This major new book on the art of Banksy spans the entire career of the world's most famous anonymous street artist. Decades before he blew the lid off the high-stakes art world by shredding a work immediately following its purchase at an auction, Banksy was committing acts of artistic protest on the streets, walls, and bridges of cities throughout the world. We still don't know who Banksy is, but thanks to this book we have a greater sense of how he works. This book features approximately eighty works from the start of his street art career to today, most photographed in situ and presented in vibrant illustrations. This book guides readers through Banksy's artistic processes and explains his influences, such as the Situationism movement and the May 1968 uprising in Paris. It delves into key works such as Love Is in the Air, a stenciled graffiti that subverts the idea of violent protest; Flag, in which the iconic American photograph at Iwo Jima is altered to reflect a group of Harlem children atop a burnt-out car; and the slyly titled Turf War, in which Winston Churchill sports a grassy Mohawk. The book also pays tribute to Banksy's rats, a reviled symbol of urban decay that the artist reimagines as rappers, violin players, and painters. As Banksy continues to challenge the political, economic, and racial oppression that takes place every day in cities around the world, this book offers a timely appreciation of just how the artist has embedded himself into the psyche of the powerful as well as the voiceless--without ever revealing his own identity.

One Life Springer-Verlag

Soccer (football) could become an arena that showcases queer diversity and reflects the progress that society has made in accepting and embracing LGBTQI* communities worldwide. The sport's wide-reaching popular significance, its ability to unify, and its highly publicized nature predestines soccer for being an outlet that continues to increase the visibility of LGBTQI*-identifying athletes. This anthology strives to contribute to an ongoing exchange on conditions for more sexual and gender diversity. The scientific contributions discuss steps towards their sustainable realization from a variety of scholarly and empirical perspectives.

Derbytime Simon and Schuster

The adidas story is one of groundbreaking designs, epic moments, and conceiving the all-around sports shoe, worn by the likes of Lionel Messi, Run DMC, and Madonna. A mecca for sneaker fans, this book presents adidas's history through almost 200 pairs of shoes, including one-of-a-kind originals, vintage models, and

designer pieces.

Bring the Noise ABRAMS

Fußball-Legenden der Extraklasse: Die heißesten Derbys aller Zeiten Sie garantieren Spannung, Kampf und Leidenschaft: Fußball-Derbys sind das Highlight jeder Saison. Bei diesen Spielen werden Legenden geboren und Feindschaften gepflegt. Dabei duellieren sich nicht nur die Mannschaften auf dem Platz, sondern vor allem ihre Fanlager auf den Tribünen. In zehn hochspannenden Kapiteln stellt Manuel Tonezzer die größten Derbys in der Geschichte des Fußballs genauer vor. In faktenreichen Texten schildert er den Ursprung der Rivalitäten und lässt die aufregendsten Szenen auf und neben dem Rasen in Anekdoten Revue passieren. Zahlreiche Fotos bringen Nervenkitzel, Schock und Jubel ins Gedächtnis zurück – Fußballfieber pur! Von El Clásico bis zum deutschen Revierderby – die 10 größten Derbys der Fußballgeschichte in einem Buch So entstanden die Superspiele: Spannende Hintergründe und interessante Anekdoten zu den hitzigsten Rivalitäten im Weltfußball Mit atemberaubenden Fotografien der schockierendsten, leidenschaftlichsten und dramatischsten Spielszenen in Farbe und Schwarz-Weiß Das ideale Geschenk für jeden Fußballfan, den mehr als nur Tore interessieren Zwischen Profifußball und Bandenkrieg: Die Faszination Fußball-Derby in zehn hochspannenden Geschichten Arm gegen Reich, Protestanten gegen Katholiken oder Asien gegen Europa – die tiefen Feindschaften, die Manuel Tonezzer analysiert, sind in unterschiedlichsten Ligen und Ländern zu Hause. Tauchen Sie ein in die Geschichte und Geschichten legendärer Duelle wie Real Madrid vs. FC Barcelona oder das "Derby della Capitale" zwischen Lazio und AS Rom. Mit dabei sind auch atemberaubende Matches wie das Belgrader Derby, bei dem Fußball und Gewalt meist nur einen Abpiff auseinanderliegen. Und natürlich wäre kein Fußballbuch komplett ohne die Mutter aller Derbys zwischen BVB und Schalke 04. Fußball ist mehr als nur ein Sport und ein Derby weit mehr als irgendein Fußballspiel. Mit diesem Buch werden Sie verstehen, warum!

