Verses for the Dead Cambridge
University Press
Now, available for the first time together
in a single volume: a digital-only, value-
priced omnibus edition of the "Diogenes
Trilogy": *Brimstone*, *Dance of Death*, and
The Book of the Dead--featuring
Pendergast's mysterious brother--by #1
New York Times bestselling authors
Preston & Child. *BRIMSTONE*: A body is

found in the attic of a fabulous Long
Island estate. There is a hoofprint
scorched into the floor, and the stench of
sulfur chokes the air. When FBI Special
Agent Pendergast investigates the
gruesome crime, he discovers that thirty
years ago four men conjured something
unspeakable. Has the devil come to
claim his due? *DANCE OF DEATH*: Two
brothers. One, top FBI Agent, Aloysius
Pendergast. The other, Diogenes, a
brilliant and twisted criminal. An undying
hatred between them. Now, a perfect
crime. And the ultimate challenge: Stop

me if you can. BOOK OF THE DEAD: A talented FBI agent, rotting away in a high security prison for a murder he did not commit. His psychotic brother, about to perpetrate a horrific crime. A young woman with an extraordinary past, on the edge of a violent breakdown. An ancient Egyptian tomb about to be unveiled at a celebrity-studded New York gala, an enigmatic curse released. Memento Mori.

On the Apocalyptic and Human Agency
Cambridge Scholars Publishing

Who is Jesus Christ? You've never met Him in person, and you don't know anyone who has. But there is a way to know who he is. How? Jesus Christ - the divine Person revealed in the Bible - has a unique excellence and a spiritual beauty that speaks directly to our souls

and says, "Yes, this is truth." It's like seeing the sun and knowing that it is light, or tasting honey and knowing that it is sweet. The depth and complexity of Jesus shatter our simple mental frameworks. He baffled proud scribes with his wisdom but was understood and loved by children. He calmed a raging storm with a word but would not get himself down from the cross. Look at the Jesus of the Bible. Keep your eyes open, and fill them with the portrait of Jesus in God's Word. Jesus said, "If anyone's will is to do God's will, He will know whether the teaching is from God or whether I am speaking on my own authority." Ask God for the grace to do His will, and you will see the truth of His Son. John Piper has written this book in the hope that all will see Jesus for who he really is and will

come to enjoy him above all else.

From Hope to Despair in Thessalonica
Canongate Books

The latest pulse-pounding thriller from New York Times bestsellers Preston & Child. Nora Kelly, a young curator at the Santa Fe Institute of Archaeology, is approached by historian Clive Benton with a once-in-a-lifetime proposal: to lead a team in search of the so-called 'Lost Camp' of the tragic Donner Party. This was a group of pioneers who earned a terrible place in American history when they became snow-bound in the California mountains in 1847, their fate unknown until the first skeletonized survivors stumbled out of the wilderness, raving about starvation, murder-and cannibalism. Benton tells Kelly he has stumbled upon an amazing find: the

long-sought diary of one of the victims, which has an enigmatic description of the Lost Camp. Nora agrees to lead an expedition to locate and excavate it - to reveal its long-buried secrets. Once in the mountains, however, they learn that discovering the camp is only the first step in a mounting journey of fear. For as they uncover old bones, they expose the real truth of what happened, one that is far more shocking and bizarre than mere cannibalism. And when those ancient horrors lead to present-day violence on a grand scale, rookie FBI agent Corrie Swanson is assigned the case... only to find that her first investigation might very well be her last. Versetes for the Dead Fordham Univ Press
A young couple are found dead in their apartment, and double suicide seems to

be the only interpretation- Alarm bells ring in the towering Manhattan offices of Eden Incorporated, the high-tech matchmaking company whose spectacular success and legendary secrecy have inspired awe around the world. The Thorpes, few people knew, were more than the quintessential happy couple - they were Eden's first perfect match. Christopher Lash, a gifted former FBI forensic psychologist, receives an urgent plea from Eden to perform a quick - and quiet - investigation into the deaths. Lash's investigation inadvertently dredges up the memories of a searing personal tragedy he has kept at bay for years, and his involvement becomes more personal and dangerous than he could have imagined. When a second Eden 'super-

couple' is found dead, Richard Silver, the company's brilliant and reclusive founder, has no choice but to grant Lash unprecedented access to its most guarded secrets-

Numbers Hachette UK

The dramatic second novel in a three-book story arc starring enigmatic FBI Agent Pendergast on his search for his long-lost wife, Helen. Devastated by the discovery that his wife, Helen, was murdered, Special Agent Pendergast must have retribution. But revenge is not simple. As he stalks his wife's betrayers - a chase that takes him from the wild moors of Scotland to the bustling streets of New York City and the darkest bayous of Louisiana - he is also forced to dig further into Helen's past. And he is stunned to learn that Helen may have

been a collaborator in her own murder. Peeling back the layers of deception, Pendergast realizes that the conspiracy is deeper, goes back generations, and is more monstrous than he could have ever imagined - and everything he's believed, everything he's trusted, everything he's understood . . . may be a horrific lie.

