FROM EXCITING AUTHOR OF LGBTQIA ROMANCE JENNIFER MOFFATT Book one in the Falling Hard series Falling in love with your boss shouldn't be this easy... and this hard. Luka Moreno— a cute, vivacious advertising exec— is absolutely crushing it at work. He's flying up the ladder and nothing can stop him now... except for the terrible decision he made while dating a coworker. So terrible, this ex is now blackmailing him, putting Luka's job in danger. When Thomas Badgley, an impossibly gorgeous and gruff VP, is temporarily transferred to his office, Luka vows to stay far, far away. Falling in love with his boss would only make the whole mess ten times worse. But the universe keeps throwing them together, in one adorable situation after another— accidental couples costume, fake dating, roommates, and, would you believe, more fake dating. As their friendship grows, Thomas comes to believe in Luka in ways he never believed in himself, and his feelings are becoming harder and harder to ignore. How can Luke continue saying no, when his heart so desperately wants to say yes?

*Historical Dictionary of Animation and Cartoons* is intended to provide an overview of the animation industry and its historical development. The animation industry has been in existence as long (some would argue longer) than cinema, yet it has had less exposure in terms of the discourse of moving-

image history. This book introduces animation by considering the various definitions that have been used to describe it over the years. A different perception of animation by producers and consumers has affected how the industry developed and changed over the past hundred years. This second edition of *Historical Dictionary of Animation and Cartoons* contains a chronology, an introduction, and an extensive bibliography. The dictionary section has over 300 cross-referenced entries on animators, directors, studios, techniques, films, and some of the best-known characters. This book is an excellent resource for students, researchers, and anyone wanting to know more about animation and cartoons.

Christmas is a season of peace, joy and love, but not for Ebenezer Scrooge. The meanest, greediest man in London, Scrooge hates Christmas. But everything changes one snowy Christmas Eve when Scrooge receives a ghostly visit. Over the course of that one magical night, Scrooge will come face-to-face with his past, present and future as three spirits - and a whole lot of Muppets - arrive to show him the error of his ways. Narrated by the Great Gonzo as Charles Dickens - with a little help from Rizzo the Rat - this illustrated storybook stars Kermit the Frog as Bob Cratchit, Miss Piggy as Mrs. Cratchit and the entire Muppets cast, as they help Scrooge change his fate, open his heart and discover the true meaning of Christmas.
