While most
psychotherapies agree
that therapeutic work
in the 'here and now'
has the greatest power
to bring about change,

few if any books have
ever addressed the
problem of what 'here
and now' actually
means. Beginning with
the claim that we are
psychologically alive
only in the now,
internationally
acclaimed child
psychiatrist Daniel N.
Stern tackles vexing
yet fascinating
questions such as:
what is the nature of
'nowness'? How is

'now' experienced between two people? What do present moments have to do with therapeutic growth and change? Certain moments of shared immediate experience, such as a knowing glance across a dinner table, are paradigmatic of what Stern shows to be the core of human experience, the 3 to 5 seconds he identifies as 'the present moment.' By placing the present moment at the center of psychotherapy, Stern alters our ideas about how therapeutic change occurs, and about what is significant in therapy. As much a meditation on the problems of memory and experience as it is a call to appreciate every moment of experience,

The Present Moment is a must-read for all who are interested in the latest thinking about human experience. *Hoppelpopp and the Best Bunny Open Road Media*
Ahoy there, shipmates! Join Jim Lad and Matilda as they sail the seven seas (and the coast of Dull-on-Sea) in search of treasure in this latest adventure from Jonny Duddle featuring the Jolley-Rogers. When Matilda discovers a treasure map inside an old bottle, she shows it to the Jolley-Rogers and they all set sail to find the mysterious island on the map. Unfortunately, they end up in the belly of the dastardly Pirate Cruncher! Can Matilda and the rest of the Jolly-Rogers rescue themselves before it is

too late? Or will they end up trapped there forever? Expect adventure, laughs, and perhaps an almighty sneeze.

Have you ever just clicked with someone? - the sequel to the international bestseller *Love Virtually* about a relationship conducted by email. *Love Virtually* ends as Leo leaves Austria for America. He and Emmi have still not met, but the intensity of their e-mail correspondence has been threatening Emmi's marriage. Leo returns from Boston and gradually resumes his e-mail contact with Emmi. But he has plans to settle down with Pamela, the woman he met in America. In an attempt to draw a line

under their relationship, Emmi and Leo at last agree to meet in person.

This profoundly moving tale about a grieving boy and an imaginary gorilla makes real the power of talking about loss. On the day of his mother's funeral, a young boy conjures the very visitor he needs to see: a gorilla. Wise and gentle, the gorilla stays on to answer the heart-heavy questions the boy hesitates to ask his father: Where did his mother go? Will she come back home? Will we all die? Yet with the gorilla's friendship, the boy slowly begins to discover moments of

comfort in tending flowers, playing catch, and climbing trees. Most of all, the gorilla knows that it helps to simply talk about the loss—especially with those who share your grief and who may feel alone, too. Author Jackie Azúa Kramer's quietly thoughtful text and illustrator Cindy Derby's beautiful impressionistic artwork depict how this tender relationship leads the boy to open up to his father and find a path forward. Told entirely in dialogue, this direct and deeply affecting picture book will inspire conversations about grief, empathy, and healing beyond the final hope-filled scene. Since the 1.34 a.m. wake up calls began,

Elena, Matt, and Tima had all had the power to talk to animals, birds and insects like no other human could. None of them would ever trade that for a full eight hours sleep. It was too amazing. But an amazing life has its complications. Like finding a body in the dark. Like having to stop the world from ending. You can fit a lot in your day when you don't sleep. New from award-winning author, Ali Sparkes, with huge appeal for both boys and girls. Fast-paced action adventure about contemporary children with mysterious powers, told with Ali's classic humour and lightness of touch. Harper and the Scarlet Umbrella Scribner
A funny and heartwarming novel

from an up and coming new author... Three best friends cope with first love, first sex and lots of confusion along the way. Shelley's modelling career is taking off and she's just moved in with her boyfriend - a huge step, but is she ready for it? Meanwhile, Lia can't understand why her boyfriend is reluctant to jump into bed with her and Jen wonders if she will ever find someone to fall in love with...

Diamond in the Snow

Kwiatkowski and the Chewing Gum Mystery W. W. Norton & Company

Erneut stehen alle Zeichen auf Sturm. Zitronchen ist außer Rand und Band und auch Goethe ist kaum wiederzuerkennen. Bei winterlichen Temperaturen und eisigem Gegenwind wird hart für den Vereinscup trainiert. Sieht Samantha das Ganze vielleicht etwas zu verbissen? Als die Konkurrenz zu Besuch im Stall auftaucht,

gerät der Haussegen in eine gefährliche Schieflage. Am Tag des Wettkampfes scheint zwar die Sonne wieder, jedoch kommen dadurch auch die Schattenseiten ans Licht. Werden die Mädchen, Bent und Luis ihren Gegnern die Stirn bieten können? Neben dem Trubel schöpft Inchi den Verdacht, dass Rosita heimlich die Heimreise nach Spanien plant, aber soll sie Jo und Luis davon berichten? Kann Oma vielleicht weiterhelfen? Wie Inchi sich entscheiden wird und warum sich am Wettkampftag fast alles nur um Trude dreht, erfährst du im sechsten, spannenden Abenteuer! Sei dabei und lies die ganze Geschichte! Say Nothing

HarperCollins UK

In the first book of this middle grade sci-fi series, a teen gains alien superpowers that make him popular at school, but put him in mortal danger. Dweeb . . . Dork . . . These are names Ethan Rogers is used to being called in the halls of Metier Junior High. It's safe to say that he's an outcast. Outside of a brainy clique of nerds, Ethan doesn't have many friends. Still, there are advantages to being from his small

Wisconsin town, like Metier's weird history of UFO sightings. For a comic book geek like Ethan, the possibility of seeing an alien is pretty awesome. Until he looks in the mirror on his thirteenth birthday and discovers he is an alien. At first, it's not as bad as it seems. Ethan suddenly has powers greater than some of his favorite superheroes. Beating the school bully in a fight is pretty rad. And when Ethan foils a robbery attempt, he becomes a local hero. But being in the spotlight isn't easy for Ethan, especially when he learns his kind has been targeted for termination . . . *The Secret of the Flying Cows* Macmillan

One Day on Our Blue Planet 1 Walter de Gruyter

Cri de coeur . . . When Stephanie brains an intruder with a stale baguette, she doesn't realise she has assaulted the new owner of the village grocery. Fabian's welcome goes from bad to worse as his attempts to drag the shop into the modern age are met with a resounding non! by the residents of the small commune of Fogas in the French Pyrenees. He is on the verge of admitting defeat when

he's hit by a coup de foudre and falls in love. Stephanie herself is too busy for l'amour. Working at l'Auberge and getting her garden centre off the ground is taking all her energy. She doesn't even notice that her daughter Chloé has something on her mind. Troubled by a

sinister stranger she has seen loitering in the village, Chloé has no one to turn to. Her only hope is that someone hears her cries for help before it's all too late. In a chanson d'amour with more twists than a mountain road, the unexpected is just around the corner.