Andrea Fraser Rizzoli International Publications

Drawing from cultural developments as diverse as modernist art and Asian philosophy, minimalism in interior design is nothing less than a celebration of the perfect expression of space. Minimalist Interiors presents 26 examples of residences from around the world that perfectly balance essential elements of shape, light, and form to create truly unique living spaces. From a glass house to a house without walls, from an extension of a single-family home to apartment renovations, this book presents solutions and ideas for all types of residences. Interiors for every room in the house are included, in varying sizes, all from well-known architects and designers who specialize in minimalist

treatment Through exquisite photography, technical plans, and innovative design, Minimalist Interiors will inspire home design enthusiasts to achieve the same effects -- creating an intensely personal oasis of tranquility in their own home.

A dictionary of Oromo technical terms Verlag Barbara Budrich
For the FIFA World Cup 2010, South Africa plans to invest heavily. The positive economic effects that the country is hoping for stand in contrast to almost all statistical ex-post studies. This contribution emphasises that these results, usually from research under-taken in the USA, can only be generalised to a limited degree. The density of sports venues in developed countries is so high, that the marginal effects of new stadia are necessarily limited. We also emphasise that stadium design around the world was not hitherto adequately targeted towards positive economic effects. The example of Durban and its plans for a new "iconic" stadium is used to illustrate fundamental principles of stadium design and their embedding in a re-urbanisation process that have to be undertaken in order to consciously achieve positive regional economic effects.

Minimalist Interiors Hirmer Verlag GmbH

RLF is a revolutionary enterprise that seeks to beat capitalism at its own game. As an intervention into the world of capitalism, it sells luxury consumer products: furniture, jewelry, and sneakers. At the same time, RLF is a protest movement: it holds rallies, uses social media channels for political actions, and engages in adbusting. "RLF. Annual Report" looks back on the revolutionary enterprise's first year in business and presents comprehensive documentation of its activities--from the business plan contest to the gamification of the revolution.

Fußball in der deutschen Kinder- und Jugendliteratur Riva Verlag
Dieser Band versammelt Beiträge aus Germanistik, Linguistik, Sportgeschichte, Medienwissenschaft und anderen Disziplinen, die sich mit der deutschen Kinder- und Jugendliteratur unter dem vergleichenden Gesichtspunkt "Fußball" befassen. Zum einen behandeln sie das Thema horizontal in verschiedenen Genres und Medien, wie etwa Erstleseliteratur, Zeitschriften, Romanen, Gamebooks oder Film. Zum anderen beziehen sich diese Untersuchungen vertikal auf unterschiedliche Zeitebenen und nehmen Entwicklungsverläufe des Querschnittthemas in den Blick.

Die Wissenschaft des Fußballs Campus Verlag

An impassioned look at games and game design that offers the most ambitious framework for understanding them to date. As pop culture, games are as important as film or television—but game design has yet to develop a theoretical framework or critical vocabulary. In Rules of Play Katie Salen and Eric Zimmerman present a much-needed primer for this emerging field. They offer a unified model for looking at all kinds of games,

from board games and sports to computer and video games. As active participants in game culture, the authors have written *Rules of Play* as a catalyst for innovation, filled with new concepts, strategies, and methodologies for creating and understanding games. Building an aesthetics of interactive systems, Salen and Zimmerman define core concepts like "play," "design," and "interactivity." They look at games through a series of eighteen "game design schemas," or conceptual frameworks, including games as systems of emergence and information, as contexts for social play, as a storytelling medium, and as sites of cultural resistance. Written for game scholars, game developers, and interactive designers, *Rules of Play* is a textbook, reference book, and theoretical guide. It is the first comprehensive attempt to establish a solid theoretical framework for the emerging discipline of game design.

The New Dead HarperDes

The political collages of John Heartfield (1891-1968) have earned him a reputation as one of the most innovative graphic artists of the Weimar Republic. His photomontages and book covers based on collages which had their origins in Berlin's Dada scene were directed against Fascism and made him internationally famous. Their explosive power has lost none of its impact. Heartfield was a sharp and uncompromising observer who subverted the documentary character of the press photograph. He employed his art as political propaganda, and fought against war and Fascism with gripping pictures and trenchant humour. This catalogue will include not only the working materials which reveal Heartfield's method but also his trick films, work for the theatre and book design. The original art-works and documents all derive from his personal estate in Berlin. Statements by contemporary artists formulate positions and pose questions, which Heartfield's work raises in the age of fake news. Exhibition: Akademie der Künste, Berlin, Germany (21.03. - 21.06.2020) / Museum de Fundatie, Zwolle, The Netherlands (27.09.2020 - 03.01.2021) / Royal Academy of Arts, London, UK (27.06. - 26.09.2021).

