Street Books

With more than one
million copies sold,
When God Doesn't
Make Sense is an
immensely practical
book for those who are
struggling with trials
and heartaches they

can't understand. Why does disease, natural disaster, divorce, rejection, death, or some other sorrow seep into our lives when we are trying to serve the Lord? It just doesn't seem fair! This book deals unflinchingly with life's most troubling question—"Why?" Drawing on his long experience as a Christian psychologist and family counselor, Dr. Dobson brings hope to those who have almost given up. When *God Doesn't Make Sense* also helps believers avoid the "betrayal barrier"—the sense that God is abandoning them amid the storms of life. Now with a new foreword by R. T. Kendall.

¡Entusiásmate!: Diez hitos para encontrar la alegría Ballantine Books
Now with a new afterword by Pope emeritus Benedict XVI! In a time when technology penetrates our lives in so many ways and materialism exerts such a powerful influence over us, Cardinal Robert Sarah presents a bold book about the strength of silence. The modern world generates so much noise, he says, that seeking moments of silence has become both harder and more necessary than ever before. Silence is the indispensable doorway to the divine, explains the cardinal in this profound conversation with Nicolas Diat. Within the hushed and

hallowed walls of the La Grande Chartreux, the famous Carthusian monastery in the French Alps, Cardinal Sarah addresses the following questions: Can those who do not know silence ever attain truth, beauty, or love? Do not wisdom, artistic vision, and devotion spring from silence, where the voice of God is heard in the depths of the human heart? After the international success of *God or Nothing*, Cardinal Sarah seeks to restore to silence its place of honor and importance. "Silence is more important than any other human work," he says, "for it expresses God. The true revolution comes from silence; it leads us toward God and others so as to place ourselves humbly and

generously at their service."

En esta entrevista amplia, variada (autobiográfica y doctrinal; experiencial y conceptual; africana, romana, universal...), sincera, briosa y en tantos momentos cautivadora, el cardenal Sarah aborda con altura y franqueza los grandes temas eclesiales de la actualidad: desde la misión de la Iglesia, la evangelización, la liturgia o la oración, al celibato sacerdotal, las vocaciones, la lucha contra la pobreza o las más candentes cuestiones en torno a la familia y al matrimonio. He leído Dios o nada con gran provecho espiritual, alegría y gratitud.

Vuestro testimonio de la Iglesia en África, del sufrimiento durante la época del marxismo en Guinea y de una vida espiritual dinámica, tiene gran importancia para la Iglesia. Es singularmente relevante y profundo lo que afirma acerca de la centralidad de Dios, la celebración de la liturgia y la vida moral de los cristianos. Su valiente respuesta a los planteamientos de la "teoría de género" clarifica una cuestión antropológica fundamental. Benedicto XVI, Papa emérito. Hay un "momento de África" que se está desarrollando en el catolicismo, y el cardenal Robert Sarah es una de sus voces más importantes. Si quiere usted entender las fuerzas que

configuran el futuro de la Iglesia, le recomiendo que lea este libro. John Allen, escritor y editor estadounidense. El cardenal Sarah muestra un profundo amor por el Evangelio, el corazón de un pastor para los pobres y una visión clara de los desafíos a los que se enfrenta la Iglesia en el mundo posmoderno. Es una guía importante para la misión de la nueva evangelización. José H. Gómez, Arzobispo de Los Ángeles (California). *The Power of Silence* Simon and Schuster This new book by New York Times bestselling author and pastor, John Hagee, says the United States is heading into a "Perfect Storm." Titanic. John F. Kennedy's assassination. 9/11.

John Hagee maintains that these American tragedies all have one element in common: they were unthinkable. And in the opening pages of his newest book, *Can America Survive?* Hagee uses these tragedies to prove two points: that the unthinkable can happen and, given the right conditions, the unthinkable can quickly become the inevitable. In *Can America Survive?* Hagee asserts that the seeds for tragedy are once again being sown, evidenced by the disturbing economic, geopolitical, and religious trends that now threaten to dismantle the very nation itself. “Think it can’t happen?” Hagee asks in a theme repeated throughout the book. “Think

again.” Indeed, Hagee presents alarming examples of recent events, current research, scientific evidence, and biblical prophecy that are gathering to create a “perfect storm” that could bring down the “unsinkable” United States of America. *Can America Survive?* is not just a warning. It is a wake-up call and a rallying cry to Christian citizens everywhere to prevent the next unthinkable American disaster. After all, as Hagee points out, “those who do not remember the mistakes of the past are doomed to repeat them in the future.” Think it can’t happen? Think again.

