Deja Who DigiCat

Full size image In a ruined world, where wealthy humans push health and longevity to extremes and surround themselves with a shining metal wall, privilege and security is predicated on the services of cloned Neandertals, and the exploitation of women in the shanty towns and wastelands beyond the fortress city. This is the frightening yet moving story of orphaned Alida and her younger sister Graycie, and their struggle for survival in the Demi-Settlements outside the wall. When the sisters are forced to enter the City by very different means they risk being separated

forever. Cloned Neandertal officer, Shuqba is exiled to a security outpost in the Demi-Settlements when she fails to adhere to the impossible standards set for her species within the City. Will she offer a lifeline to Alida or betray her? The Shining Wall is at once a frightening parable of our unjust world of haves and have nots, a richly imagined yet thrilling story of technological control and the fight for survival, and a paean to female friendship and power. 'Gripping from the word GO. A fearlessly feminist imagining of the entire fractured human genus in a future none of us should ever have to face. The Shining Wall enshrines familiar relationships even as it destroys genre tropes about a woman's role in a ruined world. Leave it to a new voice like this to set the post-apocalyptic construction on its ear. A triumph of realistic science fiction.' — Meg Elison, author of The Book of the

Unnamed Midwife 'Gritty and voicey, perhaps prescient, this is a gripping dystopia from a shining new voice.' — Marlee Jane Ward, author of *Welcome to Orphancorp* and *Psynode*

Goonies meets the humor and heart of Gordon Korman in this new adventure full of nonstop action and spot-on humor from the critically acclaimed author of *Float*. The McNeil family has always been professional hoaxers—tricking bystanders into believing they're seeing legendary creatures like Bigfoot and the Loch Ness Monster. Unlike the rest of his family, twelve-year-old Grayson hates hoaxing and wants nothing to do with the business—even when the McNeils land a huge job and must pull off four sea monster hoaxes in a week. But when things go disastrously wrong and Dad and Gramps go missing, Grayson and his brother, Curtis, are the only people who can finish the job and save their family.

The final volume in Robin Hobb's popular *Rain Wilds* fantasy series, *Blood of Dragons* completes the story of the dragons, their keepers, and their quest to find the lost city of Kelsingra—and the mythical silver wells that the dragons need to survive. Can Tintaglia and the Elderlings unlock the secrets of the ancient city? Or are they doomed to extinction? The world of Robin Hobb's *Rain Wilds* series has been praised by *Booklist* as "one of the most gripping settings in modern fantasy," and *Publishers Weekly* called the *Rain Wilds* books "a meticulously realized fantasy tale" and "a welcome addition to contemporary dragon lore."

An engaging classroom playscript. In 1692, 19 people were

executed for witchcraft and the whole village was engulfed in fear. But what actually happened in Salem? This play re-tells the *Witch Trials* by combining historical evidence with a healthy dose of imagination, and exploring the build-up of hysteria in the village. It covers important issues of prejudice and peer pressure, gang mentality, suspicion and fear. A more accessible version of events, *Salem* is ideal for preparation work for *The Crucible*. It also acts as an interesting comparison text to Miller's play, placing emphasis on different events and characters. New, innovative activities specifically tailored to support the KS3 Framework for Teaching English and help students to fulfil the Framework objectives. Activities include work on Speaking and Listening, close text analysis, and the structure of playscripts, and act as a springboard for personal writing.

Fin is devastated by guilt when his sister, Ella, is kidnapped. She is snatched away from the house in the middle of a storm. As the kidnappers make their demands, Fin's guilt is replaced by a fierce determination to find his sister by whatever means he can, and bring the criminals to justice. But as the drama unfolds, a complex web of family secrets is revealed. It emerges that Ella's kidnapping is revenge for mistakes Fin's father made, years before. The consequences will change all their lives forever.

Ellen thought she'd end her life where it began - in a rundown flat in Dublin's north inner city. Now her building is sold, and she's being moved into a box room in her snooty sister's house in the suburbs. When an unexpected visitor lands in her front room, Ellen is forced to delve into the past in order to lay some ghosts to rest. From the writers of Alice in Funderland, Town is Dead is a living room musical, an ode to Dublin and an exploration of how Ireland treats its people. It looks at the future of the city through the eyes of one older citizen. Town is Dead has been nominated for 5 Irish Theatre Awards 2017, including Best New Play.

