 Never make a deal with a fae, they say.
 But sometimes there's no choice,
 consequences be damned. As daughters
 of the Amadis royal family, my twin
 Brielle and I should have been helping
 our people rebuild civilization after the
 War of Armageddon. Instead, our mother
 does the unthinkable, possibly sparking
 a new war, and we're whisked away to
 another realm to hide us from our
 enemies. When we return home, we
 discover our parents are missing, our
 people have scattered, and every faction
 hunts the Knight twins. Some are
 obsessed with claiming our formidable
 power for themselves. Others simply
 want us dead. Still, I can't believe we're
 home for less than a day when I end up
 as Winter Court's prisoner in Faery. And
 it only gets worse from there. To protect
 my sister, I've made a deal with a fae
 that shatters any hopes for my own
 future. A dark prince ignites something
 in me that feels all wrong and oh, so
 right. And then there's the enchanting
 princess I ache for . . . yet can never
 have. Foes become allies, friends
 become traitors, and one truth emerges
 with clarity: war is imminent. My only
 hope to protect everyone I love is to
 harness the dark power within me—a
 force that can save worlds or annihilate
 us all. If I fail to control it, someone else
 will. But to master it, I must face my
 most daunting opponent yet—myself.
 Knights of Souls and Shadows is the
 spinoff series of the internationally best-
 selling, award-winning Soul Savers series
 with over one million books read. You
 don't need to read Soul Savers first. This
 new adventure is a series all on its own,
 featuring the next generation in their
 own pursuit to save the worlds—or at
 least try not to destroy them all.

Jenna and Ryder are far from friends—until a storm stirs up their passion in this contemporary southern romance from New York Times bestselling author Kristi Cook. In Magnolia Branch, Mississippi, The Cafferty and Marsden families are practically royalty. Neighbors since the Civil War, the families have shared vacations, holidays, backyard barbecues, and the overwhelming desire to unite their two clans by marriage. So when the families finally have a baby boy and girl at the same time, the perfect

opportunity seems to have arrived. Except Jemma Cafferty and Ryder Marsden have no intention of giving in to their parents' wishes. They're only seventeen—oh, and also? They hate each other. Jemma can't stand Ryder's nauseating golden-boy persona, and Ryder would prefer it if stubborn-headed Jemma didn't exist. And their communication is not exactly effective: even a casual hello turns into a yelling match. But when a violent Mississippi storm ravages through Magnolia Branch, it unearths feelings Jemma and Ryder didn't know they had. And the line between love and hate just might be thin enough to cross...

Dark Power Ang'dora Productions, LLC "With powerful abilities gained from the Ang'dora and Tristan back by her side, Alexis thinks she's ready for the next challenge--protecting her son from what appears to be the inevitable. But she has so much to learn about her powers, her new world and the people in it. Nothing is what it seems to be on the surface, including the Amadis. Power-hungry politicians comprise the council and make impossible demands. A traitor lurks among them all, inciting trouble that could destroy the Amadis and, ultimately, humanity. The Daemoni wreak havoc in the human world, with the ultimatum that they'll continue attacking innocents until Alexis and Tristan are expelled from the Amadis' protection. The couple's own society begins to shut them out. But that's not all. Someone's keeping a secret. A big one. Faith and hope in Alexis and Tristan will be restored if she can uncover the truth in time. But the search for answers leads only to the discovery of more betrayals by those closest to Alexis. Her devotion is put to the test--devotion to her husband, to her family, to her people

and to her beliefs--leaving her to question whom she's fighting for and why she should even bother. But if she won't fight ... who will?"--Page 4 of cover.

True love and destiny collide in the conclusion to the Haven trilogy, which Booklist called “a blend of the Gemma Doyle trilogy, the Twilight saga, and Lois Duncan’s thrillers.” Forced to endure the violent punishment of the Tribunal for murders he has no recollection of committing, Aidan is slowly rotting away in a Paris dungeon. Violet is all but an unreachable dream to him now. But unlike Aidan, Violet has not given up hope as she works tirelessly with Matthew, her guardian and protector, to prove Aidan’s innocence and unravel the haunting vision that plagues her thoughts—the death of someone closest to her. Determined to set Aidan free, Violet discovers that a dangerous vampire war is brewing—and that Aidan may be at the center of it all. It’s only

when the war reaches the doors of Winterhaven and tragedy strikes the school that Violet has to finally accept her fate. But that could mean losing Aidan—forever. With no other option, Violet must choose between true love and fulfilling her destiny...unless she can find a way to have them both.

The bestselling, award-winning Soul Savers series continues with the launch of Age of Angels, a mini-series of novellas about Alexis, Tristan, and family after the war. Part I: Awakened The first and last thing I remember about my entire life happened two seconds ago, when I woke up in the middle of the forest with a group of strangers who claim to be family and friends. I have no idea who they are. In fact, I have no idea who I am. They say I'm their leader, which makes me laugh, then the scary but sexy one sweeps me in his arms and takes me back to their home against my will. I kick and scream the whole way, though I can't deny how nice his arms feel around me. He says he's my second-in-command and my husband, but wouldn't I remember this man who takes my breath away? And the fact that I have twin babies? I mean, come on. How could I forget that? The more I learn about all of the challenges these people are facing, the more I question what kind of leader this Alexis person—supposedly me—is. Nobody knows what happened to me, but in a world destroyed by war and black magic, we realize I've been cursed. While they scramble to find an antidote, we're attacked, and it quickly becomes apparent that if I don't regain my memories and my power fast, everyone will suffer. Not just these people I've been getting to know, but the whole world. Because I'm supposed to lead this new Age of Angels—which just might

end before it's really begun. Age of Angels Part I: Awakened, Soul Savers Book 8, was previously published as Awakened Angel, Book 7.5. The story is the same but has a new epilogue. Age of Angels Part II: Lost (Book 9) and Age of Angels Part III: Marked (Book 10) are brand new stories that lead up to the saga of the next generation in the all new Knights of Souls and Shadows series, launching in 2021. The bestselling and highly acclaimed Soul Savers series, with over 1 million sales and downloads, continues with Book 6, Unholy Torment. They're gone. I'm still trying to process that fact, but I can't. Although I have nowhere near enough life or leadership experience, I have to serve my purpose and lead the Angels' army to war. But for every step we take, Lucas trumps it as he orchestrates the beginnings of World War III. Single-handedly, he turns the humans against the Amadis, and when Tristan and I top every country's list of Most Wanted Terrorists, we're forced to go underground to fight this war. With the help of my people and a group of unexpected allies, I have to figure out a way to stop the Daemoni from taking over humanity. Some claim Lucas to be the Antichrist. I won't give him that credit, but he's sure trying his best to prove me wrong. If it's true, then we've all become part of an age-old prophecy of divine providence. But the Amadis will do everything we can to stop Lucas and change the world's destiny, even if it means we die trying. * * * * *
