Hiding in the Light is a young adult, action-adventure, coming of age story about the effects of bullying and the measures one takes to be accepted. Set in the South in the late 1960's, it's the journey of Joseph Graham's efforts to find himself and accept himself while facing the injustices of adversaries. They mock his differences: His looks, his speech, and his thoughts are different from the other boys. This brings unwanted attention from the neighborhood bullies. The bullies and the affluent within his community all draw lines in the sand, and Joseph is pushed to the middle. He searches for a way to escape his life of lack. But poverty, anger, and abuse offer no open doors. So, he struggles to stand and fight the slings and arrows of his haters until his moral compass is shattered. Joseph becomes a pawn in the street game of thuggery. Trying hard to prove himself and fit in, he takes on the persona of his alter ego. Through this fictional character he's able to hide his sorrows in the light. He pretends the hurt doesn't hurt until he loses himself within his alter ego and spirals out of control; landing at death's door. All while the bullies continue to sucker punch him with their verbal beat-downs. It wasn't until he met the one he calls, "The Smartest Man Alive," that his sun began to shine.

The shadows have risen, and the line is law. All Bree wanted was to uncover the truth behind her mother's death. A Scion. But the ancient war between demons and the Order is rising to a deadly peak. And Nick, the Legendborn boy Bree fell in love with, has been kidnapped. Bree wants to fight, but the Regents who rule the Order won't let her. To them, she is an unknown girl with unheard-of power, and as the living anchor for the spell that preserves the Legendborn cycle, she must be protected. When the Regents reveal they will do whatever it takes to hide the war, Bree and her friends must go on the run to rescue Nick themselves. But enemies are everywhere, Bree's powers are unpredictable and dangerous, and she can't escape her growing attraction to Selwyn, the mage sworn to protect Nick until death. If Bree has any hope of saving herself and the people she loves, she must learn to control her powers from the ancestors who wielded them first—without losing herself in the process.

The Reason I Run Dr. MaryAnn Diorio

ONE OF NPR'S BEST BOOKS OF 2019 A "warm and funny and honest...genuinely unputdownable" (Curtis Sittenfeld) memoir chronicling what it's like to live in today's world as a fat man, from acclaimed journalist Tommy Tomlinson, who, as he neared the age of fifty, weighed 460 pounds and decided he had to change his life. When he was almost fifty years old, Tommy Tomlinson weighed an astonishing—and dangerous—460 pounds, at risk for heart disease, diabetes, and stroke, unable to climb a flight of stairs without having to catch his breath, or travel on an airplane without buying two seats. Raised in a family that loved food, he had been aware of the problem for years, seeing doctors and trying diets from the time he was a preteen. But nothing worked, and every time he tried to make a change, it didn't go the way he planned—in fact, he wasn't sure that he really wanted to change. In *The Elephant in the Room*, Tomlinson chronicles his lifelong battle with weight in a voice that combines the urgency of Roxane Gay's *Hunger* with the intimacy of Rick Bragg's *All Over but the Shoutin'*. He also hits the road to meet other members of the plus-sized tribe in an attempt to understand how, as a nation, we got to this point. From buying a Fitbit and setting exercise goals to contemplating the Heart Attack Grill in Las Vegas, America's "capital of food porn," and modifying his own diet, Tomlinson brings us along on a candid and sometimes brutal look at the

everyday experience of being constantly aware of your size. Over the course of the book, he confronts these issues head-on and chronicles the practical steps he has to take to lose weight by the end. "What could have been a wallow in memoir self-pity is raised to art by Tomlinson's wit and prose" (Rolling Stone). Affecting and searingly honest, *The Elephant in the Room* is an "inspirational" (The New York Times) memoir that will resonate with anyone who has grappled with addiction, shame, or self-consciousness. "Add this to your reading list ASAP" (Charlotte Magazine).

In 2000, Chris Cicchinelli was twenty-five and at a crossroads. He had just been forced to leave a promising position at a large retail franchise when his mother, Patty Brisben, called. She wanted her son's help in growing her women-only, in-home party business featuring relationship enhancement products. Cicchinelli had been earning well over \$100,000 annually at his previous job. Patty said she could pay him just \$24,000. Still, he said yes, planning to stay just a few months to get the company—which would soon be rebranded as Pure Romance—on its feet. But after recognizing its potential, he never left. Long hours on the road and a restyled business model initially led to financial struggles, and more questions than answers. But their strategy ultimately paid off in explosive growth that swelled the company's revenues from \$3 million in 2001 to \$350 million today. Its workforce of independent consultants now exceeds 40,000 in the U.S. and abroad, despite the recent challenges posed by the COVID-19 pandemic. In *the secret is YOU*, author Chris Cicchinelli charts his two-decade journey transforming Pure Romance into the world's largest in-home/virtual party company of its kind, while also sharing his innovative approach for empowering women to become successful entrepreneurs themselves.

When Brendan O'Carroll, creator and star of Mrs Brown's Boys, stood on stage to collect his first BAFTA for the phenomenally successful comedy series in 2012, it marked a new milestone in his incredible career. Finally, he was being acknowledged as a worldwide sensation in his role as the irrepressible 'Mammy' Agnes Brown. Over the last few years, Brendan has spread his wings to taste success as an author, a playwright, a comedian, an actor, a television star and more, picking up major awards along the way. But it hasn't always been a bed of roses for the Dubliner, who started off life working as a waiter before evolving into the hardest working man in showbiz. Born in 1955 as the youngest of 11 children, he grew up in a two-bedroom corporation house in the rough-and-

tumble working class area of Finglas in north Dublin. After his father Gerard died, when Brendan was just seven years old, his formidable mother Maureen - who influenced Brendan's future career - raised him on her own. Life truly didn't begin until 40 for Brendan, who left school aged just 12 and tried his hand at anything to earn a living, including jobs as a milkman, DJ, bar manager and painter and decorator. But after being persuaded to have a go on the comedy circuit it was the beginning of a new dawn in Brendan's life that would see him become the man with the Midas touch. In the years since, his work rate has been phenomenal as his earthy comedy has become a global hit, he found love again and with his second wife and co-star Jennifer Gibney and he has become rich beyond his wildest dreams thanks to his foul-mouthed matriarch Mrs Brown.
