Knitting Sweaters for Men Fox Chapel Publishing
 Do you wish your knitting was better and that you had an expert knitter by your side to help you when it goes wrong? Then this is the book for you. Patty Lyons is an expert in all things knitting related. She will help you solve all of your knitting problems—from edges that won't behave to adjusting your yarn tension—with the 70+ hacks in Patty Lyons' Knitting Bag of Tricks. Featuring dozens of brand new how-tos and the most popular tricks from author Patty Lyons' beloved advice columns, this handy guide goes far beyond your typical knitting tips. Knitters of all levels will discover both why and how various techniques work, and improve both the look of their knitting and their command of stitches. It's sure to take any knitter's skills up to the next level. With more than 30K followers on social media and name-checks by everyone from the Wall Street Journal to popular television show, Late Night with Seth Meyers, Patty is a well-known name in the knitting community. This isn't like other 'how to knit' books with basic information about casting on and how to form stitches (although there is a handy how-to reference section at the back for when you need a refresher), this is a book about the 'why' of knitting. Not about 'why we knit' but about 'why we knit the way we do'. By digging deeper into the 'why' Patty doesn't just fix your knitting problems she helps you to truly understand why the yarn/stitches/needles/tension are acting in a certain way and how to fix any issues. She starts by looking at the basics and explores the anatomy of a stitch, examining how this affects the look, feel and shape of the finished knitted fabrics and how different knitting techniques affect the finished outcome. Patty examines the problems caused by common mistakes that many knitters make without even noticing before diving into more complex knitting issues and how to trouble shoot them. All of Patty's techniques and tips are illustrated with detailed step-by-step artworks for absolute clarity. And, as you'd expect from a Patty Lyons book, there is a healthy scattering of humor and irreverence throughout – you might take knitting seriously but you don't have to be serious while knitting! NOTE: This is a scalable (or reflowable) font ebook. This improves the ebook reading experience but can lead to changes in the flow and order of text and images.

Now featuring new instructions, new illustrations, and new information, *The Principles of Knitting*—beloved by knitters everywhere and one of the most requested out-of-print books for years—finally gets the revision that fans have been clamoring for! A treasured guide beloved by knitters everywhere, the classic book *The Principles of Knitting* is finally available again in a fully revised and updated edition. This is the definitive book on knitting techniques, with valuable information for everyone from beginners to experienced knitters. June Hiatt presents not only a thorough, thoughtful approach to the craft, but also a passion for carrying on the art of knitting to future generations. She has repeatedly tested the various techniques and presents them with clear, easy-to-follow instructions—as well as an explanation of what each one can contribute to your knitting. Informed by decades of experience and thousands of hours of practice, this comprehensive resource offers a variety of ways to approach every skill and technique and offers solutions that can help solve the most challenging aspects of any knitting project. *The Principles of Knitting* has been totally rewritten—new instructions, new illustrations, and new information. While the basics of knitting have not changed much, June's understanding of the material has deepened over the last twenty-five years, and she's eager to share what she has learned with the knitting world. In addition, the book has been reorganized to make it easier to use and has a gorgeous new design. Reading *The Principles of Knitting* is like having a knitting mentor by your side who can answer any knitting question you have in an honest, intelligent, informed manner.

Knitting Cuff to Cuff Read Books Ltd

Sweaters are the ultimate showcase for knitters - but most patterns require complicated piecing that can be a little tricky. These don't... and they look fantastic, too! The seamless, top-

down knitting method eliminates challenging construction, allowing knitters to focus instead on the individual details that make each sweater special. Not only does this guide thoroughly explain how the technique works - with information on reading patterns and understanding sizing - but it also teaches beginners how to design their own generic patterns for pullovers and cardigans in different yarn gauges.

Designing Knitwear David and Charles

From those first crisp moments of fall, to the last lingering chills of spring, a simple cardigan is a wardrobe staple. Throw it over your favorite tee, layer it under a light Winter jacket, wrap it around you as you sit by the fire and watch the falling snow... This sweater is meant to be worn every day. Whether you're sitting around the house in a t-shirt and jeans, or hitting the town in a corduroy skirt and boots, an Everyday Cardigan will be right at home. Knit almost entirely in stockinette stitch, the pattern is straightforward enough for a relative beginner, but includes a little bit of ribbing and some seed stitch details to add visual interest. If you are a new knitter, don't let terms like "ribbing" and "seed stitch" scare you off - these are simply combinations of knits and purls. If you can do those two stitches, then you've got this! **REQUIRED SKILLS** The project is geared towards intermediate knitters and motivated beginners. If you have these skills: Long-tail and backwards loop cast-ons Knit and Purl Increasing and decreasing Picking up stitches Basic bind-off then you can do this.
