The label CLIL stands for classrooms where a foreign language (English) is used as a medium of instruction in content subjects. This book provides a first in-depth analysis of the kind of communicative abilities which are embodied in such CLIL classrooms. It examines teacher and student talk at secondary school level from different discourse-analytic angles, taking into account the interpersonal pragmatics of classroom discourse and how school subjects are talked into being during lessons. The analysis shows how CLIL classroom interaction is strongly shaped by its institutional context, which in turn conditions the ways in which students experience, use and learn the target language. The research presented here suggests that CLIL programmes require more explicit language learning goals in order to fully exploit their potential for furthering the learners' appropriation of a foreign language as a medium of learning.

The fourth book in the Cal Leandros series that began with Nightlife, Deathwish is clever, ironic and hugely entertaining urban fantasy in the vein of Jim Butcher by the New York Times bestselling author, Rob Thurman. 'How I felt the mental stirrings of a bloodthirsty heritage when I passed through the gray light wasn't my favourite topic . . . the Auphe nature wasn't mine. I wouldn't let it be. And if I said that to myself over and over and sprinkled around enough frigging fairy dust, maybe it would be true.' Half-human Cal Leandros and his brother, Niko, are barely getting by with their preternatural detective agency when the vampire Seamus hires them. He's being followed, and he wants to know by whom. But the Leandros brothers have to do more than they had planned when Seamus turns up dead (or un-dead). Worse still is the return of Cal's nightmarish family, the Auphe. The last time Cal and Niko faced them, the Auphe were almost wiped out. Now they want revenge. Cal know that before the Auphe get to him, they will try to destroy everything and everyone he holds dear. Because for the Auphe, Cal's pain is a pleasure. And they're feeling good. A dark contemporary fantasy with a humorous edge, Rob Thurman's Deathwish should not be missed. Praise for Rob Thurman: 'Supernatural elements put this in the company of Jim Butcher and Charlaine Harris' SFRevu 'A roaring rollercoaster of a read . . . it'll take your breath away' Simon R. Green Rob Thurman lives in Indiana, land of rolling hills and cows. Lots and lots of cows. Duty compels her to turn her back on marriage. Fate drives him to protect her come what may.

Then love takes a hand in this battle of yearning hearts, stubborn wills, and a match too powerful to deny. #1 New York Times bestselling author Stephanie Laurens returns to rugged Scotland with a dramatic tale of passionate desire and unwavering devotion. Restless and impatient, Marcus Cynster waits for Fate to come calling. He knows his destiny lies in the lands surrounding his family home, but what will his future be? Equally importantly, with whom will he share it? Of one fact he feels certain: his fated bride will not be Niniver Carrick. His elusive neighbor attracts him mightily, yet he feels compelled to protect her—even from himself. Fickle Fate, he's sure, would never be so kind as to decree that Niniver should be his. The best he can do for them both is to avoid her. Niniver has vowed to return her clan to prosperity. The epitome of fragile femininity, her delicate and ethereal exterior cloaks a stubborn will and an unflinching devotion to the people in her care. She accepts that in order to achieve her goal, she cannot risk marrying and losing control of the clan's reins to an inevitably controlling husband. Unfortunately, too many local men see her as their opportunity. Soon, she's forced to seek help to get rid of her unwelcome suitors. Powerful and dangerous, Marcus Cynster is perfect for the task. Suppressing her wariness over tangling with a gentleman who so excites her passions, she appeals to him for assistance with her peculiar problem. Although at first he resists, Marcus discovers that, contrary to his expectations, his fated role is to stand by Niniver's side and, ultimately, to claim her hand. Yet in order to convince her to be his bride, they must plunge headlong into a journey full of challenges, unforeseen dangers, passion, and yearning, until Niniver grasps the essential truth—that she is indeed a match for Marcus Cynster.
