ZION ANTONY

Marshall Blueberry Rebecca Rils
 In one of Jim Harrison's greatest works,

five members of the Northridge family narrate the tangled epic of their history on the Nebraska plains. *The Road Home* continues the story of the captivating heroine Dalva and her peculiar and remarkable family. It encompasses the voices of Dalva's grandfather John Northridge, the austere, hard-living half-Sioux patriarch; Naomi, the widow of his favorite son and namesake; Paul, the first Northridge son, who lived in the shadow of his brother; and Nelse, the son taken from Dalva at birth, who now has returned to find her. It is haunted by the hovering spirits of the father and the lover Dalva lost to this country's wars. It is a family history drenched in suffering and joy, imbued with fierce independence and love, rooted in the Nebraska soil, and intertwined with the destiny of whites and native Americans in the American West. Epic in scope, stretching from the close of the nineteenth century to the present day, *The Road Home* is a stunning and trenchant novel, written with the humor, humanity, and inimitable evocation of the American spirit that have delighted Jim Harrison's legion of fans. "A graceful novel . . . To read this book is to feel the luminosity of nature in one's own being." —The New York Times Book Review "The *Road Home* confirms what his longtime fans already know: Harrison is on the short list of American literary masters." —The Denver Post "Demonstrates why [Harrison] is considered one of the best storytellers around." —The Washington Post "The *Road Home* is Harrison at the peak of his powers, a splendid combined prequel and sequel . . . very much alive and probably his best novel." —Boston Sunday Herald

The Comet of Carthage Methuen

Childrens Books

His name is John Blacksad. He's a private

detective who's seen much evil in the past, but never in his long life has he encountered a case as bizarre, as twisted, or as deadly as the one he accepts now. In a town where white supremacists have moved in and are brutally seizing control, Blacksad is asked to find a kidnapped child and bring the kidnappers to justice. As he gets deeper into his investigation, Blacksad discovers a tale of sickening horror involving murder and worse that condemns some of the town's most powerful citizens.

Arzach Elsevier

A "must have" collection of classic adventures by one of Europe's most feted cartoonists.

The Lone Warrior Penguin

The very first graphic storytelling collaboration between two masters of the medium, Alexandro Jodorowsky and Moebius.

Blueberry: Ballad for a coffin St. Martin's Press

Dr. Jeronimus Quint has an unusual business model that Hippocrates would frown upon: he creates his own patients by injuring people whose lives then depend on him. His latest victims are Jonas Crow, Undertaker, and Rose, his English companion. Without the best medical attention—i.e. Quint's—each might lose a limb, or even die, from gangrene. He's kidnapped Rose and is withholding his sado-surgical skills while Jonas and his cohort Lin pursue him and his captive. With ferrymen and lumberjacks in front, angry lawmen behind, and a leg killing him from within, the Undertaker hopes to survive long enough to make Jeronimus Quint his next customer.

This open access book identifies and discusses biodiversity's contribution to

physical, mental and spiritual health and wellbeing. Furthermore, the book identifies the implications of this relationship for nature conservation, public health, landscape architecture and urban planning – and considers the opportunities of nature-based solutions for climate change adaptation. This transdisciplinary book will attract a wide audience interested in biodiversity, ecology, resource management, public health, psychology, urban planning, and landscape architecture. The emphasis is on multiple human health benefits from biodiversity - in particular with respect to the increasing challenge of climate change. This makes the book unique to other books that focus either on biodiversity and physical health or natural environments and mental wellbeing. The book is written as a definitive 'go-to' book for those who are new to the field of biodiversity and health.

