 Randy Couture -- voted "The Greatest Fighter of All Time" by viewers' choice -- recounts his record-breaking career, which has made him an undisputed UFC legend. Randy Couture wins fights with the seemingly effortless ease with which lesser mortals eat or breathe. He's the only athlete to have held championship titles in both the heavyweight and light heavyweight divisions of the UFC, and he's the only six-time title earner in UFC history. In *Becoming the Natural*, Couture tells his story for the first time, beginning with a childhood spent in search of an elusive father figure, followed by the pure adrenaline rush that accompanied his first

wrestling bout in grade school. In 1997, at the age of thirty-three, Couture made his UFC debut, defeating two opponents in the heavyweight class and then scoring a TKO victory against Brazilian phenom Vitor Belfort to earn the nickname "The Natural." He won his first heavyweight title that same year. At the age of forty, he defeated five-time defending champion Tito Ortiz for the undisputed light heavyweight title. Couture retired in 2006, only to reemerge the following year and seize the heavyweight championship title once again. *Becoming the Natural* is the remarkable story of one of the world's most gifted and dedicated athletes -- a born fighter whose skill and showmanship have helped to lift mixed martial arts out of the shadows and into the mainstream. *The Book of Help* Center Street  
 Be sure to check out IRON AMBITION: My Life with Cus D'Amato by Mike Tyson

"Raw, powerful and disturbing—a head-spinning take on Mr. Tyson's life."—Wall Street Journal Philosopher, Broadway headliner, fighter, felon—Mike Tyson has defied stereotypes, expectations, and a lot of conventional wisdom during his three decades in the public eye. Bullied as a boy in the toughest, poorest neighborhood in Brooklyn, Tyson grew up to become one of the most ferocious boxers of all time—and the youngest heavyweight champion ever. But his brilliance in the ring was often compromised by reckless behavior. Yet—even after hitting rock bottom—the man who once admitted being addicted “to everything” fought his way back, achieving triumphant success as an actor and newfound happiness and stability as a father and husband. Brutal, honest, raw, and often hilarious, *Undisputed Truth* is the singular journey of an inspiring American original.

**Death Clutch** HMH Books For Young Readers

Picking up right where his New York Times bestseller *A Lion's Tale* left off, with his legendary 1999 entrance into the WWE, Jericho takes us from Chicago to Tokyo, New Delhi to Kuala Lumpur, Winnipeg to Madison Square Garden, as he details his classic rivalries with the Rock, Steve Austin, HHH, Shawn Michaels, and John Cena, along with all the politics and backstage machinations he faced outside the ring. He also describes his unique relationship with Vince McMahon and the long road they travelled to find respect for each other. But it was only after Jericho became the first Undisputed World Champion in the history of the wrestling business that he became disenchanted with the WWE and decided to walk away, turning his back on fifteen years in the ring to further his other lifelong dream: that of being a rock star. His band, Fozzy, proceeded to tour the world playing everywhere from the smallest sports bars in Pennsylvania to Monsters of Rock at Castle Donnington festival in England, all the while experiencing the same kinds of glorifying highs and embarrassing lows he faced while building his wrestling career. As if that weren't enough, Chris recounts his hilarious escapades of breaking in with the Hollywood elite via doomed auditions, short-lived reality shows, made-for-television movies, and red-carpet interviewing fiascos. Along the way he was forced to deal with the heart-wrenching deaths of his mother and his long-time confidant Eddy Guerrero, as well as the horrific murder/suicide of his best friend Chris Benoit and his family. Jam packed with Chris Jericho's trademark self-effacing humor, one-of-a-kind writing style, and ridiculous random encounters with everyone from Arnold Schwarzenegger, Axl Rose, and Paul McCartney, UNDISPUTED is one of the most highly

anticipated follow-ups of its kind and one of a rare breed - a sequel that might be better than the original.

**Undisputed** Routledge

The What Do We Know About? series explores the mysterious, the unknown, and the unexplained. Is the Loch Ness Monster really lurking beneath Scottish waters, or is it just a myth? Find out all that there is to know about the most famous aquatic cryptid! \*\* TELEGRAPH SPORTS BOOK OF THE YEAR \*\* DOUBLE WINNER: BEST AUTOBIOGRAPHY & BEST OVERALL SPORTS BOOK OF 2020 INCLUDES A NEW CHAPTER ON WILDER VS FURY 2