Crooked River Bloomsbury Publishing

Intelligence Elsewhere Bloomsbury Publishing

Can FBI Special Agent Pendergast stop a cursed Egyptian tomb from terrorizing New York City -- or will he stay trapped in a maximum security prison, punished for a murder he didn't commit? An FBI agent, rotting away in a high-security prison for a murder he did not commit...

His brilliant, psychotic brother, about to perpetrate a horrific crime... A young woman with an extraordinary past, on the edge of a violent breakdown... An ancient Egyptian tomb with an enigmatic curse, about to be unveiled at a celebrity-studded New York gala...

Memento Mori

Revelation Bloomsbury Publishing
Medicine Creek, Kansas, has been slowly dying for the last century. A small, quiet place, the primary occupation is still farming, Main Street is a stretch of old and dusty businesses, and the nearest mall is 200 miles away. In a town where nothing changes, the community is terrified after a series of grisly murders takes place. Even more alarming, the bodies are displayed in bizarre tableaux. With the entire town in shock, FBI Agent

Pendergast arrives from New Orleans to investigate. From the fields to the local caves, Pendergast discovers the remnants of a Prohibition-era moonshine operation and the truth behind one of the town's greatest mysteries: who was behind the Medicine Creek Massacre of 1865. Now, Pendergast must discover the twisted secret hiding within a four-generation Kansas family – before someone else is murdered.

Dance of Death Macmillan

Just before dawn one winter's morning, a hijacked jetliner explodes above the English Channel. Through the falling debris, two figures, Gibreel Farishta, the biggest star in India, and Saladin Chamcha, an expatriate returning from his first visit to Bombay in fifteen years, plummet from the sky, washing up on

the snow-covered sands of an English beach, and proceed through a series of metamorphoses, dreams, and revelations.

Inventing God's Law Grand Central Publishing

Grace Ozmian, missing daughter of a tech billionaire has been found. Most of her. Her head is still missing. Lieutenant CDS Vincent D'Agosta knows his investigation will attract fierce media scrutiny, so he's delighted when his old acquaintance FBI Special Agent A.X.L. Pendergast is assigned to the case. But neither man is prepared for what lies ahead. A diabolical presence is haunting New York City and Grace is only the first of many victims to be murdered... and decapitated. As the first snows of winter sweep across the city, it will take all of

Pendergast's skill and strength to unmask this most dangerous foe – let alone survive to tell the tale.

Sir Krinor Verses the Cobra OUP USA
In this #1 New York Times bestseller, FBI Agent Pendergast reluctantly teams up with a new partner to investigate a rash of Miami Beach murders . . . only to uncover a deadly conspiracy that spans decades. After an overhaul of leadership at the FBI's New York field office, A. X. L. Pendergast is abruptly forced to accept an unthinkable condition of continued employment: the famously rogue agent must now work with a partner. Pendergast and his new colleague, junior agent Coldmoon, are assigned to investigate a rash of killings in Miami Beach, where a bloodthirsty psychopath is cutting out the hearts of his victims

and leaving them with cryptic handwritten letters at local gravestones. The graves are unconnected save in one bizarre way: all belong to women who committed suicide. But the seeming lack of connection between the old suicides and the new murders is soon the least of Pendergast's worries. Because as he digs deeper, he realizes the brutal new crimes may be just the tip of the iceberg: a conspiracy of death that reaches back decades.

The Domsday Medallion Thunder Creek Press

A collection of crime stories by authors including John Mortimer, Ellis Peters, Charlotte Armstrong, Ralph McInerney and G.K. Chesterton.

The Cabinet of Curiosities Bloomsbury Publishing

Thirteen-year-old October Schwartz is new in town; she spends her free time in the Sticksville Cemetery and it isn't long before she befriends the ghosts of five dead teenagers, each from a different era of the past. They form the Dead Kid Detective Agency, a group committed to solving Sticksville's most mysterious mysteries.

Extraction Bloomsbury Publishing

Among modern analyses of the origin and development of John's Christology, the socio-religious analysis of Wayne A. Meeks advances one of the most compelling and suggestive theses in recent years, addressing the riddles pertaining to the puzzling presentation of Jesus as a prophet-king like Moses in John 6:14-15. Whereas the Logos motif of the Johannine Prologue and the

Father-Son relationship in the Johannine narrative convey high-christological thrusts, his receptions as a rabbi, teacher, and prophet elsewhere in John's story of Jesus are far more mundane and earth bound. Was the origin and development of John's presentation of Jesus here political, historical, theological, sociological, or some combination of the like? These are the issues Wayne Meeks addresses in his first of several important monographs, and his work continues to impact New Testament studies to this day. —From the Foreword by Paul N. Anderson

Book of Commandments, for the Government of the Church of Christ

Random House

From #1 New York Times bestselling authors Preston & Child, an all-new short

story featuring Agent Pendergast, available only as an ebook and audio download. In New Orleans' French Quarter, the Tooth Fairy isn't a benevolent sprite who slips money under your pillow at night....he's a mysterious old recluse who must be appeased with teeth--lest he extract retribution. When young Diogenes Pendergast loses a tooth, however, his skeptical older brother Aloysius is determined to put the legend to the test...with dire consequences. *Includes a special preview chapter of Preston & Child's new full-length novel TWO GRAVES, available December 11, 2012.