Nine Photographic, personal insights into the development of Graffiti on Trains. Whereas most graffiti books are focused on the presentation of the pure graffiti, this book documents the process of the creation of graffiti on trains.

Graffiti Photographers Penguin

The first book to present a comprehensive overview of postwar Japanese design For the Japanese, the concept of design is not limited to functionality or materiality--it is deeply connected with ancient culture and rituals. In this sense, a chair is much more than what you sit on, a cup more than what you drink from: these objects are to be reflected upon, to be touched and cherished. As mass manufacture became widespread in the post-war period, fascinating cross-cultural exchanges began to take place between Japan and the West. And in recent years, a new generation of designers has taken Japanese creativity into entirely new territory, reconceptualizing the very meaning of design. Showcasing over 80 designers, hundreds of objects, and contributions from both Japanese and Western designers inspired by Japan, this volume will remain the definitive work on the subject for many years to come.

Puskas on Puskas Penguin UK

Wie berechnet man die Kurve einer Bananenflanke? Wo wurde zum ersten Mal in der Menschheitsgeschichte Fußball gespielt? Welche Kleinstlebewesen befinden sich in einem Stadionrasen? Welchen Einfluss hat der Fußball auf Politik und Wirtschaft, sprich: auf die Weltgeschichte? Und wie lautet eigentlich das häufigste

Endergebnis? Dieses Buch liefert wissenschaftliche Antworten auf sämtliche Fragen rund um den beliebtesten Sport der Welt und wird nicht nur dem eingefleischten Fan Aha-Momente bereiten. Doch keine Angst: Die Frage, wie es nach 90 Minuten steht, wird auch danach für immer unberechenbar bleiben.

Juventus Story O/P Bold Type Books

Wilson Raj Perumal has been labeled the world's most prolific match-fixer in football's recent history. Born a village boy in rural Singapore in the mid-60's, Wilson climbed the heights of international match-fixing across five continents, becoming FIFA's most wanted man. Like a "guppy in the sea", Wilson starts off a small gambler, mixing with the local Singapore bookies, and witnesses the rise and fall of the old-school Asian "big fish" of match-fixing until he finds himself competing against them in a world with no set rules, where turncoats are the norm and quick money the only drive. Perumal was arrested in Finland in February 2011 and decided to collaborate with authorities, thus opening the match-fixing Pandora's box. In his book, Wilson reveals an unprecedented account of how the international match-fixing underworld has influenced the outcomes of matches at every level of football that we may well have watched unsuspectingly. *Kelong Kings* is the ultimate tale about gambling, football and match-fixing, told directly by the man who made it all happen. But be advised, after you read this book, you will never be able to watch a soccer match in the same way again.

German Colonialism Egoth Verlag

Affect and emotion have come to dominate discourse on social and political life in the mobile and networked societies of the early 21st century. This volume introduces a unique collection of essential concepts for theorizing and empirically investigating societies as Affective Societies. The concepts promote insights into the affective foundations of social coexistence and are indispensable to comprehend the many areas of conflict linked to emotion such as migration, political populism, or local and global inequalities. Adhering to an instructive narrative, Affective Societies provides historical orientation; detailed explication of the concept in question, clear-cut research examples, and an outlook at the end of each chapter. Presenting interdisciplinary research from scholars within the Collaborative Research Center "Affective Societies," this insightful monograph will appeal to students and researchers interested in fields such as affect and emotion, anthropology, cultural studies, and media studies.

"A companion to the acclaimed documentary film *Black and White Stripes: the Juventus Story*, this book chronicles the Italian soccer club and its ownership under the Agnelli family"--Jacket.

