HUDSON ANAYA

Dirty Daddies Hachette UK
When Mom told me she was getting married again and moving her new husband and his twenty-four year old son in with us, I thought I'd just have to spend as much time as possible studying in the campus library to avoid all of them. I certainly never expected to learn that the marriage was simply a mutually beneficial arrangement for my mom and

new stepfather, Mr. Winters. They don't actually have feelings toward each other. I also didn't expect him and my stepbrother, Dominick, to be such handsome, Viking-like men. Or for them to take such an interest in me. Now at the age of 19, I suddenly find I have the family I've always wanted. As we all grow closer, though, lines start to blur. When Daddy and big brother start pushing those boundaries even further, will I be ready? Intended for mature audiences only. Contains dark, taboo themes and dubious consent.

A Man to Hold On to
Therese Matheson doesn't know if she'll ever get over losing her husband in Afghanistan.

Surviving Paul's death has been hard, but raising his sullen son and his thirteen-going-on-thirty daughter alone has been even harder. All they need is a fresh start, and Tallgrass, Oklahoma, could be the perfect new beginning . . . especially when Therese meets Sergeant Keegan Logan. The sexy combat medic and single dad soon awakens a desire she'd thought long buried. Keegan always wanted to be a father . . . someday. So when his ex-girlfriend disappears, leaving her daughter in his care, Keegan's hands are tied. He has to find the girl's father. His search leads him to Tallgrass and to a beautiful brunette widow who has no idea her husband was ever unfaithful. What begins as a friendship soon ignites into something far more and gives him the

courage to be the kind of man-and father-he always dreamt he could be. But his secret still stands between them. Can Keegan reveal the truth and convince Therese they share something too special to lose-a love that can bring two families together?

Ed watched as Sasha and Solu rode away from the Krehbiel farm on their horse they called Buck. He had to wonder, were they as happily married as he and Katrina were? Would he ever see Sasha again? Probably not if they were moving all the way to Montana to be teachers there. Then he felt a little guilty; although he loved Katrina with all his heart, he had to admit that he still had feelings for Sasha and wondered if she still had any feelings for him. In the

next few months, Sasha and Solu found themselves very busy in the School of Higher Education studying to be teachers. Occasionally Sasha thought of Ed and wondered what he was doing but always quickly pushed those thoughts aside and went on with her busy activities at school. Ed too occasionally thought of Sasha and wondered what she was doing but, he had little time to dwell on those thoughts since a tragic and unfortunate event left him the single parent of a beautiful little girl he named Abigale or Abbi for short. Ed was a wonderful daddy for his daughter, but she needed and wanted more than anything a real mommy to tuck her in bed at night and tell her she loved her. How was Ed to raise a child by himself when he was so busy at times with his

thriving new business of custom wheat binding? Then one day when Ed and Abbi were at the cemetery to wish Katrina a happy birthday, a young teenage boy came riding a horse to deliver a telegram for Ed. When Ed saw who the telegram was from, he was so excited he could hardly read what it said.

Law professor Natalie Greco has an ordered life. She feels a passion for teaching, especially her arcane seminar on the History of Justice, even though the course is pathetically undersubscribed in the high-powered law school. She has an attentive boyfriend and a protective family, although her testosterone-fuelled big brothers and very successful parents tend to overlook the quiet Nat. Then one terrible day, everything changes. Nat accompanies her colleague Angus to a prison in Chester County where he's a guest lecturer. It's a nice day for a drive through the countryside, the site for much Underground Railroad activity during the Civil War. However, the trip

turns grim when they arrive at the prison, hardly inside before the speaker system announces a “disturbance” and orders a lockdown. They’re smack in the middle of a riot. In front of a horrified Nat, a prison guard is fatally injured. Nat rushes to help him, only to hear his last words: “Tell my wife. It’s under the floor. The money.” At that moment, reinforcements arrive, the riot is quelled, and Nat and Angus are escorted out of the building by U.S. marshals. Remembering the dying guard’s words, Nat feels she must find his widow. But this is no simple quest, and along the way, Nat is framed for murder and the retiring scholar finds herself in a desperate fight to save her own life. [Sizzling Hot Daddy](#) Scholastic Inc.