Voicing one theme for

the entire Bible and structuring all sermons around that idea may seem to be an impossible challenge. For veteran pastor and preaching professor Edmund Clowney it will not do to preach a text from either the Old or New Testaments without fully preaching its ultimate and primary focus—the person and work of Jesus Christ. He writes, "To see the text in relation to Christ is to see it in its larger context, the context of God's purpose in revelation." Clowney's rationale for emphasizing Christ's presence in the Old Testament rests on the purpose of the Hebrew Scripture. The Old Testament follows God's one great plan for human history and redemption, and the

plan is not only from him but centers on him: his presence in his incarnate Son. The witness of the Scriptures to Christ is the reason they were written, so it is appropriate to emphasize this element in the Old Testament as well as in the New Testament. By offering numerous full-length examples of his own sermons that emphasize Christ as the principle theme of Scripture, Clowney illustrates for those who will never have the privilege of being his students how they can craft sermons which present Christ as the primary consideration of the text. He also offers specific instructions on preparing such a sermon. He discusses the personal habits of

prayer and Bible study that prepare pastors to seek out Christ's presence. Clowney emphasizes the importance of including a specific application in every sermon so that Christ is presented both in what he says and does to reveal himself in the biblical text and in what he says and does to direct Christians' lives today. Students preparing for the pastorate, pastors desiring to increase their emphasis on Christ in their sermons, and those seeking Christ's presence in all of Scripture will find a help in Clowney's writings.

In Divine Love Made Flesh: The Holy Eucharist as the Sacrament of Charity, His Eminence Raymond Leo Cardinal Burke examines the beauty and power of the Holy Eucharist in light of the

profound teachings of Blessed Pope John Paul II and Pope Benedict XVI. Using clear and illuminating language, Cardinal Burke guides the reader through the teaching of the Church on this Most Holy Sacrament and its place in the life of every disciple of Jesus Christ. This spiritual treatise on the central Mystery of our Faith links the rich theology of the Church with pastoral practice and the spiritual life. Cardinal Burke's ability to reach the layman in simple yet inspiring language is sure to engender love for the Holy Eucharist in the hearts of all his readers. Book jacket. [La Madre Naturaleza](#)

The Cold War has ended. With a scope and daring not possible until now, an unlikely international alliance of top-level political, financial, and religious interests sees the way clear at last to its ultimate goal: the establishment of a single global society. Utopia. These are men with nothing in common but immense power and a towering ambition for still more. With world unity and

prosperity as their slogan--and with betrayal, scandal, and murder as their ready weapons--they have the means and the will to capture as their own the perfect global machinery for their plans: the oldest, williest, and most stable political chancery in the world--the Vatican. At the vortex of this lethal struggle stands the embattled Pope, a geopolitical genius whose elimination is the short-term solution to a long-term goal, and two American brothers, Paul and Christian Gladstone, one a lawyer and the other a priest, who appear to be the perfect pawns. One falls prey to the sharp teeth of greed for power. The other will become one of the Slavic Pontiff's closest

allies...and will discover the darkest secrets at the very heart of papal Rome. From America to Europe to Russia, in broad landscapes and clandestine corridors, a rich and varied cast--presidents and politicians, simple saints and savvy sinners, popes and pope-makers--clash with one another amid dramatic and sometimes bloody events that will affect the destiny of every person alive today.

Cardenal, Nicaraguan poet, priest, and revolutionary, foresees a new order for humanity. Here in his Indian poems, Father Cardenal interweaves myth, legend, history, and contemporary reality to speak to many subjects, including the assaults on the Iroquois Nation, the political and cultural life of ancient Mexico, the Ghost Dance movement, the disappearance of the buffalo, U.S. policy during the Vietnam War, and human rights in Central America. Each text is rich with history, poetry, and spiritual insight. This bilingual edition is the only complete collection of Father Cardenal's Indian poems in either Spanish or English. Cardenal has checked

and approved the translations and the glossary of cultural and historical referents. "Of epic proportions... The literal translation conveys the epigrammatic style and didactic, political message.... Of timely interest." --Library Journal "Priest and Nicaraguan revolutionary as well as poet, Cardenal epitomizes what makes literature live in Central America today. His poems are both sonorous and accessible, political and mystical." --Booklist "... a spectacular work..." --Books of the South West

propósito de que la enseñanza del español como lengua materna tenga impacto positivo en los alumnos respecto a su forma de concebir su idioma y respecto a su manera de utilizarlo para expresar sus ideas. Cada práctica social del lenguaje está planteada en un modo tal que los alumnos desarrollen su capacidad de desenvolverse tanto en forma oral como por escrito en distintos contextos. Teniendo en mente los aprendizajes esperados como parámetro, cada práctica encamina al estudiante para alcanzarlos, siempre consciente de lo que está aprendiendo.