What Futurists Believe Kohlhammer Verlag

Fußball verstehen durch Strategie- und Taktik-Analyse Spielsysteme, Timing, Matchplan: Moderner Fußball ist vor allem durch taktische Raffinesse geprägt. Zuschauer und Fußballfans möchten heute mehr über ein Spiel erfahren als nur das Ergebnis und die Torschützen. Sie möchten wissen, was auf der Taktiktafel stand, sie wollen verstehen, wie Fußball-Trainer wie Jürgen Klopp, Pep Guardiola oder Thomas Tuchel "ticken". Welcher ausgeklügelte Plan steckt hinter einer Mannschaftsaufstellung? Warum hat der Trainer die Mannschaft nach der Pause umgestellt? Was bedeuten Begriffe wie "dynamische Dreierkette" und "abkippernder Stürmer"? Und wie sieht überhaupt ein Fußball-Training ohne Ball und Gegner aus? - Alle Strategien im Blick: von Torwart über Abwehr und Mittelfeld bis zum Sturm - Fußball-Taktik auch für Laien: Gegner einschätzen & Match-Plan entwickeln - Fußball-Grundlagen: alles, was Sie schon immer über Spiel-Analyse wissen wollen - auch kapitelweise lesbar - Unterhaltsame Anekdoten aus dem echten Spielbetrieb "hinter den Kulissen" - Ideales Geschenkbuch für Fußball-Fans, echte Trainer und alle Co-Bundestrainer! Die Strategie-Geheimnisse der Trainer und Fußball-Profis Das Autorenduo Matthias Greulich und

Elmar Neveling liefert keine trockene und komplexe Fußball-Theorie. Hier geht es um nicht um Fußball-Regeln, sondern um Vorhersagen und Strategien und natürlich auch um schmutzige Taktiken wie geplante Fehlpässe und darum, wie der FC Bayern zu knacken ist. In aufschlussreichen Gesprächen mit ehemaligen Nationalspielern, Fußball-Experten, und Bundesliga-Trainern erhalten Sie einen fundierten und authentischen Einblick in die Vorgehensweise moderner Fußball-Strategen. Ob Spieltaganalyse und Kaderdiskussion, ob Spielbeobachtung im Stadion oder von der Couch - das Taktikwissen aus diesem komplett überarbeiteten Standardwerk wird Ihnen einen völlig neuen Blick auf das Spiel eröffnen!

Sportgroßveranstaltungen Little Gestalten

Classic graffiti lettering and experimental typographical forms lie at the heart of street culture and have long inspired designers in many different fields. But graffiti artists, who tend to paint the same letters of their tag again and again, rarely design complete alphabets. Claudia Walde has spent over two years collecting alphabets by 154 artists from 30 countries with a view to showing the many different styles and approaches to lettering within the graffiti and street art cultures. All of the artists have roots in graffiti. Some are world renowned such as 123 Klan (Canada), Faith47 (South Africa) and Hera (Germany); others are lesser known or only now starting to emerge. Each artist received the same brief: to design all 26 letters of the Latin alphabet within the limits of a single page of the book. How they approached this task and selected the media with which to express their ideas was entirely up to them. The results are a fascinating insight into the creative process.

Football School Prestel Publishing

A SUNDAY TIMES, THE TIMES, DAILY TELEGRAPH, NEW STATESMAN, SPECTATOR, FINANCIAL TIMES, TLS BOOK OF THE YEAR 'Masterly ... awesome reading ... an outstanding biography' Max Hastings, Sunday Times The definitive biography of the greatest French statesman of modern times In six weeks in the early summer of 1940, France was over-run by German troops and quickly surrendered. The French government of Marshal Pétain sued for peace and signed an armistice. One little-known junior French general, refusing to accept defeat, made his way to England. On 18 June he spoke to his compatriots over the BBC, urging them to rally to him in London. 'Whatever happens, the flame of French resistance must not be extinguished and will not be extinguished.' At that moment, Charles de Gaulle entered into history. For the rest of the war, de Gaulle frequently bit the hand that fed him. He insisted on being treated as the true embodiment of France, and quarrelled violently with Churchill and Roosevelt. He was prickly, stubborn, aloof and self-contained. But through sheer force of personality and bloody-mindedness he managed to have France recognised as one of the victorious Allies, occupying its own zone in defeated Germany. For ten years after 1958 he was President of France's Fifth Republic, which he created and which endures to this day. His pursuit of 'a certain idea of France' challenged American hegemony, took France out of NATO and twice vetoed British entry into the European Community. His controversial decolonization of Algeria brought France to the brink of civil war and provoked several assassination attempts. Julian Jackson's magnificent biography reveals this the life of this titanic figure as never before. It draws on a vast range of published and unpublished memoirs and documents - including the recently opened de Gaulle archives - to show how de Gaulle achieved so much during the War when his resources were so astonishingly few, and how, as President, he put a medium-rank power at the centre of world affairs. No previous biography has depicted his paradoxes so vividly. Much of French politics since his death has been about his legacy, and he remains by far the greatest French leader since Napoleon.
