A collection of simple but innovative mazes to solve, for very young children. Help the squirrel find his way up the tree, along the branches and up to the nuts; the jellyfish to find its way out of a tangle of seaweed; a rocket to navigate a suitable route through the galaxy, and much more. Usborne's range of maze books for older children has proved a huge success. This book makes mazes accessible to younger readers. Develops logic, observation and pen control.

101 Brain Teasers is in continuation of our series of publications that have gone a long way to inculcating in our young readers a desire to acquire knowledge, keep their brain sharp and active and at the same time, derive pleasure out of it. The overwhelming response to the Hindi edition of this book convinced us of the need to present its English also so as to reach a larger section of our young readers. This book contains a total of 101 mental exercises. Some of them are simple, some are difficult. Some are based on mathematics while some are based on logic. We are sure the book will bring forward the competitiveness in you and that you will not only feel challenged by a riddle but also derive immense pleasure in solving it. The tougher the exercise the greater will be the pleasure in solving it.

Learn to Read for Kids with Dyslexia is the definitive activity workbook to improve phonemic awareness, dysgraphia, and auditory processing disorder (APD) for kids ages 7-12. For kids with an official dyslexia diagnosis, or kids struggling with dyslexia related symptoms, learning to read can be challenging. Using a targeted approach to skill development, Learn to Read for Kids with Dyslexia applies the latest research-based learning methods to games and activities that strengthen auditory discrimination skills, support letter formation in writing, and most importantly--make reading fun. Specifically designed for kids ages 7-12, these engaging activities offer children daily opportunities to practice and hone their reading skills, instead of more homework for your child or student. With icons that designate skill building in phonemic awareness, dysgraphia, and APD for each activity, this workbook allows parents and teachers to focus on strengthening specific areas that will help kids become lifelong readers. From rhyme triangles to letter tracing mazes, Learn to Read for Kids with Dyslexia offers an entertaining and effective approach to reading with: 101 illustrated games and

activities that include word association, picture association, matching, coloring, listening, writing with sounds, and races 6 research-based learning methods such as phonological awareness training, phonemic awareness training, multisensory instruction, overlearning, explicit phonics instruction, and more! A flexible program that can be used one-on-one or in a small group Learn to Read for Kids with Dyslexia makes reading enjoyable and rewarding with fun-filled games and activities that teach children how to read fluently and confidently.