Old Bones Christian Faith Publishing, Inc. In downtown Manhattan, workers on a construction site breach a long-forgotten basement, unearthing a charnel house:

thirty-six bodies, systematically dismembered and carefully immured at least 130 years ago. It's just the kind of case to intrigue the unorthodox and enigmatic FBI agent Aloysius X.L. Pendergast. But he's not the only interested party. Soon after the bodies are discovered a killer strikes. Their victim's corpse bears the same precise mutilations as the bodies in the basement. The nightmare has begun. Again. 'Fast-moving, sophisticated and bursting with surprises... There's nothing else like them' WASHINGTON POST. 'Sit back, crack open the book and get ready for the ride of your life' DAVID BALDACCI.

The Dead Kid Detective Agency Grand Central Publishing

This ground breaking analysis cuts to the

heart of the critical debate surrounding the two Thessalonian Epistles. Colin R. Nicholl examines the situations giving rise to each Letter with a view to determining how the two relate historically. His book presents an original and compelling hypothesis, arguing that reflected in the Letters are two stages of a single crisis plaguing a recently formed Greek Church, which spiralled from hope into despair on account of confusion about 'the end'. In addition to making a fresh case for the authenticity of 2 Thessalonians and resolving one of the most difficult problems in the Bible - the identity of 'the Restrainer' - this monograph is a comprehensive analysis of the Thessalonian Epistles. It will provide an indispensable resource for scholars and pastors interested in the

Thessalonian correspondence.
The Satanic Verses Tyndale House
 This collection bundles two of respected author David Jeremiah's best-selling prophecy books into one e-book for a great value! *Agents of the Apocalypse*
 Are we living in the end times? Is it possible that the players depicted in the book of Revelation could be out in force today? And if they are, would you know how to recognize them? In *Agents of the Apocalypse*, noted prophecy expert Dr. David Jeremiah does what no prophecy expert has done before. He explores the book of Revelation through the lens of its major players—the exiled, the martyrs, the elders, the victor, the king, the judge, the 144,000, the witnesses, the false prophet, and the beast. One by one, Dr. Jeremiah delves into their

individual personalities and motives, and the role that each plays in biblical prophecy. Then he provides readers with the critical clues and information needed to recognize their presence and power in the world today. The stage is set, and the curtain is about to rise on Earth's final act. Will you be ready? Agents of Babylon In his #1 New York Times bestseller Agents of the Apocalypse, noted prophecy expert Dr. David Jeremiah explored the book of Revelation through the lens of its major players. Now, in the much-anticipated follow-up, Agents of Babylon, Dr. Jeremiah examines prophecy through the eyes of the characters in the book of Daniel, explains what the prophecies mean, and helps us understand how these prophetic visions and dreams

apply to our lives today. Written in the same highly engaging half dramatization, half Bible teaching format as Agents of the Apocalypse, Agents of Babylon is not only an in-depth exploration of the characters and prophecies contained in the book of Daniel but also a dramatic retelling of Scripture that is sure to bring ancient prophecy to light like never before. *Brimstone* Bloomsbury Publishing Language, Cognition, and Emotion in Keats's Poetry applies an innovative cognitive linguistic approach to the poetry of John Keats, the first of its kind to employ a cognitive-based framework to explore the expression and articulation of emotion in his work. Brannon adopts an embodied perspective to emotion, rooted in

cognitive linguistics, cognitive grammar, and cognitive poetics but also works from figurative language and stylistics, in examining a selection of Keats's poems. This approach allows for a close interrogation of the texts themselves but also the languages that compose them, comprising lexical and grammatical elements, which, when taken together, bring out the emotional saliency of Keatsian poetry. While revealing fresh insights into the work of John Keats, the book also sheds further light on the importance of cognitive approaches to poetic and grammatical analyses and how both language and the body can serve as forms of communication

through which metaphors can be expressed and contextualized. This volume will appeal to students and scholars interested in cognitive linguistics, figurative language, emotion studies, cognitive science, and Anglophone poetry.

The Politics of Dead Kings NavPress

Hot on the trail of a killer in Manhattan, FBI Special Agent Pendergast must face his most brilliant and dangerous enemy: his own brother. Two brothers. One a top FBI agent. The other a brilliant, twisted criminal. An undying hatred between them. Now, a perfect crime. And the ultimate challenge: Stop me if you can...
