The crucifix is in! You can fool most of the people most of the time. In *The God Con*, Lee Moller, a life-long atheist and skeptic, looks at organized religion through the lens of the con.

Organized religion has been selling an invisible product, that it never has to deliver, for thousands of years. It has given us bigotry, rampant pedophilia, terrorism, and bloodshed beyond imagining. And its acolytes have, in turn, given organized religion power over their bank accounts, their reproduction, and their very "souls".
