Chronicles of England, Scotland and Ireland Oxford University Press

'And when I shall die, Take him and cut him out in little stars.' This collection of Shakespeare's soliloquies, including both old favourites and lesser-known pieces, shows him at his dazzling best. One of 46 new books in the bestselling Little Black Classics series, to celebrate the first ever Penguin Classic in 1946. Each book gives readers a taste of the Classics' huge range and diversity, with works from around the world and across the centuries - including fables, decadence, heartbreak, tall tales, satire, ghosts, battles and elephants.

Ate Eol 2000 G 12 Oswaal Books

Daemonologie-in full Daemonologie, In Forme of a Dialogue, Divided into three Books: By the High and Mighty Prince, James &c.-was written and published in 1597 by King James VI of Scotland (later also James I of England) as a philosophical dissertation on contemporary necromancy and the historical relationships between the various methods of divination used from ancient black magic. This included a study on demonology and the methods demons used to bother troubled men while touching on topics such as werewolves and vampires. It was a political yet theological statement to educate a misinformed populace on the history, practices and implications of sorcery and the reasons for persecuting a witch in a Christian society under the rule of canonical law. This book is believed to be one of the main sources used by William Shakespeare in the production of Macbeth.

Shakespeare attributed many quotes and rituals found within the book directly to the Weird Sisters, yet also attributed the Scottish themes and settings referenced from the trials in which King James was involved.

Examples of Indian Periodicals ... Penguin UK

'A storyteller who could teach Scheherazade a thing or two about pace, suspense and imaginative invention'New York Times THE REAL MACBETH . . . It is the eleventh century and in the isles of Orkney a young boy is born. He is named Thorfinn, baptized as Macbeth. To the north are the warring Vikings and south lies Alba - the Scottish mainland. Orkney is the prize in between, and an unlikely place from which a young man might launch a bid as ruler of a united Scotland. Yet Thorfinn is unlike other men. He has a warrior's courage and the wiliness of the underdog. By his side stands his wife Groa, as shrewd and valiant as her husband. Together they will navigate the treacherous waters of the new millennium, uniting a divided nation and birthing a legend that will survive a thousand years. Thorfinn Macbeth will be King Hereafter . . . 'Stunning' Washington Post

The New Oxford Shakespeare offers authoritative editions of Shakespeare's works with introductory materials designed to encourage new interpretations of the plays and poems.

Educational Times Mr Lalit Mohan "English Guru"

This Handbook triangulates the disciplines of history, legal history, and literature to produce a new, interdisciplinary framework for the study of early modern England. Scholars of early modern English literature and history have increasingly found that an understanding of how people in the past thought about and used the law is key to understanding early modern familial and social relations as well as important aspects of the political revolution and the emergence of capitalism. Judicial or forensic rhetoric has been shown to foster new habits of literary composition (poetry and drama) and new processes of fact-finding and evidence evaluation. In addition, the post-Reformation jurisdictional dominance of the common law produced new ways of drawing the boundaries between private conscience and public accountability. Accordingly, historians, critics, and legal historians come together in this Handbook to develop accounts of the past that are attentive to the legally purposeful or fictional shaping of events in the historical archive. They also contribute to a transformation of our understanding of the place of forensic modes of inquiry in the creation of imaginative fiction and drama. Chapters in the Handbook approach, from a diversity of perspectives, topics including forensic rhetoric, humanist and legal education, Inns of Court revels, drama, poetry, emblem books, marriage and divorce, witchcraft, contract, property, imagination, oaths, evidence, community, local government, legal reform, libel, censorship, authorship, torture, slavery, liberty, due process, the nation state,

colonialism, and empire.

Oswaal ISC 10 Sample Question Papers Class 11 Accountancy, Economics, Commerce, English Paper-1 & 2 (Set of 5 Books) For 2024 Exams (Based On The Latest CISCE/ISC Specimen Paper) DIWAKAR EDUCATION HUB

A veteran hockey writer takes on hockey culture and the NHL--addressing the games most controversial issue Whether its on-ice fist fights or head shots into the glass, hockey has become a nightly news spectacle--with players pummeling and bashing each other across the ice like drunken gladiators. And while the NHL may actually condone on-ice violence as a ticket draw, diehard hockey fan and expert Adam Proteau argues against hockeys transformation into a thuggish blood sport. In Fighting the Good Fight, Proteau sheds light on the many perspectives of those in and around the game, with interviews of current and former NHL stars, coaches, general managers, and league executives, as well as medical experts. One of the most well-known media figures on the hockey scene today, famous for his funny, feisty observations as a writer for the Toronto Star and The Hockey News and commentator on CBC radio and TV, Adam Proteau is also one of the few mainstream media voices who is vehemently anti-fighting in hockey. Not only is his book a plea to the games gatekeepers to finally clamp down on the runaway violence that permeates the sport even at its highest level, he offers realistic suggestions on ways to finally clean the game up. • Includes interviews with medical experts on head injuries and concussions, as well as with other members of the media • The author not only wages an attack on the value of fighting in hockey--but also on the establishment hockey culture Covering the most polarizing issue in hockey today, Fighting the Good Fight gives hockey fans and sports lovers everywhere a reason to stamp their feet and whistle--at a rare display of eloquence and common sense.