El Sonido del Miedo

FEB Editora/CEI
Vivimos en una sociedad post-

cristiana, que es consciente de sus carencias e intenta paliarlas acudiendo al consumismo, al neopaganismo o a las tradiciones espirituales orientales. El cristianismo se considera para muchos agotado, carente de soluciones, pero eso supone una imagen muy distorsionada de la Fe. Quienes procuramos acompañar a Jesucristo en los caminos del s. XXI tenemos la responsabilidad de mostrarle como Camino, Verdad y Vida. Cada uno puede poner su ingenio al servicio de esa tarea, aunque nuestro principal cometido es revelar a Jesús con nuestra vida. Mostrar la alegría y la esperanza que proclamamos. El libro incluye diez capítulos

que presentan reflexiones morales y espirituales que pueden ayudar a replantear la Fe cristiana como un camino de plenitud. Se recogen reflexiones sobre la oración, la libertad, la humildad, la generosidad, la frugalidad, el sacrificio, la amistad, la filiación divina. Incluye reflexiones personales del autor, acompañadas de citas de muy diversos autores. Un libro de fácil lectura que puede ayudar a quienes perdieron su fe, pero no han encontrado un fundamento firme para encontrar el sentido, y en el última instancia la alegría en sus vidas.

The evidence behind the hit movie! God's NotDead is apologetics

for the twenty-first century, presented in clear and easy-to-follow terms. Learn to defend your faith in a world that's determined to tear it down. The goal of God's Not Dead is straightforward: to help readers develop a faith that is real and credible—and strong enough to help others find faith in God. Author Rice Broocks outlines a roadmap that guides seekers to acknowledge the most basic truths of Christianity: There is overwhelming and exciting evidence for God's existence The God who exists is indeed the God of the Bible God has revealed his nature through his Son, Jesus Christ As shown during the movie, this is the original book on which

the main character bases much of his debate points with his atheistic professor. It contains persuasive arguments crafted with tools borrowed from logic, science, philosophy, and scripture that will solidify your faith and provide starting points for discussions with skeptics. With clear, easy-to-follow explanations of key concepts and controversies, God's NotDead is modern apologetics presented in layman's terms. You will be empowered not only to talk about your own faith with confidence, but to lead others to a relationship with Jesus.

'Superbly written, utterly Bible based. . . Do not hesitate!' Archbishop Justin Welby What are we supposed to think about the coronavirus crisis? Some people think they know: 'This is a sign of the End,'

they say. 'It's all predicted in the book of Revelation.' Others disagree but are equally clear: 'This is a call to repent. God is judging the world and through this disease he's telling us to change.' Some join in the chorus of blame and condemnation: 'It's the fault of the Chinese, the government, the World Health Organization...!' Tom Wright examines these reactions to the virus and finds them wanting. Instead, he invites you to consider a different way of seeing and responding - a way that draws on the teachings and examples of scripture, and above all on the way of living, thinking and praying revealed to us by Jesus. *Couples, Awaken Your Love* Digital Reasons

Si Jesús te concediera una entrevista ¿qué le preguntarías? En este relato, un periodista accede a las oficinas del cielo para hacer la entrevista más importante de su vida: hablar con el hijo de Dios acerca de todo. La charla abarca temas como el origen del mundo, la vida después de la muerte, el sentido de la vida y su opinión acerca de todos los temas que se le cuestionan a la Iglesia Católica. Se trata de un relato en donde Jesús, además de responder todas las preguntas, se dirige a una humanidad mucho más avanzada que en su última venida y actualiza todos los conceptos que habló en su momento. “[An] acute and powerful vision . . . offers a renaissance of humane values.”—Thomas Moore, author of *Care of the Soul and The Re-Enchantment of Everyday Life* Plato called it “daimon,” the Romans “genius,” the Christians “guardian angel”; today we use such terms as “heart,” “spirit,” and “soul.” While philosophers and psychologists from Plato to Jung have studied and debated the fundamental essence of our individuality, our modern culture refuses to accept that a unique soul guides each of us from birth, shaping the course of our lives. In this extraordinary

bestseller, James Hillman presents a brilliant vision of our selves, and an exciting approach to the mystery at the center of every life that asks, "What is it, in my heart, that I must do, be, and have? And why?" Drawing on the biographies of figures such as Ella Fitzgerald and Mohandas K. Gandhi, Hillman argues that character is fate, that there is more to each individual than can be explained by genetics and environment. The result is a reasoned and powerful road map to understanding our true nature and discovering an eye-opening array of choices—from the way we raise our children to our career paths to our social and personal commitments to

achieving excellence in our time. Praise for *The Soul's Code*
