Angel Answers Oracle Cards McNidder & Grace

Angels answer children's tough questions about life, death, where babies come from and more in this beautifully illustrated picture book. Angel Messages for Kids will be a treasured addition to any family library and will be enjoyed by current and future generations.

Angel Therapy Oracle Cards : A 44-Card D National Geographic Books

Best-selling author and "angel lady" Doreen Virtue has written her first book for children! Thank You, Angels! introduces young

children to the world of angels and teaches them how these heavenly beings can help them in many ways. Kids will learn how to ask an angel for help, how to recognize an angel's voice, and what signs angels may use to let kids know that they're there. This book offers children a sense of comfort and peace by showing them that they're never alone.

The Angel Cards Book National Geographic Books

In their travels around the globe, Doreen Virtue and her son Grant (the authors of Angel Words and Angels of Love) meet thousands of talented people who dream of being a healer, spiritual teacher, or writer, or of opening a healing center or school. They also long to be able to afford organic food, vitamin supplements, exercise instruction, trips to spiritual power places, and a wonderful home. However, they don't move forward, because they don't understand how to manifest the financial resources that our current world operates upon. Doreen and Grant wrote this book as an instructional and inspirational guide

to everyone who needs material and emotional support for their dream and life purpose. Whether you desire more money, time, ideas, or opportunities, the Angels of Abundance will hold your hand and help you over the hurdles that have previously held you back.

Tarot has long been revered for giving detailed and accurate forecasts. Doreen Virtue and Radleigh Valentine have created the first deck of tarot cards that is 100 percent gentle, safe, and trustworthy! All of the words in this deck, as well as the artwork by Steve A. Roberts, are positive and beautiful, while still retaining the magical effectiveness of traditional tarot. The accompanying guidebook explains the general meaning of each card and walks you through the steps of giving an accurate reading for yourself and others. Rich with symbolism and imagery—including angels, archangels, unicorns, fairies, and mermaids—the Angel Tarot Cards will provide you with inspiring guidance on your life journey!

Angels of Abundance Oracle Cards CreateSpace

On incarnating, human beings receive the mission of integrating divine qualities into their thoughts, feelings and actions in order to experience full spiritual autonomy one day. Initiatory science has always used the metaphor of winged beings to express how it feels when these powerful energies are re-activated in our consciousness. This companion to *The Book of Angels: Dreams, Signs, Meditations* re-introduces an initiatory teaching from the early Judeo-Christian tradition which defines 72 states of higher consciousness representing the qualities, virtues and powers of God.

Angel Children is a careful presentation of Latter-day Saint doctrine concerning the status of children who pass away before being baptized. It is a compassionate book which brings comfort and consolation through increased understanding to those who read it. The author, Mary V Hill, lost her own child and shares the emotions she felt during that trying period. She deals with aspects of religious life when serious illness develops: effective prayer, faith and healing, priesthood administration, man's appointed time to die, and one's attitude towards death. The subject then shifts to the status of little children after their passing. She shows how little children need no baptism, that they are heirs of the Celestial Kingdom, and that they are redeemed from the temptations of Satan. Life in the Spirit World is discussed, then the resurrection and the status of children following the resurrection is considered. Another chapter is devoted to the status of retarded children here on earth. The

author shows that the eternal spirit of a retarded child is not affected by the illness and discusses the eternal plan for such children. Great comfort is found in the final chapter: Overcoming the Challenge. The author tells of the necessity for having a positive attitude, mourning and being comforted, and ends with the reassurance that after much tribulation come the blessings. Angel Children is readable and inspirational. It is also a valuable collection of doctrinal materials on this important subject, including the scriptures and words of instruction and counsel by General Authorities of The Church of Jesus Christ of Latter-day Saints. Horizon Publishers is pleased to recommend it highly!
