This is Friedrich Nietzsche's seminal work; "Human, All Too Human: A Book for Free Spirits" - first published in 1878. It constitutes the first work in his signature aphoristic style, discussing many different concepts in brief paragraphs and sentences. The 638 aphorisms are divided into nine sections by subject, with a short poem as an epilogue. This fantastic book is highly recommended for students of philosophy, and is not to be missed by fans of Nietzsche's work. Friedrich Wilhelm Nietzsche (1844 - 1900) was a German philosopher, poet, composer, and scholar. He wrote numerous critical essays on morality, culture, philosophy, science, and religion - radically questioning the value and objectivity of truth. Many antiquarian texts such as this, particularly those dating back to the 1900s and before, are increasingly hard to come by and expensive. It is with this in mind that we are republishing this book now in an affordable, modern, high quality edition. It comes complete with a specially

commissioned new biography of the author.

*Expositions of the Psalms 1-32 (Vol. 1)* KTAV Publishing House, Inc.

God wanted to make something so unique, so special, so much better than even the coolest animals on the planet. He wanted something like himself that he could love and be loved in return. So, he looked in the mirror and decided to make people, in his image. Some people are one color, some are another color. Some people are short, others are tall. But, we're all just right and equally loved by God. The Mirror conveys a powerful message that combats the current culture of racism, comparison, and low self-esteem. It gives impressionable little minds a firm foundation for navigating these issues from a Christian worldview. The book celebrates each child in the unique way he or she was created and encourages kids to love themselves and their neighbors, just as they are loved by their creator.

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-

spiritualized.”—Kay Warren, cofounder of Saddleback Church  
 What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

This is a compilation of true-life accounts that took place in a Cult Community called The Synagogue, 'church' of all Nations, Ikotun-Egbe, Nigeria; where the author was trapped for over a decade with other devotees through hypnotism and brainwashing. She had documented her journey into this community, who uses religious garb to cover their nefarious operation to lure the innocent into occultism. She wrote how they lived, how they were systemic initiated into the dark world of deceit, and terrorized to swear secrecy allegiance. Finally, her escape was a grand style of Jehovah. This is to EDUCATE people and to give ALL THE GLORY back to God, for His Amazing Saving Grace, His constant Love and His abiding Presence. She said, "If I should denied the world this truth, I became a partaker of evil and Hellfire would have been my eternal abode. I am under obligation and indebted to share; I cannot keep it to myself; it burns in my bones. I will also like to use this as a means of restoring the souls of those who have fallen away due to this global deception of T.B. Joshua." This Book is a societal mirror for everyday people, it is saying that, each person has ability to discover who God is individually, without depending on another man. This is to stand as a guide to the blind, as a warning to the gullible, and as a light to the simple; because what causes people to panic, and run helter skelter in search of an intermediary between them and their Creator is still prevalent in the world, such as sickness, affliction, trouble, confusion, disease, barrenness, joblessness, etcetera. What drives people to run from one prophet to another prophetess both false and genuine, which can cause them to eventually fall into error is still at large. Those things that pressurizes people daily, and can cause them to be knocking on the doors of prayer contractors and spiritual arrangers, intending to cut deals with 'God' if possible; rather than to go on their knees and be calling upon their Creator for Mercy and a turnaround is still thriving in the world today. Evil seems to run rampant everywhere. What we need is Peace in God and holding unto His Word. These agents of satan are only having breakthrough at your breakdown. Beware of miracle peddlers, Beware of false prophets, and Beware of false teachers, Jesus warned. This is their time, Run for your life!

Andrei A. Orlov examines the tradition about the seventh antediluvian patriarch Enoch, tracing its development from its roots in the Mesopotamian lore to the Second Temple apocalyptic texts and later rabbinic and Hekhalot materials where Enoch is often identified as the supreme angel Metatron. The first part of the book explores the imagery of the celestial roles and titles of the seventh antediluvian hero in Mesopotamian, Enochic and Hekhalot materials. The analysis of the celestial roles and titles shows that the transition from the figure of patriarch Enoch to the figure of angel Metatron occurred already in the Second Temple Enochic materials, namely, in 2 (Slavonic) Enoch, a Jewish work, traditionally dated to the first century CE. The second part of the book demonstrates that mediatorial polemics with the traditions of the exalted patriarchs and prophets played an important role in facilitating the transition from Enoch to Metatron in the Second Temple period.

