Learn to Eat Right, Think Right, Move Right, and Sleep Right. The bad news: An epidemic of obesity, heart disease, diabetes, metabolic syndrome, and other lifestyle related conditions threatens both our quality and quantity of life - not only as individuals, but as a society. Yes, we're living longer—but we're not living better. What good are more years of life, if you don't

have the vigor and health to enjoy them? The good news: You can turn it around, by making simple, easy-to-understand lifestyle changes that will bring you greater vitality, sounder sleep, better cognition, and a whole new outlook on life. Dr. Douglas G. Pfeiffer—for more than thirty years, a respected educator, researcher and awardwinning Chiropractor—reveals the “Four Pillars of Health and Wellness” that form the basis of lifelong health and energy. He also spells out the steps you need to take today for the health and happiness you want for a lifetime.

The ultimate CISA prep guide, with practice exams Sybex's CISA: Certified Information Systems Auditor Study Guide, Fourth Edition is the newest edition of industry-leading study guide for the Certified Information System Auditor exam, fully updated to align with the latest ISACA standards and changes in IS auditing. This new edition provides complete guidance toward all content areas, tasks, and knowledge areas of the exam and is illustrated with real-world examples. All CISA terminology has been revised to reflect the most recent interpretations, including 73 definition and nomenclature changes. Each chapter summary highlights the most important topics on which you'll be tested, and review questions help you gauge your understanding of the material. You also get access to electronic flashcards, practice exams, and the Sybex test engine for comprehensively thorough preparation. For those who audit, control, monitor, and assess enterprise IT and business systems, the CISA certification signals knowledge, skills, experience, and credibility that delivers value to a business. This study guide gives you the advantage of detailed explanations from a real-world perspective, so you can go into the exam fully prepared. Discover how much you already know by beginning with an assessment test Understand all content, knowledge, and tasks covered by the CISA exam Get more in-depths explanation and demonstrations with an all-new training video Test your knowledge with the electronic test engine, flashcards, review questions, and more The CISA certification has been a globally accepted standard of achievement among information systems audit, control, and security professionals since 1978. If you're looking to acquire one of the top IS security credentials, CISA is the comprehensive study guide you need.