'Incredible stories... you don't have to be a boxing fan to enjoy it' SCOTT MILLS, BBC RADIO 1 'One of sport's most heart-warming stories' SUNDAY TIMES, SPORTS BOOK OF THE YEAR 'A must-read for any boxing fan.' WORLD BOXING NEWS 'If you know someone who is a fan of the People's Champion then they'll love this.' TALKSPORT XMAS GIFT GUIDE The extraordinary story of the rise and fall and rise again of Tyson Fury... THE GYPSY KING. A Manchester lad from Irish Traveller stock, born three months premature and weighing just a pound at birth, Tyson (named after his father's boxing hero) grew up to become one of the most unlikely heavyweight champions in history. This 'dream come true' soon turned to nightmare, however, as alcohol and cocaine abuse took hold and Tyson was stripped of his titles. What followed was the darkest moment of his life - detailed in this book for the first time - in which he came within seconds of ending everything. THE PEOPLE'S CHAMPION. Like all the greatest stories, though, there is redemption and Tyson defies all the odds and literally drags himself to his feet. 10 million people around the globe watched Fury fight Wilder in the biggest fight of the boxing calendar. Speaking candidly about his struggles with mental health, this is Tyson Fury as you have never seen him

before. A BRITISH ICON.

Behind the Mask is an unflinching autobiography from the greatest boxer of our time and a man who has demonstrated strength of a very different kind by conquering his demons.

'It's a great book, if I could read, I'd buy it' BILLY JOE SAUNDERS, WBO World Super-Middleweight Champion 'I didn't believe boxers could be role models, but Tyson Fury has changed my mind... This 30-year-old Mancunian has made us all think twice about the possibilities of redemption.' SIMON KELNER, INDEPENDENT 'Tyson Fury has become Britain's most unlikely inspirational figure... the sight of a broken Fury caught a mood with the public. Never was the epithet "People's Champion" more apt' RON LEWIS, THE TIMES 'Tyson Fury is an amazing real-life champion' SYLVESTER STALLONE, star of Rocky 'You may not have any interest in boxing at all and you will find this story about Tyson's life fascinating' BBC RADIO 5 LIVE 'An unusual, heartening story, nicely told. There is much to amaze and admire' SUNDAY TIMES

FBI Agent Atlee Pine's harrowing search for her long-lost sister Mercy reaches a boiling point in this breakneck thriller from #1 New York Times bestselling author David Baldacci. For her entire life, FBI agent Atlee Pine has been searching for her twin sister, Mercy, who was abducted at the age of six and never seen again. Mercy's disappearance left behind a damaged family that later shattered beyond repair when Atlee's parents inexplicably abandoned her. Now, after a perilous investigation that nearly proved fatal, Atlee has finally discovered not only the reason behind her parents' abandonment and Mercy's kidnapping, but also the most promising breakthrough yet: proof that Mercy survived her abduction and then escaped her captors many years ago. Though Atlee is tantalizingly close to her family at last, the final leg of her long road to Mercy will be the most treacherous yet. Mercy left at least one dead body behind before fleeing her captors years before. Atlee has no idea if her sister is still alive, and if so, how she has been surviving all this time. When the truth is finally revealed, Atlee Pine will face the greatest danger yet, and it may well cost her everything.

**Can't Hurt Me** Bloomsbury USA

The woman behind the icon known as Elvira, Mistress of the Dark, the undisputed Queen of Halloween, reveals her full story filled with intimate

bombshells—told by the bombshell herself. On Good Friday in 1953, at only 18 months old, 25 miles from the nearest hospital in Manhattan, Kansas, Cassandra Peterson reached for a pot on the stove and doused herself in boiling water. Third-degree burns covered 35% of her body, and the prognosis wasn't good. But she survived. Burned and scarred, the impact stayed with her and became an obstacle she was determined to overcome. Feeling like a misfit led to her love of horror. While her sisters played with Barbie dolls, Cassandra built model kits of Frankenstein and Dracula, and idolized Vincent Price. Due to a complicated relationship with her mother, Cassandra left home at 14, and by age 17 she was performing at the famed Dunes Hotel in Las Vegas. Run-ins with the likes of Frank Sinatra, Sammy Davis Jr., and Tom Jones helped her grow up fast. Then a chance encounter with her idol Elvis Presley, changed the course of her life forever, and led her to Europe where she worked in film and traveled Italy as lead singer of an Italian pop band. She eventually made her way to Los Angeles, where she joined the famed comedy improv group, The Groundlings, and worked alongside Phil Hartman and Paul "Pee-wee" Reubens, honing her comedic skills. Nearing age 30, a struggling actress considered past her prime, she auditioned at local LA channel KHJ as hostess for the late night vintage horror movies. Cassandra improvised, made the role her own, and got the job on the spot. *Yours Cruelly, Elvira* is an unforgettably wild memoir. Cassandra doesn't shy away from revealing exactly who she is and how she overcame seemingly insurmountable odds. Always original and sometimes outrageous, her story is loaded with twists, travails, revelry, and downright shocking experiences. It is the candid, often funny, and sometimes heart-breaking tale of a Midwest farm girl's long strange trip to become the world's sexiest, sassiest Halloween icon. *The Great American Dividend Machine*  
Random House  
True Colors is New York Times bestselling author Kristin Hannah's most provocative, compelling, and heart-wrenching story yet. With the luminous writing and unforgettable characters that are her trademarks, she tells the story of three sisters whose once-solid world is broken apart by jealousy, betrayal, and the kind of passion that rarely comes along. The Grey sisters have always been close. After their

