American English Idioms is a book that teaches essential and foundational idioms used in the USA. It is designed to be an easy-to-use guide especially for ESL students. With a unique Sorted-By-Meaning format, you can now look up idioms via their meanings rather than being limited to searching for them in alphabetical order. It also comes with guides to teach how and when to use the idioms; do you use them in informal, semi-formal or formal speech? What is informal, semi-formal or formal speech anyway? This book will help you with that. Packed with information, every idiom comes in its infinitive form; with at least 1 real-life subject pronoun example sentence. Created by a native American English speaker, you can now learn to speak English like an American and learn the idioms that American English speakers expect you to know. Also includes a brief overview of some of the most common Internet abbreviations. This book has been divided into sections and each section has been further divided into lessons. have been given, wherever necessary. Also, exercises are given at the end of every lesson for practice and solutions at the end of the book.
