Understanding Etheridge Knight introduces readers to a major—but understudied—American poet. Etheridge Knight (1931-1991) survived a shrapnel wound suffered during military service in Korea, as well as a drug addiction that led to an eight-year prison sentence, to publish five volumes of poetry and a small cache of powerful prose. His status in the front ranks of American poets and thinkers on poetry was acknowledged in 1984, when he won the Shelley Memorial Award, which had previously gone, as an acknowledgement of "genius and need," to E.E. Cummings, Gwendolyn Brooks, and W. S. Merwin. In this first book-length study of Knight and his complete body of work, Michael Collins examines the poetry of a complex literary figure who, following imprisonment, transformed his life to establish himself as a charismatic voice in American poetry and an accomplished teacher at institutions such as the University of Hartford, Lincoln University, and his own Free Peoples Poetry Workshops. Beginning with a concise biography of Knight, Collins explores Knight's volumes of poetry including Poems from Prison, Black Voices from Prison, Born of a Woman, and The Essential Etheridge Knight. Understanding Etheridge Knight brings attention to a crucial era in African American and American poetry, and to the literature of the incarcerated, while reflecting on the life and work of an original voice in American poetry.

Minutes of meetings of the society appear in most of the vols.
The stem of Morton, a collection of genealogical notes, respecting the family of Morton, compiled by W.M. Zhixin Lin
Here in is a collection of work following the initial writing of Phi Metaphysics which was a corner stone in the work of Philip Parzygnat. This collection is comprised of two volumes that motivate ideas and thoughts that could lead to greater ideas and thoughts that well shape the future. Each work is included in its original rendition including cover, introduction, and content. This compendium has been created to allow one to buy the set of all generally accessible work between 2008 and 2012 in one volume.
