The Valancourt Book of Horror Stories:

Volume One Hachette UK

WINNER OF THE JOHN CREASEY DEBUT

DAGGER AWARD Nominated for the

Edgar Award for best first novel An

astonishing debut crime thriller about an

unforgettable woman who combines the

genius and ferocity of Lisbeth Salander

with the ruthless ambition of Walter

White The Crenshaw Six are a small but

up-and-coming gang in South Central LA

who have recently been drawn into an

escalating war between rival drug

cartels. To outsiders, the Crenshaw Six

appear to be led by a man named Garcia

. . . but what no one has figured out is

that the gang's real leader (and secret

weapon) is Garcia's girlfriend, a brilliant

young woman named Lola. Lola has

mastered playing the role of submissive

girlfriend, and in the man's world she

inhabits she is consistently

underestimated. But in truth she is

much, much smarter--and in many ways

tougher and more ruthless--than any of

the men around her, and as the gang is

increasingly sucked into a world of high-

stakes betrayal and brutal violence, her

skills and leadership become their only

hope of survival. Lola marks the debut of

a hugely exciting new thriller writer, and

of a singular, magnificent character

unlike anyone else in fiction.

Mince Pies and Mistletoe at the

Christmas Market HMH

"A final book like no other" from the

Nobel Prize-winning author of *The Tin*

Drum: poetry and meditations on

writing, aging, and living until the end

(*The Irish Times*). In spite of the trials of

old age, and with the end in sight,

Günter Grass weaves his life's reflections

together into a witty and elegiac

swansong: love letters, soliloquies,

jealous musings, social satire, and

moments of happiness long to be

shared. As the inimitable German

fabulist lives his remaining days, his

passion for writing spurs in him new life.

His final work is a creation filled with

wisdom and defiance. In a striking

interplay of poetry, lyric prose, and

drawings, this diverse assemblage is a

moving farewell gift—a sensual,

melancholy summation of a life fully

lived. "Elegant musings on dying and,

most poignantly, living." —*Kirkus*

Reviews "A glorious gift, a final salute

true to the singular creativity of the most

human, and humane, of artists." —*The*

Irish Times "A thoughtful,

uncompromising meditation on death

and aging . . . He describes loss, change,

and memory with a combination of

melancholy and wit." —*Publishers*

January. Against her father's wishes, she

sets about making it the best Christmas

and mistletoe and maybe even a bit of

mulled wine. But with a new retail park

market is under threat. So together with

all the other stallholders, Ruby devises a

plan to make sure that Wynbridge is the

first port of call for everyone's Christmas

in her way is Ruby's ex, Steve. It's pretty

Germany's master of wit and irony now for the first time in English. Hinrich takes his existence at face value. His wife, on the other hand, has always been more interested in the after-life. Or so it seemed. When she dies of a stroke, Hinrich goes through her papers, only to discover a totally different perspective on their marriage. Thus commences a dazzling intellectual game of shifting realities. Why Peirene chose to publish this book: 'This novella deals with the

weighty subjects of marriage and death in an impressively light manner. Shifting realities evolve with a beautiful sense of irony and wit. It is a tone that allows us to reflect - without judgment - on misunderstandings, contradictory perceptions and the transience of life.' Meike Ziervogel 'Inventive and deeply affecting, this remarkable fiction lingers in the mind long after the last page has been turned.' CJ Schuler, Independent 'A heartbreaking tale of loss.' Nicholas Lezard, Guardian 'This is a tale of a marriage gone awry and the potential loneliness of cohabitation ... but Matthias Politycki leavens his grim tale with playful teasing of his reader's expectations.' Rebecca K. Morrison, Times Literary Supplement 'A teasing, testing story that makes you want to revisit and seek out those fascinating fragments you might just have missed.' Pam Norfolk, Lancashire Evening Post 'Elegantly realised.' Lucy Popescu, Independent on Sunday 'A page-turning pleasure . . . this novella has a supreme lightness of touch . . . It never feels weighed down by its own significance.' I am Your Judge, the latest Pia Kirchhoff and Oliver von Bodenstein novel from internationally bestselling author Nele Neuhaus, is tightly plotted, and delivers surprise twists at every turn with a story that is ripped from the headlines. Police Detective Pia Kirchhoff is about to leave on her long-delayed honeymoon when she receives a phone call from police headquarters: An elderly woman has been shot and killed while walking her dog. Neither her grieving daughter nor any of her acquaintances have an explanation for the horrifying murder. Ingeborg Rohleher was well-liked and a generous, loving woman. A short while later, another murder is committed and the modus operandi is eerily similar — a woman is executed by a precisely aimed bullet to the head that smashes through her kitchen window while she is baking cookies . . . and in both cases the same weapon fired the shot from a distance

only a trained sniper could manage. Two more murders follow in short order. None of the victims had enemies and no one knows why they were singled out. As fear of the Taunus Sniper grows among the local residents, the pressure rises on Detective Kirchhoff. She and her partner, Oliver von Bodenstein, search feverishly for a suspect who appears to murder at will, but soon realize that “The Judge,” as the sniper calls himself, seems to have a mission—a mission that has not reached its conclusion yet. As the investigation progresses, the police officers uncover a human tragedy that will shake them to the core.