This is a compilation of a true-life accounts which took place in a Cult Community called The Synagogue, 'church' of all Nations, Ikotun-Egbe, Lagos, Nigeria; where the author was trapped through hypnotism, and brainwashing for over a decade with other devotees. She documented her journey into this community who use religious garb to cover their nefarious operation in order to lure the naive, vulnerable, gullible, and the innocent into occultism. She narrates how they lived, how they were systemic initiated into the dark world by deceit, and were terrorised to swear allegiance to secrecy. They also became instruments of deception in the hands of T. B. Joshua to deceive visitors to the Synagogue. Finally, her escape was a grand style of Jehovah where others lost their lives. This is purely to EDUCATE people and to give ALL THE GLORY back to God, for His Amazing Saving Grace, His constant Love and His abiding Presence. She said, "If I should denied the world this truth, I became a partaker of evil and Hellfire would have been my eternal abode. I am under obligation and indebted to share; I cannot keep it to myself; it burns in my bones. I will also like to use this as a means of restoring the souls of those who have fallen away due to this global deception of T.B. Joshua." This Book is a societal mirror for everyday people, it is saying that, each one of us has the ability to enter into relationship with God individually without depending on another man as a connector. Jesus Christ has made the way. This is to stand as a guide to the blind, as a warning to the gullible, and as a light to the simple; because what causes people to panic, and run helter skelter in search of an intermediary between them and their Creator is still prevalent in the world, such as sickness, affliction, trouble, confusion, disease, barrenness, joblessness, etcetera. Studies in Pessimism MacMillan Publishing Company

Dick Popkin and James Force have attended a number of recent

conferences where it was apparent that much new and important research was being done in the fields of interpreting Newton's and Spinoza's contributions as biblical scholars and of the relationship between their biblical scholarship and other aspects of their particular philosophies. This collection represents the best current research in this area. It stands alone as the only work to bring together the best current work on these topics. Its primary audience is specialised scholars of the thought of Newton and Spinoza as well as historians of the philosophical ideas of the late seventeenth and early eighteenth centuries.

A wide-ranging analysis of heavenly twin imagery in early Jewish extrabiblical texts. The idea of a heavenly double—an angelic twin of an earthbound human—can be found in Christian, Manichaean, Islamic, and Kabbalistic traditions. Scholars have long traced the lineage of these ideas to Greco-Roman and Iranian sources. In *The Greatest Mirror*, Andrei A. Orlov shows that heavenly twin imagery drew in large part from early Jewish writings. The Jewish pseudepigrapha—books from the Second Temple period that were attributed to biblical figures but excluded from the Hebrew Bible—contain accounts of heavenly twins in the form of spirits, images, faces, children, mirrors, and angels of the Presence. Orlov provides a comprehensive analysis of these traditions in their full historical and interpretive complexity. He focuses on heavenly alter egos of Enoch, Moses, Jacob, Joseph, and Aseneth in often neglected books, including *Animal Apocalypse*, *Book of the Watchers*, *2 Enoch*, *Ladder of Jacob*, and *Joseph and Aseneth*, some of which are preserved solely in the Slavonic language. Andrei A. Orlov is Professor of Judaism and Christianity in Antiquity at Marquette University. He is the author of *Dark Mirrors: Azazel and Satanael in Early Jewish Demonology* and *Divine Scapegoats: Demonic Mimesis in Early Jewish Mysticism*, both also published by SUNY Press.

#1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that has changed millions of lives with the story of an unforgettable friendship, the timeless wisdom of older generations, and healing lessons on loss and grief—featuring a new afterword by the author “A wonderful book, a story of the heart told by a writer with soul.”—Los Angeles Times “The most important thing in life is to learn how to give out love, and to let it come in.” Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was his college professor Morrie Schwartz. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “class”: lessons in how to live. “The truth is, Mitch,” he said, “once you learn how to die, you learn how to live.” *Tuesdays with Morrie* is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

"As the psalms are a microcosm of the Old Testament, so the Expositions of the Psalms can be seen as a microcosm of Augustinian thought. In the Book of Psalms are to be found the history of the people of Israel, the theology and spirituality of the Old Covenant, and a treasury of human experience expressed in prayer and poetry. So too does the work of expounding the psalms recapitulate and focus the experiences of Augustine's personal life, his theological reflections and his pastoral concerns as Bishop of Hippo."--Publisher's website.

This book discusses the depictions of the cult and its personnel in the twelve prophetic books commonly referred to as "The Book of the Twelve" or "The Minor Prophets." The articles in the volume explore the following questions: How did these prophetic writers envision the priests and the Levites? What did they think about the ritual aspects of ancient Israelite faith, including not only the official temple cult in Jerusalem but also cultic expressions outside the capital? What, in their views, characterized a faithful priest and what should the relationship be between his cultic performance and the ways in which he lived his life? How does the message of each individual author fit in with the wider Israelite traditions? Finally, who were these prophetic authors, in which historical contexts did they live and work, and what stylistic tools did they use to communicate their message?