Is Man Good? Europe Comics

A tale of Toland Polk, a young man caught in the maelstrom of the civil rights movement and the entrenched homophobia of small-town America

The Legend of Sally Jones Cinebook

There is a gap between the ecology of health and the concepts supported by international initiatives such as EcoHealth, One Health or Planetary Health; a gap which this book aims to fill. Global change is accelerated by problems of growing population, industrialization and geopolitics, and the world's biodiversity is suffering as a result, which impacts both humans and animals. However, Biodiversity and Health offers the unique opportunity to demonstrate how ecological, environmental, medical and social sciences can contribute to the improvement of human health and

wellbeing through the conservation of biodiversity and the services it brings to societies. This book gives an expansive and integrated overview of the scientific disciplines that contribute to the connection between health and biodiversity, from the evolutionary ecology of infectious and non-infectious diseases to ethics, law and politics. -

Presents the first book to give a broad and integrated overview of the scientific disciplines that contribute to health -

From evolutionary ecology, to laws and policies, this book explores the links between health and biodiversity -

Demonstrates how ecological sciences, environmental sciences, medical sciences, and social sciences may contribute to improve human health

The Vengeance of Mothers Dark Horse Comics

Five children wake up in a mysteriously deserted city. They must learn to survive--alone.

Le Monde de l'éducation W. W. Norton & Company

The classic account of Custer\'s Last Stand that shattered themyth of the Little Bighorn and rewrote history books.

This historic and personal work tells the Native American sideof Custer\'s fabled attack, poignantly revealing how disastrous theencounter was for the "victors," the last great gathering of PlainsIndians under the leadership of Sitting Bull.

A second edition hardcover of the Eisner Award winner! Carl Seltz is a suburban insurance investigator, a loving husband,

and devoted father. Nixon is a berserk, homicidal tax collector racking up mind-boggling body counts in a diseased urban slaughterhouse. Unit Four is the ultimate robot killing machine and the last hope of the future's enslaved mechanical servants. And they're all the same psychotic entity.

Biodiversity and Health Springer

Hard-boiled feline detective John Blacksad is back in the latest tour de force from the multiple-award-winning duo of writer Juan Díaz Canales and artist Juanjo Guarnido! Taking a much-needed break after the events of *A Silent Hell*, Blacksad lands a side job driving a rich Texan's prized yellow Cadillac Eldorado across 1950s America, hitting the back roads from New Orleans to Tulsa. But before long, the car is stolen and Blacksad finds himself mixed up in another murder, with roughneck bikers, a shifty lawyer, one down-and-out Beat generation writer, and some sinister circus folk! When John Blacksad goes on the road, trouble is dead ahead! * Eisner and Harvey award-winner! * Available in English for the very first time! *

Translated by Katie LaBarbera and Neal Adams! * Introduction by Neal Adams!

Livres de France Hachette UK

The third book in the exciting and sexy "Once Upon A Time In The West" Series from Lori Austin. Rose Varner needs a man... But not just any man. The one known as "White Ghost with Hair of Fire." He may be the only way to rescue her daughter, Lily, from the Cheyenne. Legend has it he was once the Cheyenne's captive, but his courage impressed them so much that they accepted him as one of their own. Yet the man Rose finds seems far from legendary... Luke Phelan's tortured past has driven him to live as a recluse in the Smoky Hills of western Kansas. Having vowed to keep his distance from the Cheyenne, Luke refuses to accompany Rose on her rescue mission. But her bravery in the face of dangerous odds changes his mind. Now as they ride toward their destination, they'll battle outlaws, bounty hunters, and their own rising desires before finding Lily. But the cost to Rose will be high, and her budding love for Luke will be put to the test... Don't miss the first two books, *BEAUTY AND THE BOUNTY HUNTER* and *AN OUTLAW IN WONDERLAND*

Wyoming Doll Humanoids Inc

Lin and Rose have gone their separate ways, so Jonas Crow is left alone with his

hearse and Jed, his pet vulture. Winter has set in and there's plenty of work to do—plenty of bodies to bury. When a childhood friend, Sid, looks him up and offers him a dangerous job, Jonas eventually agrees to it. Time, however,

changes all things, loyalties included. Sid may not be trustworthy, but he was right about one thing—Jonas is the only undertaker in the Old West crazy enough to go after a corpse in Apache territory.