mother's death, the girls banded together, becoming best friends. Their stern, disapproving father cares less about his children than about his reputation. To Henry Grey, appearances are everything, and years later, he still demands that his daughters reflect his standing in the community. Winona, the oldest, needs her father's approval most of all. An overweight bookworm who never felt at home on the sprawling horse ranch that has been in her family for three generations, she knows that she doesn't have the qualities her father values. But as the best lawyer in town, she's determined to someday find a way to prove her worth to him. Aurora, the middle sister, is the family peacemaker. She brokers every dispute and tries to keep them all happy, even as she hides her own secret pain. Vivi Ann is the undisputed star of the family. A stunningly beautiful dreamer with a heart as big as the ocean in front of her house, she is adored by all who know her. Everything comes easily for Vivi Ann, until a stranger comes to town. . . . In a matter of moments, everything will change. The Grey sisters will be pitted against one another in ways that none could have imagined. Loyalties will be tested and secrets revealed, and a terrible, shocking crime will shatter both their family and their beloved town. With breathtaking pace and penetrating emotional insight, *True Colors* is an unforgettable novel about sisters, rivalry, forgiveness, redemption---and ultimately, what it means to be a family.

#### **The Fierce 44** Penguin

The bestselling author of *Battle Hymn of the Tiger Mother*, Yale Law School Professor Amy Chua offers a bold new prescription for reversing our foreign policy failures and overcoming our destructive political tribalism at home. Humans are tribal. We need to belong to groups. In many parts of the world, the group identities that matter most – the ones that people will kill and die for – are ethnic, religious, sectarian, or clan-based. But because America tends to see the world in terms of nation-states engaged in great ideological battles – Capitalism vs. Communism, Democracy vs. Authoritarianism, the “Free World” vs. the “Axis of Evil” – we are often spectacularly blind to the power of tribal politics. Time and again this blindness has undermined American foreign policy. In the Vietnam War, viewing the conflict through Cold War blinders, we never saw that most of Vietnam’s “capitalists” were members of the hated Chinese minority. Every pro-free-market move we made helped turn the Vietnamese people against us. In Iraq,

we were stunningly dismissive of the hatred between that country’s Sunnis and Shias. If we want to get our foreign policy right – so as to not be perpetually caught off guard and fighting unwinnable wars – the United States has to come to grips with political tribalism abroad. Just as Washington’s foreign policy establishment has been blind to the power of tribal politics outside the country, so too have American political elites been oblivious to the group identities that matter most to ordinary Americans – and that are tearing the United States apart. As the stunning rise of Donald Trump laid bare, identity politics have seized both the American left and right in an especially dangerous, racially inflected way. In America today, every group feels threatened: whites and blacks, Latinos and Asians, men and women, liberals and conservatives, and so on. There is a pervasive sense of collective persecution and discrimination. On the left, this has given rise to increasingly radical and exclusionary rhetoric of privilege and cultural appropriation. On the right, it has fueled a disturbing rise in xenophobia and white nationalism. In characteristically persuasive style, Amy Chua argues that America must rediscover a national identity that transcends our political tribes. Enough false slogans of unity, which are just another form of divisiveness. It is time for a more difficult unity that acknowledges the reality of group differences and fights the deep inequities that divide us.