Terrible Fate of Humpty Dumpty Harper Collins

Everyone is good at something. But at Lizzie's school this has been taken to extremes. Her classmate Ethan, who previously had no interest in sport, is now incredible at football; her

brother's suddenly an expert in robotics; and Lizzie has become really good at being bad. But when she tries to remember what awful thing she's just done, all she has is a blank space in her mind. How come they've suddenly changed so much? And why can't they talk about it? It's as though they have no power over their own actions. Could this be something to do with the mysterious new headmaster . . . ? Surrender yourself to the new hypnotic spell of the Demon Headmaster, with new kids, a new school, and a new thrilling scheme for world domination. Fast paced and action packed adventure, written by the award-winning Gillian Cross. Resistance is not an option.

Mustering for war against the orks, the Ultramarines Legion is attacked by the Word Bearers on the planet of Calth, and the forces of Chaos openly reveal their part in the Heresy. Unaware of the wider Heresy and following the Warmaster's increasingly cryptic orders, Roboute Guilliman returns to Ultramar to muster his Legion for war against the orks massing in the Veridian system. Without warning, their supposed allies in the Word Bearers Legion launch a devastating invasion of Calth, scattering the Ultramarines' fleet and slaughtering all who stand in their way. This confirms the worst scenario Guilliman can imagine - Lorgar means to settle their bitter rivalry once and for all. As the traitors summon foul daemonic hosts and all the forces of Chaos, the Ultramarines are drawn into a grim and deadly struggle in which neither side can prevail.

Darra is an omen of unluck: a thirteenth child. To appease the dark god, Dond, and bring good fortune to her small island community, Darra must be sacrificed at the age of thirteen - by drowning. On the eve of her final birthday, Darra begins to dream of the twin brother she has watched from afar but never met, and dares to hope that she might escape her fate . . . The scouring wind and remorseless waves which beat against Darra's island world are matched in Pam Smy's powerful, wild and emotive illustrations. The Ransom of Dond is our final story from Siobhan, and a book to be treasured.

"Hobb's fans won't be disappointed with this latest installment. Fool's Errand lives up to the legacy of the Farseer trilogy."—Monroe News-Star Fitz and the Fool are reunited in the first book in the Tawny Man Trilogy—"a stay-up-until-2:00 a.m.-to-finish type of book" (Publishers Weekly, starred review). For fifteen years, FitzChivalry Farseer has lived in self-imposed exile, assumed to be dead by almost all who once cared about him. But now, into his isolated life, visitors begin to arrive: Fitz's mentor from his assassin days; a hedge-witch who foresees the return of a long-lost love; and the Fool, the former White Prophet, who

beckons Fitz to fulfill his destiny. Then comes the summons he cannot ignore. Prince Dutiful, the young heir to the Farseer throne, has vanished. Fitz, possessed of magical skills both royal and profane, is the only one who can retrieve him in time for his betrothal ceremony, thus sparing the Six Duchies profound political embarrassment . . . or worse. But even Fitz does not suspect the web of treachery that awaits him—or how his loyalties will be tested to the breaking point.

Oranges Are Not the Only Fruit Simon and Schuster

The New York Times–bestselling author's Whitbread Prize–winning debut—"Winterson has mastered both comedy and tragedy in this rich little novel" (The Washington Post Book World). When it first appeared, Jeanette Winterson's extraordinary debut novel received unanimous international praise, including the prestigious Whitbread Prize for best first fiction. Winterson went on to fulfill that promise, producing some of the most dazzling fiction and nonfiction of the past decade, including her celebrated memoir *Why Be Happy When You Can Be Normal?*. Now required reading in contemporary literature, *Oranges Are Not the Only Fruit* is a funny, poignant exploration of a young girl's adolescence. Jeanette is a bright and rebellious orphan who is adopted into an evangelical household in the dour, industrial North of England and finds herself embroidering grim religious mottoes and shaking her little tambourine for Jesus. But as this budding missionary comes of age, and comes to terms with her unorthodox sexuality, the peculiar balance of her God-fearing household dissolves. Jeanette's insistence on listening to truths of her own heart and mind—and on reporting them with wit and passion—makes for an unforgettable chronicle of an

eccentric, moving passage into adulthood. "If Flannery O'Connor and Rita Mae Brown had collaborated on the coming-out story of a young British girl in the 1960s, maybe they would have approached the quirky and subtle hilarity of Jeanette Winterson's autobiographical first novel. . . . Winterson's voice, with its idiosyncratic wit and sensitivity, is one you've never heard before." —Ms. Magazine

