These three unique volumes contain 47 duets in their original form written by composers who lived in the 18th, 19th and 20th centuries. The primo and secondo parts are written on facing pages and are of equal difficulty, allowing students of equal ability to perform together. These duets can be used as supplementary material for any course of study.

The Giant Book of Classical Sheet Music
 Alfred Music
 After 20 years of playing professionally in all the musical genres, Robert Kaye presents a compilation of his notes in his new book, *The Classical Method: Structure and the art of Piano Classical Improvisation Compositional Theory and Poetic Harmony*, revealing the secrets of the great composers throughout history. Kaye's instrument of choice is the piano. The Classical Method is attuned to myriad styles and instruments which determine his method, but his basis and the foundation of his method rests in the piano. His method focuses on target and sight, revolutionizing the way that

musicians play and composers create music. Developed from years of experience as a career pianist, Kaye takes the reader behind the closed doors of the creative process and unveils the methodology behind great, profound music: "How coincidental the peak of the Classical era was 1776. It became clear that my deprivation, frustration and lack of education not only was overwhelmed with too much information. But it was only going to become real and rewarding by sheer experience of playing the piano and with quick results. ... Using your mind in conjunction with geometry and the very Freedom that the founding fathers intended for us to have. I think I found the many secrets to it, especially by targeting. And it has given me an enormous relief. I am now enriched with more music than one lifetime can accomplish. I live in contentedness by the proof of the freedom of the mind. Can understand and accept it spiritually as well as scientifically and have an array of pages accumulating everyday in composition. Never frustrated what to play, improvise, compose, display or demonstrate "The Classical Method." The Classical Method: is user-friendly and

helps to unlock the mysteries behind musical genius, giving advanced musicians the keys to a promising methodology for improvisation and original composition. Current issue is - 12th. Edition Completed - 9/12/12

A progressive repertoire series designed to motivate students while allowing them to progress evenly and smoothly from the earliest classics toward intermediate literature. These pieces are from the standard classical literature, chosen to appeal both to teacher and student. Each volume comes with a corresponding CD. Pianist Kim O'Reilly Newman holds a Master of Music degree from the University of Illinois. She has performed throughout North America and Europe with the Hambro Quartet of Pianos and was an editor and recording pianist for Alfred Music. Kim is a brain tumor survivor and now specializes in performing music for the left hand.

Standard Piano Classics Alfred Music (Faber Piano Adventures). Adult Piano Adventures Classics Book 1 celebrates great masterworks of Western music, including symphony themes, opera gems,

and classical favorites. The melodies of Bach, Beethoven, Brahms, and other master composers are arranged at just the right level for adult beginners and for those who are returning to the keyboard. Section 1 features piano arrangements with minimal hand position changes, and many selections include an optional duet part. Section 2 introduces the I, IV, and V7 chords in the key of C major, harmonizing themes such as Sibelius's Finlandia, Schubert's The Trout, and Mendelssohn's Spring Song. Section 3 presents the primary chords in the key of G major, with arrangements of Vivaldi's Autumn (from The Four Seasons), Mozart's theme from The Magic Flute, Liszt's Liebestraum, and more.

[The Classical Piano Method](#) Alfred Music (Fake Book). In the late-19th and 20th centuries, composers produced a wealth of innovative piano music, venturing in new directions and seeking new sounds. The music produced during those transitional years is considered "20th-century music." Works by 37 composers are included in this comprehensive survey of 20th-century piano music; they range in difficulty from intermediate through early-advanced levels and cover the widest range of styles and idioms from that genre. Dr. Hinson has provided historical and biographical background and performance notes.