#### **Mercy** Penguin

"The New York Times bestselling author, wrestler, metal rocker, and over-the-top media personality shares his latest wild and hilarious adventures. World Wrestling Entertainment has named Chris Jericho as one of the top ten wrestlers--and one of the top five talkers--of all time. Certainly, the past six years have been spectacular for Jericho. After a sluggish return from his 2005 sabbatical, Jericho found new inspiration in watching *No Country for Old Men* and completely reinvented his character--ultimately going on to capture three world WWE titles. *The Best in the World* chronicles some of the incredible and often preposterous highlights of Jericho's recent career, including: How Mickey Rourke challenged Jericho to a match, then backed out; Jericho's award-winning feud with Shawn Michaels, which culminated in Jericho knocking out Michael's wife in the ring, for real; his escape from the 2010 Icelandic volcanoes in a broken-down, European rental-car shuttle; his encounters with Bob Barker, Ozzy Osbourne, Metallica, Al Sharpton, and Mike Tyson; and his on-again-off-again

relationship with WWE chief Vince McMahon. Jericho has a one-of-a-kind comedic voice and a knack for getting himself into screwball situations--both in and out of the ring. See for yourself why he is the best in the world"--

**Mastering Presentations** Basic Books (AZ) A simple four-step process for delivering winning presentations Mastering Presentations explains how entrepreneurs and small business owners can use guest speaking opportunities to generate rapport with audiences in order to foster business relationships with these audiences. The book provides a simple four-step process for giving presentations that helps eliminate the butterflies and increase self-confidence. Explains how and why speaking to groups is a quick and easy way to generate positive, word-of-mouth advertising for your company Lists PowerPoint mistakes that will kill your chances of success and how to avoid them Offers tips on how to lead fearless question and answer sessions The energy and enthusiasm of a great presentation is contagious, and public speaking is a great way to channel this energy and generate a loyal following.

**The Best in the World** St. Martin's Press Chris Jericho is the first undisputed Heavyweight Champion of the WWE and WCW, and has been called one of the fifty greatest wrestlers of all time. Now retired, he is writing his memoir, telling the story of his journey from wrestling school in Canada to his time in leagues in Mexico and Japan to his big break in the WCW. He'll dish the dirt on how he worked his way through the ranks alongside major wrestling stars like Chris Benoit and Lance Storm to become a major superstar. **Becoming the Natural** Simon and Schuster From the 9/11 attacks to waterboarding to drone strikes, relations between the United States and the Middle East seem caught in a downward spiral. And all too often, the Central Intelligence Agency has made the situation worse. But this crisis was not a historical inevitability—far from it. Indeed, the earliest generation of CIA operatives was actually the region's staunchest western ally. In America's Great Game, celebrated intelligence historian Hugh Wilford reveals the surprising history of the CIA's pro-Arab operations in the 1940s and 50s by tracing the work of the agency's three most

influential—and colorful—officers in the Middle East. Kermit "Kim" Roosevelt was the grandson of Theodore Roosevelt and the first head of CIA covert action in the region; his cousin, Archie Roosevelt, was a Middle East scholar and chief of the Beirut station. The two Roosevelts joined combined forces with Miles Copeland, a maverick covert operations specialist who had joined the American intelligence establishment during World War II. With their deep knowledge of Middle Eastern affairs, the three men were heirs to an American missionary tradition that engaged Arabs and Muslims with respect and empathy. Yet they were also fascinated by imperial intrigue, and were eager to play a modern rematch of the "Great Game," the nineteenth-century struggle between Britain and Russia for control over central Asia. Despite their good intentions, these "Arabists" propped up authoritarian regimes, attempted secretly to sway public opinion in America against support for the new state of Israel, and staged coups that irrevocably destabilized the nations with which they empathized. Their efforts, and ultimate failure, would shape the course of U.S.–Middle Eastern relations for decades to come. Based on a vast array of declassified government records, private papers, and personal interviews, America's Great Game tells the riveting story of the merry band of CIA officers whose spy games forever changed U.S. foreign policy. **Political Tribes** John Wiley & Sons The irresistible novel that was adapted into a major motion picture starring Leonardo DiCaprio. The Khao San Road, Bangkok -- first stop for the hordes of rootless young Westerners traveling in Southeast Asia. On Richard's first night there, in a low-budget guest house, a fellow traveler slashes his wrists, bequeathing to Richard a meticulously drawn map to "the Beach." The Beach, as Richard has come to learn, is the subject of a legend among young travelers in Asia: a lagoon hidden from the sea, with white sand and coral gardens, freshwater falls surrounded by jungle, plants untouched for a thousand years. There, it is rumored, a carefully selected international few have settled in a communal Eden. Haunted by the figure of Mr. Duck -- the name by which the Thai police have identified the dead man -- and his own obsession with Vietnam movies, Richard sets off with a young French couple to an island hidden away in an archipelago forbidden to tourists. They discover the Beach, and it is as beautiful and idyllic as it is reputed to be. Yet over time it becomes clear that Beach culture, as Richard calls it, has

