechanic. This book details how to repair the Honda XL125V & VT125 shadow.

**Chilton's Motorcycle Repair Manual** Haynes Manuals N. America, Incorporated

Each Haynes manual provides specific and detailed instructions for performing everything from basic maintenance and troubleshooting to a complete overhaul of the machine, in this case the Honda MBX & MTX 125 & MTX 200, model years 1983 through 1993. Do-it-yourselfers will find this service and repair manual more comprehensive than the factory manual, making it an indispensable part of their tool box. A typical Haynes manual covers: general information; troubleshooting; lubrication and routine maintenance; engine top end; engine lower end; primary drive, clutch and external shift mechanism; transmission and internal shift mechanism; engine management system; electrical system; wheels, tires and drivebelt; front suspension and steering; rear suspension; brakes; body, and color wiring diagrams. An index makes the manual easy to navigate.

**Technical Books in Print** Haynes Manuals N. America, Incorporated

Using easy-to-understand text and illustrations, this book provides a complete practical guide to restoring a classic motorcycle. Aimed at owners of Japanese, Italian and British classic bikes, the book features advice on what to look for when buying a bike; tips on how to overhaul and repair components which commonly give trouble; colour step-by-step photograph sequences; safety hints and tips; and details of the various fasteners used on bikes.

*Vespa Scooters Owners Workshop Manual* Haynes Manuals N. America, Incorporated
