The Activist WW Norton

The winner of the 1922 Pulitzer Prize in literature and the subject of several well-received film adaptations, Alice Adams is regarded as one of Booth Tarkington's most accomplished novels. The tale follows the exploits of the plucky young protagonist, who disregards her family's low social standing and pursues love with the well-heeled young man of her dreams.

Expecting Adam Simon and Schuster

"It's a great country, but never trust it, son. It's beautiful but it's treacherous." Adam Ross had seen the way his country could destroy a man. Growing up in the Australian outback in the first half of the twentieth century with no formal education, no parents and no one to love him, he learned to fend for himself. But when he forms an unlikely friendship with Jimmy, who works in the Opal mines, his luck begins to change. The land that stole Adam's father gives him an opportunity to start anew. Armed with determination and ambition, Adam treks west to carve himself an empire. However, success doesn't come easy

and Adam, a man who spent much of his life devoid of love, soon finds himself caught between two women. Torn between his love for his cold-hearted wife and his mistress, Adam must make decisions about his future and the type of man he wants to be.

A Major BBC Series Starring Ben Whishaw. The multi-million copy bestseller and Book of the Year at The National Book Awards. 'Painfully funny. The pain and the funniness somehow add up to something entirely good, entirely noble and entirely loveable.' - Stephen Fry Welcome to the life of a junior doctor: 97-hour weeks, life and death decisions, a constant tsunami of bodily fluids, and the hospital parking

meter earns more than you. Scribbled in secret after endless days, sleepless nights and missed weekends, Adam Kay's *This is Going to Hurt* provides a no-holds-barred account of his time on the NHS front line. Hilarious, horrifying and heartbreaking, this diary is everything you wanted to know - and more than a few things you didn't - about life on and off the hospital ward. Sunday Times Number One Bestseller for over eight months and winner of a record FOUR National Book Awards: Book of the Year, Non-Fiction Book of the Year, New Writer of the Year and Zoe Ball Book Club Book of the Year. This edition includes extra diary entries and an afterword by the author.

A groundbreaking look at why our

interactions with others hold the key to success, from the New York Times bestselling author of *Think Again*, *Originals*, and the forthcoming *Hidden Potential*. For generations, we have focused on the individual drivers of success: passion, hard work, talent, and luck. But in today's dramatically reconfigured world, success is increasingly dependent on how we interact with others. In *Give and Take*, Adam Grant, an award-winning researcher and Wharton's highest-rated professor, examines the surprising forces that shape why some people rise to the top of the success ladder while others sink to the bottom. Praised by social scientists, business theorists, and corporate leaders, *Give and Take* opens up an approach to work, interactions,

and productivity that is nothing short of revolutionary.

Adam's Empire Rutgers University Press
As he comes of age in the late 1960s, in a Saudi Arabia wildly conflicted between newfound prosperity and ancient tradition, a young boy is swept up by the call to revolution and tormented by the incompatible demands of personal loyalties. The deceptive tranquillity of his middle-class neighbourhood is the setting for an intense showdown between the boy's love for his family and yearning for social justice. He struggles to make sense of all this turbulence, as he himself awakens to passions both private and political. *Adama* explores the poles of idealism and disillusionment, amidst the paradoxes of a conservative land where every illicit pleasure is

available and ancient traditions co-exist with the apparatus of a powerful and merciless state.

One morning Mustafa Ali Noman, a teacher in Baghdad, is arrested as he reaches the school gates. For the next 15 months he is brutally interrogated and barred from contacting his family. The question of guilt or innocence clearly irrelevant, Mustafa must fight to retain a grip on reality. 'How do I know that I am not dreaming this?' he asks.

He's an Irish political journalist in search of his past. She's an American genealogist trying to forget hers. But what's the real reason that keeps bringing them together? Genealogist Lana Pedersen comes to Ireland with no desire to be involved with any man not six feet under. Then two very live Irishmen begin competing for her services - and for her heart. Smouldering Irish Firebrands ignite in the conclusion to the American Baby Boomer's

unexpected adventures in the Emerald Isle. IRISH FIREBRANDS took three years to research, including a voyage to Ireland. Christine Plouvier also writes poetry and nonfiction.

Book of Rhymes HarperCollins Australia
In this new volume of critical essays on the Francophone literature of countries in the African Sahel, some of the field's most distinguished scholars investigate both the written and oral genres produced in this dynamic region - work characterised by its association with the desert. Revealing the richness and complexity of little-known texts, now becoming increasingly important as Africa forms its literary canon, this is the first volume of its kind available to researchers, teachers and students in the Anglophone world.