Hoax for Hire OUP Oxford

Climate change, peak oil and economic instability aren't just future social problems -- they jeopardize our homes and families right now. Our once-abundant food supply is being threatened by toxic chemical agriculture, rising food prices and crop shortages brought on by climate change. Funding for education and health care is strained to the limit, and safe and affordable housing is disappearing. Depletion and Abundance explains how we are living beyond our means with or without a peak oil/climate change crisis and that, either way, we must learn to place our families and local communities at the center of our thinking once again. The author presents strategies to create stronger homes, better health and a richer family life and to live comfortably with an uncertain energy supply prepare children for a hotter, lower energy, less secure world survive and thrive in an economy in crisis, and maintain a kitchen garden to supply basic food needs. Most importantly, readers will discover that depletion can lead to

abundance, and the anxiety of these uncertain times can be turned into a gift of hope and action. An unusual family perspective on the topic, this book will appeal to all those interested in securing a future for their children and grandchildren.

Fool's Errand Nelson Thornes

From the author of the New York Times bestselling Undead novels comes a delightfully addictive new series about past lives and bad habits—and one woman paranormally predisposed to getting at the bottom of both. It's her job. You couldn't arrest for murder someone who had killed in his last life. You couldn't bring a civil suit against such people, either. They could only be legally penalized for what they did this time around—and what a dark circus the legal system had been before that legislation passed! (It was still a dark circus, but perhaps not as dark.) But you could spot them, and watch them. You could set traps for them. Leah Nazir is an Insider. Reincarnation is her business. But while her clients' pasts are a mess, Leah's is nothing short of tragedy. She's been murdered. A lot. If left to that bitch, destiny, it'll happen again. Leah wants to know who's been following her through time, and who's been stalking her in the present... P.I. Archer Drake has been hired by Leah's mother to keep an eye on her. But the more time he spends watching, the more he finds himself infatuated. Before long, he even finds himself agreeing to help find the person who wants her dead. Over and over again. Now going full-on "rewind," Leah hopes it can stave off the inevitable. After all, she's grown fond of this life—and even fonder of nerdy Archer. But changing her pattern means finding out who her killer is today. And as Leah fears, that could be anyone she

has come to know and trust. Anyone.

Nathan knows something is watching him - something menacing and dangerous. Something without a shape, that he can't get out of his head. The Creature. Then there are the noises he starts hearing in the attic. Shuffling. Scratching. Even a voice. The Bogeyman. Nathan's sure that the Creature and the Bogeyman are the same thing. Whatever it is, it's after him. As soon as it's strong enough, it will show Nathan what it really wants. And it's growing stronger all the time . . . 'Haunting and powerful'

Know No Fear Two Lions

Set in the San Francisco Bay area in the late 1950s, Humpty Dumpty in Oakland is a tragicomedy of misunderstandings

among used car dealers and real-estate salesmen: the small-time, struggling individuals for whom Philip K. Dick always reserved his greatest sympathy. Jim Fergesson, an elderly garage owner with a heart condition, is about to sell up and retire; Al Miller is a somewhat feckless mechanic who sublets part of Jim's lot and finds his livelihood threatened by the decision to sell; Chris Harman is a record company owner who for years has relied on Fergesson to maintain his cars. When Harman hears of Fergesson's impending retirement he tips him off to what he says is a cast-iron business proposition: a development in nearby Marin County with an opening for a garage. Al Miller, though, is convinced that Harman is a crook, out to fleece Fergesson of his life's savings. As much as he resents Fergesson he can't bear to see that happen and - denying to himself all the time what he is doing - he sets out to thwart Harman.