troubling, even deadly, undercurrents. Spellbinding and hallucinogenic, *The Beach* by Alex Garland -- both a national bestseller and his debut -- is a highly accomplished and suspenseful novel that fixates on a generation in their twenties, who, burdened with the legacy of the preceding generation and saturated by popular culture, long for an unruined landscape, but find it difficult to experience the world firsthand. **Undisputed Truth** Grand Central Publishing A haunting debut set in the harsh, beautiful landscape of Ireland's north coast. Patrick Jackson lies on his deathbed in Derry and recalls a family history marked by secrecy and silence, and a striking absence of conventional pieties. He remembers the death of an eight-year-old girl, whose body was found on reclaimed land called Inch Levels on the shoreline of Lough Swilly. And he is visited by his beloved but troubled sister Margaret and by his despised brother-in-law Robert, and by Sarah, his hard, unchallengeable mother. Each of them could talk about events in the past that might explain the bleakness of their relationships, but leaving things unsaid has become a way of life. Guilt and memory beat against them, as shock waves from bombs in Derry travel down the river to shake the windows of those who have escaped the city. **King of the World** Simon and Schuster Throughout the years, there may have been equally charismatic performers, comparable athletes, and even better interviews, but none were blessed with the same combination of talents to manage to stay on top for over three decades. To wrestling fans, the Nature Boy is a platinum-blond deity, a sixteen-time world champion who accurately boasted that he could have a five-star match with a broom. No matter how limited the opponent, Flair had the skill and determination to bounce all over the mat, transforming his rival into a star. When the camera light went on, "Slick Ric" could convince viewers that, if they missed an upcoming match, a momentous life experience would pass them by. Flair's opponents were challenged with this simple taunt: "To be the man, you have to beat the man." Away from the arena, Richard Morgan Fliehr spent years struggling with his own concept of what it meant to be a man. He suffered periods of crushing self-doubt, marital strife and—in a profession where there was room for only one Ric Flair—broken friendships. *Ric Flair: To Be the Man*, cowritten with Keith Elliot Greenberg, chronicles the anguish and exhilaration of Flair's life and career—in

painfully honest detail. In addition to his own words, Flair's story is enriched by anecdotes from ring greats like Superstar Billy Graham, Ricky "The Dragon" Steamboat, Harley Race, Sgt. Slaughter, David Crockett, Arn Anderson, Bobby "The Brain" Heenan, "Mean" Gene Okerlund, Shawn Michaels, Triple H, Undertaker and Brock Lesnar. *To Be the Man* traces the rise of one of wrestling's most enduring superstars to the pinnacle of the sports entertainment universe, and is a must-read for every wrestling fan.

*No Is a Four-Letter Word* Simon and Schuster

I live a life most could only dream of. Parties, women, fame-what more could I want? As the undisputed MMA light heavyweight champ, I've faced the world's toughest men. But, with a single glance, I knew that the five-foot-five redhead with a

smart mouth and innocent eyes would be my hardest opponent yet. Sidney O'Neil isn't my type. While I spend my nights out drinking at the trendiest clubs in town, she spends hers taking care of her sick nephew. She is nothing I thought I wanted, yet she's somehow become the one thing I need. But what happens when the world is tipped on end and I'm no longer who she needs? How do I convince her that we're worth the fight when all she knows is defeat? I've never lost a match, and I refuse to start now. But, sometimes, the toughest fight of your life is outside the cage.

*FreeDarko Presents: The Undisputed Guide to Pro Basketball History* SCB Distributors  
A dynamic and hip collective biography that presents forty-four of America's greatest movers and shakers, from Frederick Douglass to Aretha Franklin to

Barack Obama, written by ESPN's TheUndefeated.com and illustrated with dazzling portraits by Rob Ball. Meet forty-four of America's most impressive heroes in this collective biography of African American figures authored by the team at ESPN's TheUndefeated.com. From visionaries to entrepreneurs, athletes to activists, the *Fierce 44* are beacons of brilliance, perseverance, and excellence. Each short biography is accompanied by a compelling portrait by Robert Ball, whose bright, graphic art pops off the page. Bringing household names like Serena Williams and Harriet Tubman together with lesser-known but highly deserving figures such as Robert Abbott and Dr. Charles Drew, this collection is a celebration of all that African Americans have achieved, despite everything they have had to overcome.
