CHAPMAN JAYCE

[Nouveau Dictionnaire François-Italien](#) Librairie Droz

A deeply moving meditation on memory, history, love, and art by the author of *Dreams of My Russian Summers* In *The Life of an Unknown Man*, Andreï Makine explores what truly matters in life through the prism of Russia's past and present. Shutov, a disenchanted writer, revisits St. Petersburg after twenty years of exile in Paris, hoping to recapture his youth. Instead, he meets Volsky, an old man who tells him his extraordinary story: of surviving the siege of Leningrad, the march on Berlin, and Stalin's purges, and of a transcendent love affair. Volsky's life is an inspiration to Shutov -- because for all that he suffered, he knew great happiness. This depth of feeling stands in sharp contrast to the empty lives Shutov encounters in the new Russia, and to his own life, that of just another unknown man . . .

A brief but extraordinarily powerful novel by the author of *Dreams of My Russian Summers* and *Requiem for a Lost Empire*, *Music of a Life* is set in the period just before, and two decades after, World War II. Alexei Berg's father is a well-known dramatist, his mother a famous opera singer. But during Stalin's reign of terror in the 1930s they, like millions of other Russians, come under attack for their presumed lack of political purity. Harassed and proscribed, they have nonetheless, on the eve of Hitler's war, not yet been arrested. And young Alexei himself, a budding classical pianist, has been allowed to continue his musical studies. His first solo concert is scheduled for May 24, 1941. Two days before the concert, on his way home from his final rehearsal, he sees his parents being arrested, taken from their Moscow apartment. Knowing his own arrest will not be far behind, Alexei flees to the country house of his fiancée, where again betrayal awaits him. He flees, one step ahead of the dreaded secret police until, taking on the identity of a dead soldier, he enlists in the Soviet army. Thus begins his seemingly endless journey, through war and peace, until he lands, two decades later, in a snowbound train station in the Urals, where he relates his harrowing saga to the novel's narrator. An international bestseller, *Music of a Life* is, in the words of *Le Monde*, "extremely powerful . . . a gem."

"The sustainable fashion revolution has begun, and we must all be part of it." - Aloïs Guinut Stylish women everywhere are realizing the environmental damage of fast fashion and looking for new ways to dress that don't involve cramming their wardrobe with clothes that may never get worn. As Paris-based style-coach Aloïs Guinut explores in this invaluable book, French women have a lot to teach us about how to cherish the planet without sacrificing your style: - Know what works for you. - Buy less and buy better. - Mix vintage items with a few wisely chosen modern pieces. - Optimize your closet. - Look after what you have and make it last. - Seek out quality fabrics that don't poison the environment.

In Soviet Russia the desire for freedom is also a desire for the freedom to love. Lovers live as outlaws, traitors to the collective spirit, and love is more intense when it feels like an act of resistance. Now entering middle age, an orphan recalls the fleeting moments that have never left him - a scorching day in a blossoming orchard with a woman who loves another; a furtive, desperate affair in a Black Sea resort; the bunch of snowdrops a crippled childhood friend gave him to give to his lover. As the dreary Brezhnev era gives way to Perestroika and the fall of Communism, the orphan uncovers the truth behind the life of Dmitri Ress, whose tragic fate embodies the unbreakable bond between love and freedom.

The fascinating story of a young Russian filmmaker's attempts to portray Catherine the Great, before and after the collapse of the Soviet Union Catherine the Great's life seems to have been made for the cinema—her rise to power; her reportedly countless love affairs and wild sexual escapades; the episodes of betrayal, revenge, and even murder—there's no shortage of historical drama. But Oleg Erdmann, a young Russian filmmaker, seeks to discover and portray Catherine's essential, emotional truth, her real life beyond the rumors and façade. His first screenplay just barely makes it past the Soviet film board and is assigned to a talented director, but the resulting film fails to avoid the usual clichés. After the dissolution of the Soviet Union, as he struggles to find a place for himself in the new order, Oleg agrees to work

with an old friend on a television series that becomes a quick success—as well as increasingly lurid, a far cry from his original vision. He continues to seek the real Catherine elsewhere. With *A Woman Loved*, Andreï Makine delivers a sweeping novel about the uses of art, the absurdity of history, and the overriding power of human love, if only it can be uncovered and allowed to flourish. The invention of collage by Picasso and Braque in 1912 proved to be a dramatic turning point in the development of Cubism and Futurism and ultimately one of the most significant innovations in twentieth-century art. Collage has traditionally been viewed as a new expression of modernism, one allied with modernism's search for purity of means, anti-illusionism, unity, and autonomy of form. This book - the first comprehensive study of collage and its relation to modernism - challenges this view. Christine Poggi argues that collage did not become a new language of modernism but a new language with which to critique modernism. She focuses on the ways Cubist collage - and the Futurist multimedia work that was inspired by it - undermined prevailing notions of material and stylistic unity, subverted the role of the frame and pictorial ground, and brought the languages of high and low culture into a new relationship of exchange.

Bring a Parisian je ne sais quoi to your style, wherever you live. *Dress Like a Parisian* is a wise and witty guide to finding your personal style, taking inspiration from how real Parisian women dress. With personal stylist and fashion blogger Aloïs Guinut as your guide, you can explore which colours, shapes and styles work best for you, whatever the occasion. Aloïs reveals Parisian style secrets, rejects restrictive fashion rules and shares her favourite shops and brands, demonstrating how you can use fashion to enhance your personality rather than shaping your personality to fashion. In the words of the patron saint of Parisian women, Yves St. Laurent, 'fashions fade, style is eternal.' This book is illustrated with photography shot on the streets of Paris plus illustrations by acclaimed fashion illustrator, Judith van den Hoek, who has worked with Elle, Hermes, Vogue, Prada and

Grazia.

'...a lucid and scholarly account of an important and immensely complex subject...Dr. Alpert's command of a broad range of archival material, printed documents and secondary works in six languages is extremely impressive.' - P. Preston, London School of Economics and Political Science It is now twenty years since a study was dedicated to the international aspects of the Spanish Civil War and this new synthesis covering the whole of the era and setting it against major events of the late 1930s is well overdue. Michael Alpert takes full advantage of newly accessible archival sources to disentangle the intricacies of this complex issue.
