 Level 2 Teacher's Resource Book  
 with Testbuilder CD-ROM/Audio CD**

Oxford University Press, USA  
 This text blends traditional introductory  
 physics topics with an emphasis on  
 human applications and an expanded  
 coverage of modern physics topics, such  
 as the existence of atoms and the  
 conversion of mass into energy. Topical  
 coverage is combined with the author's  
 lively, conversational writing style,

innovative features, the direct and clear manner of presentation, and the emphasis on problem solving and practical applications.

A photocopiable resource of pronunciation materials accompanied by Audio and a CD-ROM. This bank of pronunciation material provides fun, motivating practice in sounds, syllables and words, and phrases and sentences. Informed by English Profile, it is suitable for a range of levels from Elementary to Upper-intermediate+, with a focus on intelligibility rather than mastery of a model accent. Each of the 34 units consists of step-by-step teaching notes and photocopiable classroom material, providing teachers with instant lessons. Teachers can also use the Audio CD to expose students to unscripted audio material with a range of different accents, and the CD-ROM's bank of customisable material can be used to create perfect lessons.

English Unlimited is a six-level (A1 to C1) goals-based course for adults. Centred on purposeful, real-life objectives, it prepares learners to use English independently for global communication. Through universal topics and activities, and a focus on intercultural competence as a 'fifth skill', this international coursebook helps learners become more sensitive, more effective communicators. Teaching natural, dependable language, and with CEFR goals at its core, it brings real life into the classroom and gives learners the skills and strategies to communicate confidently outside it. The 'Explore' sections provide the extra ingredients for enhancing communicative ability, from further development of speaking skills to independent learning strategies. The English Unlimited Starter B Combo includes Coursebook and Self-study Pack Units 6 to 10, as well as the e-Portfolio and Self-Study DVD-ROM.

Standards-Based Connections Reading for grade 2 offers focused skill practice in reading comprehension. A skill assessment will point out students' learning gaps. This allows teachers to choose appropriate student pages for individualized remediation. The student pages emphasize five important reading comprehension skills: summarizing, inferring, story elements, comparing and contrasting, and cause and effect. The book includes high-interest fiction and nonfiction, with texts about moving day, volcanoes, Laura Ingalls Wilder, planets, poetry, and more. --Each 96-page book

in the Standards-Based Connections Reading series includes a skill assessment, an assessment analysis, targeted practice pages, and an answer key, making this series an ideal resource for differentiation and remediation. The skill assessments and assessment analyses help teachers determine individualized instructional needs. And, the focused, comprehensive practice pages and self-assessments guide students to reflection and exploration for deeper learning!

This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish

rorindicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. Answer key available for download from the "features" tab on the publisher's website:
