[The Reform of the Roman Liturgy](#) Bloomsbury Publishing

The aim of *The Proper of Time in the Post-Vatican II Liturgical Reforms* is to allow easy comparison of the work of the Consilium ad exsequendam Constitutionem de Sacra Liturgia on the prayers of the Roman Missal with those found in the 1962 Missal and the 1970/2002 Missal. The Consilium ad exsequendam Constitutionem de Sacra Liturgia, better known as the Consilium, was the body that, during the Second Vatican Council, was made responsible for the reform of the liturgy that was desired by the Constitution on the Liturgy (Sacrosanctum Concilium). One of the various documents of Group 18 of the Consilium, Schema 186, deals with the reform of the various prayers (collects, prayers over the gifts, etc.) contained in the Proper of Time of the Roman Missal, and gives draft texts for each day in this section. The prayers of the Ordinary and Extraordinary Forms of the Roman Rite are, in many places, very different. In recent years, these differences and the work of the Consilium have increasingly been the object of scholarly study and enquiry. Now, in *The Proper of Time in the Post-Vatican II Liturgical Reforms*, the corpus of orations in Schema 186 are readily available for the first time, and have been arranged side-by-side in parallel with those of the 1962 and 1970/2002 Missals for easy comparison. Various tools and indices are also provided in the book to aid further study and research into this important aspect of the post-Vatican II liturgical

reforms.

The Canon of the Mass and Liturgical Reform Liturgical Press

Since the Second Vatican Council, the liturgy has become the source of conflicting opinions. This situation has given rise to disputes that continue to divide those who practice their faith. But what has created this state of affairs? Author Denis Crouan shows how the decisions made by Vatican II that aimed at restoring the Roman rite were presented poorly, applied incorrectly, and often not applied at all. In many places the Mass has been turned into a permanent work-in-progress, in which the objectivity of the liturgy yields to the subjectivity of those who take part in it. Where does the current unwillingness to apply the liturgical rules come from? Why have the directives of the last council been ignored or circumvented? This book offers answers to the questions asked by Catholics who want to understand their liturgy better, so as to put an end to deviant practices that threaten Church unity.

[The Roman Mass](#) Ignatius Press

Based on the diaries and notes of Cardinal Ferdinando Antonelli, a key figure in the Catholic Church's liturgical-reform movement both before and after Vatican II, this book shows that the Council's vision for the Mass has yet to fully develop in the direction Vatican II mandated.

Anglicans and the Roman Catholic Church Ignatius Press

How great the differences between the Last Supper celebrated by Jesus and a pontifical High Mass at St. Peter's in Rome! And also, between the early

baptisms by immersion described in the Acts of the Apostles and the baptisms of newborns in our parishes today. Why such a change in the celebration of the Christian mystery? Why the recent reforms, often misunderstood? In *History of the Liturgy*, Marcel Metzger answers such questions and offers an understanding of this evolution through a carefully documented historical survey. The essential forms of the liturgy were fixed very early according to the tradition received from the apostles. But the place given to biblical readings, teaching, singing, and ritual has varied in the course of the centuries. In *History of the Liturgy*, Metzger describes the most important phases of these changes. In describing the first millennium, he focuses on liturgy's essentials common to the Eastern and Western Churches. In describing the second millennium, he explains the deviations of the Western Churches which called for the effort of reform and renewal begun by Vatican II. Metzger studies the development of the liturgical institutions and distinguishes liturgy's five main stages that correspond to the situations of the Churches in ancient, medieval, and modern societies. He begins by focusing on the apostolic period, roughly the first century of our era, until the death of the apostles. He follows by studying the period of minorities and semi-clan destiny until the beginning of the fourth century. He then focuses on the Peace of the Church," which grants public status to the churches in the Empire, fosters their growth, and organizes the collaboration between Empire and Church. The work concludes by studying the stability, rigidity, renewals, and reforms of the Roman liturgy, from the end of the Middle Ages to Vatican II. This clear and accurate survey of the history of liturgy is designed to awaken readers' interest, on a solid yet introductory level, in the realities that have made and still make up the Church's liturgical life: assemblies, Eucharist, baptism, reconciliation, daily praise, the Church's calendar, and its architecture. In *History of the Liturgy*, Metzger stresses that if history is the teacher of life, the eyes of Christian faith allow us to recognize in it as well the mysterious presence of God, who, through the Spirit, guides his people. And this happens, above all, in the liturgy. "

Imbued with the Spirit of the Liturgy Paulist Press

The principal liturgies of Holy Week underwent a series of revisions between 1951 and 2011. In this book, noted liturgist Paul Turner charts the rubrics and prayers of the current rites paragraph by paragraph, explaining the historical development of individual components, how and why the post-Vatican II liturgical reform made its revisions, and where the Roman Missal, Third Edition has added nuances. This book will help ministers, liturgists, catechists, and all the faithful enter more deeply into the mystery of the cross of Christ, their glory and their hope.

The Genius of The Roman Rite LiturgyTrainingPublications

Disturbed by the direction in which the post Vatican II liturgical reforms have moved, two fictitious representatives of mutually antagonistic movements debate the remedy for "correct" liturgical reform. This unique work presents a debate between a "traditionalist" who argues for a return to the pre-Vatican II liturgy, and a reformist (no liberal himself) who advocates a new liturgical reform more in keeping with what the Council fathers had in mind. They bring to the debate the insights of renowned authorities on the liturgy, including Cardinal Ratzinger, Msgr. Klaus Gamber, Michael Davies, Fr. Brian Harrison and Fr. Aidan Nichols. This book is written for anyone interested in the Church's liturgy, and the controversies surrounding the liturgical renewal. It is both a primer for those who lack the theological and liturgical expertise to articulate their dissatisfaction with the state of the liturgy, and an excellent resource for those specialists who would appreciate having a single volume for consulting salient points from numerous authorities.

A Challenging Reform Liturgical Press

This classic liturgical resource is organized as follows: Part I. The History of the Mass Chapter I. The Eucharist in the First Three Centuries § 1. Liturgical Fragments in the New Testament § 2. The Liturgy in the Apostolic Fathers § 3. The Liturgy in the Second Century § 4. The Fathers of the Third Century § 5. Liturgical Uniformity in the first three Centuries § 6. The Liturgy in the Early Church Orders § 7. The Liturgy in Apostolic Constitutions VIII § 8. Some Special Points § 9. Influence of Jewish Ritual Chapter II. The Parent Rites and Their Descendants § 1. The Development of the Parent Rites § 2. The Antiochene Rite § 3. Liturgies derived from Antioch § 4. The Alexandrine Rite § 5. The Gallican Rite § 6. Table of Liturgies Chapter III. The Origin of the Roman Rite § 1. State of the Question § 2. Earliest liturgical books § 3. Latin as the liturgical language § 4. First traces of the Roman Mass § 5. Conjectured reconstructions of the old Mass § 6. Bunsen's theory § 7. Probst and Bickell § 8. Dom Cagin § 9. W. C. Bishop § 10. Dr. Baumstark § 11. Dr. Buchwald § 12. Dr. Drews § 13. Dom Cabrol § 14. Concluding remarks Chapter IV. The Mass Since Gregory I § 1. From Gregory to Adrian I (590-795) § 2. The Spread of the Roman rite § 3. Gallican Influence § 4. Different Kinds of Mass. Low Mass § 5. Mediaeval and Later Commentators § 6. Mediaeval derived rites § 7. The Reform of Pius V (1570) § 8. Later revisions and modern times Part II. The Order of the Mass Chapter V. The Communion Act § 5. Communion under one kind § 6. Communion Prayers § 7. Agnus Dei and Communion Antiphon Chapter X. After the Communion § 1. Postcommunion and Oratio super populum § 2. Dismissal § 3. After the Dismissal

The Mass Liturgical Press

For Massimo Faggioli, the debate about the meaning of Vatican II too often misses the profound significance of that council's first and perhaps most consequential document, *Sacrosanctum Concilium*. The result is a misunderstanding of both the council as a whole and the liturgical reform that followed from it. In *True Reform*, Faggioli takes *Sacrosanctum Concilium* as a hermeneutical key to the council. He offers a thorough reflection on the relationship between the liturgical constitution and the whole achievement of Vatican II and argues that the interconnections between the two must emerge if we want to understand the impact of the council on global Catholicism.

The Ceremonies of the Roman Rite Described Bloomsbury Publishing

This is a serious, scholarly analysis of liturgy combining historical, philosophical and musicological aspects.

What We Have Done, What We Have Failed to Do Ignatius Press

Places the theological and spiritual elements of the liturgical world against the backdrop of its historical development.

The Reform of the Roman Liturgy Liturgical Press

Sheds light on and invites discussion about the experience in which Catholics have been engaged since the Second Vatican Council in implementing and praying the liturgy as reformed after the council.