One afternoon, Sheikh Abdelmajid Boularwah embarks upon a journey in search of distant relatives. His immediate family are ruthless, rich and collaborate with colonial authorities. He hopes his long-lost relatives, who are unknown to the new Communist government, might be better placed to help him defraud it. Through a labyrinth of back alleys and memories, Boularwah makes his way from Algiers across the seven bridges of Constantine, battling the forces of a rapidly changing society while confronting the demons of his own past. The Earthquake offers a surrealist vision of post-colonial Algeria — a society in chaos, a world turned upside down. Written in the early 1970s, this

classic work by pioneering novelist Tahir Wattar presciently foretells the dreadful events which would later besiege his country.

Despite speculation about Saudi interests and loyalties that have been directed at the country since 9/11, Arabia remains the key US ally in the Arab Middle East. Menoret debunks the facile notions about Saudi society, and focuses our attention on present political and economic realities that cannot be reduced to essentialist "tribalist" ideas. Menoret illustrates the emerging autonomous--and Islamic--manifestations of Saudi national identity, fiercely reformist rather than medieval, complex and varied rather than merely a justification or support for the rule of the

al-Saud royal family. Underlying this account is a sophisticated economic history of the Saudi state, from the eighteenth century to the present day, which details all the alliances and manoeuvres that have brought the country and its rulers to their current precarious position.

Selected as a book of the year 2017 by The Times and Sunday Times What is it about Adam and Eve's story that fascinates us? What does it tell us about how our species lives, dies, works or has sex? The mythic tale of Adam and Eve has shaped conceptions of human origins and destiny for centuries. Stemming from a few verses in an ancient book, it became not just the foundation of three major world faiths,

but has evolved through art, philosophy and science to serve as the mirror in which we seem to glimpse the whole, long history of our fears and desires. In a quest that begins at the dawn of time, Stephen Greenblatt takes us from ancient Babylonia to the forests of east Africa. We meet evolutionary biologists and fossilised ancestors; we grapple with morality and marriage in Milton's Paradise Lost; and we decide if the Fall is the unvarnished truth or fictional allegory.

The Saudi Enigma Watkins Media Limited After doing herself near-fatal harm, Kit has returned to her island home. But it's a place she hardly recognises- the witch and the mermaids are hiding and the pirates have sailed to more bountiful shores. In their place is Neverland and

its inhabitants - damaged teens too sick to be in regular school, watched over by her psychiatrist uncle. And now Kit is one of them. Kit has a choice. She can use illicit night-time adventures with friends and mysterious new boy Rohan to avoid the truth. Or she can separate harsh reality from childhood fantasy and remember the night of her parents' deaths. What really prompted her family's departure from the island? Did a monster drive them away? Is the monster still there?

Caren Irr's survey of more than 125 novels outlines the dramatic resurgence of the American political novel in the twenty-first century. She explores the writings of Chris Abani, Susan Choi,

Edwidge Danticat, Junot Díaz, Dave Eggers, Jeffrey Eugenides, Aleksandar Hemon, Hari Kunzru, Dinaw Mengestu, Norman Rush, Gary Shteyngart, and others as they rethink stories of migration, the Peace Corps, nationalism and neoliberalism, revolution, and the expatriate experience. Taken together, these innovations define a new literary form: the geopolitical novel. More cosmopolitan and socially critical than domestic realism, the geopolitical novel provides new ways of understanding crucial political concepts to meet the needs of a new century.

Tomorrow's Eve Jabberwocky Literary Agency, Inc.

NEW YORK TIMES BESTSELLER • A candid and moving memoir of how one woman's pregnancy forced her to

confront her definition of how to live a successful life “Slyly ironic, frequently hilarious, [Martha] Beck’s memoir charts the journey from being smart to becoming wise.”—Time This edition includes a new afterword about Adam. From the moment Martha and her husband, John, accidentally conceived their second child, all hell broke loose. They were a couple obsessed with success. After years of matching IQs and test scores with less driven peers, they had two Harvard degrees apiece and were gunning for more. They’d plotted out a future in the most vaunted ivory tower of academe. But when their unborn son, Adam, was diagnosed with Down syndrome, doctors, advisers, and friends in the Harvard community warned them that if they decided to

keep the baby, they would lose all hope of achieving their carefully crafted goals. Fortunately, that’s exactly what happened. By the time Adam was born, Martha and John were propelled into a world in which they were forced to redefine everything of value to them, put all their faith in miracles, and trust that they could fly without a net. And it worked. Expecting Adam captures the abject terror and exhilarating freedom of facing impending parenthood, being forced to question one’s deepest beliefs, and rewriting life’s rules.