The Reform of the Liturgy, 1948-1975 Рипол Классик

'This book, a classic guide to the celebration of the Church's ancient Gregorian Rite in the English-speaking world, will serve priests and seminarians of the twenty-first century-just as it served so many priests of the twentieth-in their pastoral mission, which now necessarily includes familiarity with and openness to the use of the older form of the sacred liturgy. I happily commend it to the clergy, seminarians and laity as a reliable tool for the preparation and celebration of the liturgical rites authoritatively granted by the Holy Father in *Summorum Pontificum*. 'I congratulate the distinguished liturgical scholar, Dr. Alcuin Reid, for his care and precision in ensuring that this revised edition conforms to the latest authoritative decisions with regard to these liturgical rites. As Pope Benedict XVI wrote in his letter which accompanied *Summorum Pontificum*: "In the history of the liturgy there is growth and progress, but no rupture." The Gregorian Rite is today a living liturgical rite which will continue its progress without losing any of its riches handed on in tradition. For as the Holy Father continued, "What earlier generations held as sacred, remains sacred and great for us too, and it cannot be all of a sudden entirely forbidden or even considered harmful. It behoves all of us to preserve the riches which have developed in the Church's faith and prayer, and to give them their proper place." May this book assist the Church of today and of tomorrow in realising Pope Benedict's vision.' Darío Cardinal Castrillón Hoyos President, Pontifical Commission *Ecclesia Dei* This fifteenth edition, revised in the light of Pope Benedict XVI's reforms and expanded and corrected throughout, includes a new chapter on the music of solemn and sung Mass as well as clarifications of questions that have arisen in the light of recent experience. It gives descriptions of the rites of pontifical, solemn and low Mass, Vespers, the liturgical year including Holy Week, the sacraments, Benediction of the Blessed Sacrament, funerals, episcopal visitation and more.

The Restoration and Organic Development of the Roman Rite Liturgical Press

Examines whether there should be reforms in the liturgy of the Mass, after the changes instituted after Vatican II.

The History and the Future of the Roman Liturgy A&C Black

This volume offers a new, synthetic overview of the structure and ritual shape of the Roman Mass from its formative period in late antiquity to its post-Tridentine standardisation. Starting with the Last Supper and the origins of the Eucharist, Uwe Michael Lang constructs a narrative that explores the intense religious, social, and cultural transformations that shaped the Roman Mass. Lang unites classical liturgical history with insights from a variety of other disciplines that have drawn attention to the ritual performance and reception of the mass. He also presents liturgical developments within the broader historical and theological contexts that affected the celebration and experience of the sacramental rite that is still at the heart of Catholic Christianity. Aimed at scholars from a broad swathe of subjects, including religious studies, history, art history, literature, and music, Lang's volume serves as a comprehensive history of the Roman Mass over the course of a millenium.

The Reception of Vatican II Liturgical Reforms in the Life of the Church Liturgical Press

Liturgy for the New Millennium

Glory in the Cross Augustine Publishing Company

An overview of 10 key insights from CSL that have shaped the Mass we celebrate today.Reverend Joshua R. Brommer, STL, is the Administrative Assistant to the Bishop and the Director of the Office of Worship for the Diocese of Harrisburg. He earned his Licentiate in Sacred Theology from the Pontifical Gregorian University, Rome, in 2007 with a focus in Sacramental Theology and the doctrine of grace. Since ordination, he has served as parochial vicar in three parishes in the Diocese of Harrisburg, taught in the Diocesan Permanent Diaconate Formation program, and offered many classes, lectures, and retreats.

History of the Liturgy Ignatius Press

This book examines the process of the structural reform of the Office, the options available to the Vatican II reformers, and the choices they made. It reveals that their insistence on adhering to the norms of the Constitution on the Liturgy resulted in a structural reform that was both radical and flawed, leaving the door open to further restructuring.

Liturgy for the New Millennium TAN Books

Provides comparative texts of various eucharistic prayers and illustrates the historical development of the so-called Roman Canon.

Mass Misunderstandings Roman Catholic Books

A criticism of current liturgical reform in the Roman Catholic Church.

The Development of the Liturgical Reform Ravenio Books

In these pages Archbishop Piero Marini reveals the Vision, courage, and faith of the pastors and scholars who struggled to implement the Second Vatican Council's teachings on the liturgy. While in some circles it is fashionable to propose a reform of the liturgical reform, any such revision needs to take into account the history of the consilium 'the organism established by the Holy See to carry out the initial liturgical changes. This story of the work of the consilium offers a fascinating glimpse into the struggles and tensions that accompanied the realization of the council's dream to promote the full, conscious and active participation" of the faithful in Roman Catholic worship. Piero Marini was ordained on June 27, 1965. He became the personal secretary for Archbishop Annibale Bugnini in 1975 and in 1987 was appointed the head of the Office for the Liturgical Celebrations of the Supreme Pontiff, a position he currently holds. In 1998, Marini was appointed Titular Bishop of Martirano, Italy, and was ordained bishop the following month. In 2003, Marini was appointed Titular Archbishop of Martirano. He also served as the Master of Pontifical Liturgical Celebrations from 1987-2007. "