THE CULT NOVEL RETURNS! “The best book I read last year is *A Man Lies Dreaming* by Lavie Tidhar... It is so cleverly constructed and such a spectacular conclusion unfolds that you

are going to take it all very seriously.” – Sting “Ambitious as hell” –Ian Rankin “An excellent novel” –Philip Kerr Since its original 2014 publication, *A Man Lies Dreaming* has been translated into multiple languages and gained a cult following for its dark humor, prescient politics and powerful exploration of the impossibility of fantasy. 1939: Adolf Hitler, fallen from power, seeks refuge in a London engulfed in the throes of a very British Fascism. Now eking a miserable living as a down-at-heels private eye and calling himself Wolf, he has no choice but to take on the case of a glamorous Jewish heiress whose sister went missing. It’s a decision Wolf will very shortly regret. For in another time and place a man lies dreaming: Shomer, once a Yiddish pulp writer, who dreams

lurid tales of revenge in the hell that is Auschwitz. Prescient, darkly funny and wholly original, the award-winning *A Man Lies Dreaming* is a modern fable for our time that comes “crashing through the door of literature like Sam Spade with a .38 in his hand” (Guardian). PRAISE FOR *LAVIE TIDHAR* Winner – The World Fantasy Award Winner – The John W. Campbell Award Winner – The British Fantasy Award Winner – The Jerwood Fiction Uncovered Prize Winner – The Neukom Literary Arts Award Winner – The Kitschies Award Winner – The BSFA Award “Tidhar is a genius at conjuring realities that are just two steps to the left of our own.” –NPR “Tidhar changes genres with every outing, but his astounding talents guarantee something new and compelling no matter the story

he tells.” -Library Journal “In a genre entirely of his own, and quite possibly a warped genius.” -Ian McDonald, author of River of Gods “Already staked a claim as the genre’s most interesting, most bold, and most accomplished writer.” -Locus “Tidhar is a master at taking concepts that really shouldn’t work and crafting them into something uniquely brilliant.” -GeekDad “He is perhaps the UK’s most literary speculative fiction writer.” -Strange Horizons “Like early Kurt Vonnegut... both writers seem to channel the same prankster glee that covers deep despair.” -Locus “Bears comparison with the best of Philip K Dick” -The Financial Times PRAISE FOR A MAN LIES DREAMING JERWOOD FICTION UNCOVERED PRIZE WINNER 2015 BRITISH FANTASY AWARD NOMINEE

2015 PREMIO ROMA NOMINEE 2016 GEFEN PRIZE NOMINEE 2019 DUBLIN LITERATURE AWARD LONGLIST 2016 “Complex, elusive and intriguing” -The Jerusalem Post “Nasty, clever, waspish and witty... a brilliant and potent thought experiment” -The Sunday Herald “Bold and unnerving” -NPR “Damn good” -Jewish Book Council “A wholly original Holocaust story: as outlandish as it is poignant.” -Kirkus (starred review) “A vital, brilliant novel” -Barnes & Noble SFF Blog “Outstanding and moving” -Maxim Jakubowski, LoveReading.co.uk “Gripping... clever and thrilling work” -Buzz Magazine “In turns brutal, harrowing, heartbreaking and intriguing.... Irish Firebrands: a novel University of Illinois Press

Profiles John Adams, an influential patriot during the American Revolution who became the nation's first vice president and second president.

Irish Firebrands: a novel (Volume 2) Soho Press

On his way to a linguists' conference in Helsinki, Budai finds himself in a strange city where he can't understand a word anyone says. One claustrophobic day blurs into another as he desperately struggles to survive in this vastly overpopulated metropolis where there are as many languages as there are people. Fearing that his wife will have given him up for dead, he finds comfort in an unconventional relationship with

the elevator-operator in the hotel. A suspenseful and haunting Hungarian classic, and a vision of hell unlike any other imagined. 'With time, Metropole will find its due place in the twentieth-century library, on the same shelf as *The Trial* and 1984.' G.O. Chateaufort 'In the same way that Kafka becomes relevant again every time you renew your driver's license, Karinthy captures that enduring, horrifying and exhilarating state of being at the mercy of an unfamiliar land.'
