Excerpt from *The Refugees: A Sequel to Uncle Tom's Cabin* I write this to show what a parallel case Mr. Kennan could find in his own country, where a refined cultivated people were thrown down in extreme poverty in the midst of a coarse African race, whom slavery barely rescued from cannibalism. Charles Dickens, in a letter to Harriet Beecher Stowe, referring to *Uncle Tom's Cabin*, writes If I might suggest a fault, in what has so charmed me, it would be that you go too far and seek to prove too much. I doubt there being any warrant for making out the African race to be a great race, or for supposing the future destinies of the world to be

Uncle Tom's Cabin Simon and Schuster

To commemorate the 150th Anniversary of the end of the Civil War, Diversion Books is publishing seminal works of the era: stories told by the men and women who led, who fought, and who lived in an America that had come apart at the seams. Harriet Beecher Stowe's novel has understandably grown in stature since its publication, now viewed as one of the most powerful and effecting works of the era to changing public opinion on slavery. As mesmerizing today as when it was published (and became the bestselling novel of the 19th century), the characters Eliza and George, Simon Legree, Little Eva, Topsy, and especially the noble and faithful Tom continue to resonate through the fabric of time.

Uncle Tom's Cabin (Classic Illustrated) Prabhat Prakashan
Excerpt from *Uncle Tom's Cabin: Life Among the Lowly* The scenes of this story, as its title indicates, lie among a race hitherto gnored by the associations of polite and refined society; an exotic race, whose ancestors, born beneath a tropic sun, brought with them, and perpetuated to their descendants, a character so essentially unlike the hard and dominant Anglo-Saxon race, as for many years to have won from it only misunderstanding and contempt. But another and better day is dawning; every influence of literature, of poetry and of art, in our times, is becoming more and more in unison with the great master chord of Christianity, "good will to man." The poet, the painter and the artist, now seek out and embellish the common and gentler humanities of life, and, under the allurements of fiction, breathe a humanizing and subduing influence, favorable to the development of the great principles of Christian brotherhood. The hand of benevolence is everywhere stretched out, searching into abuses, righting wrongs, alleviating distresses, and bringing to the knowledge and sympathies of the world the lowly, the oppressed, and the forgotten. In this general

movement, unhappy Africa at last is remembered; Africa, who began the race of civilization and human progress in the dim, gray dawn of early time, but who, for centuries, has lain bound and bleeding at the foot of civilized and Christianized humanity, imploring compassion in vain. But the heart of the dominant race, who have been her conquerors, her hard masters, has at length been turned towards her in mercy; and it has been seen how far nobler it is in nations to protect the feeble than to oppress them. Thanks be to God, the world has at last outlived the slave-trade! The object of these sketches is to awaken sympathy and feeling for the African race, as they exist among us; to show their wrongs and sorrows, under a system so necessarily cruel and unjust as to defeat and do away the good effects of all that can be attempted for them, by their best friends, under it. In doing this, the author can sincerely disclaim any invidious feeling towards those individuals who, often without any fault of their own, are involved in the trials and embarrassments of the legal relations of slavery. Experience has shown her that some of the noblest of minds and hearts are often thus involved; and no one knows better than they do, that what may be gathered of the evils of slavery from sketches like these is not the half that could be told, of the unspeakable whole. In the northern states these representations may, perhaps, be thought caricatures; in the southern states are witnesses who know their fidelity. What personal knowledge the author has had, of the truth of incidents such as here are related, will appear in its time. It is a comfort to hope, as so many of the worlds sorrows and wrongs have, from age to age, been lived down, so a time shall come when sketches similar to these shall be valuable only as memorials of what has long ceased to be. When an enlightened and Christianized community shall have, on the shores of Africa, laws, language and literature, drawn from among us, may then the scenes of the house of bondage be to them like the remembrance of Egypt to the Israelite, a motive of thankfulness to Him who hath redeemed them! For, while politicians contend, and men are swerved this way and that by conflicting tides of interest and passion, the great cause of human liberty is in the hands of One, of whom it is said: "He shall not foil nor be discouraged Till He have set judgment in the earth." "He shall deliver the needy when he crieth, The poor, and him that hath no helper." "He shall redeem their soul from deceit and violence, And precious shall their blood be in His sight."

The Refugees Independently Published

Volume Two of the Harriet Beecher Stowe classic. Originally published beginning June 5, 1851 as a serial in The National Era, an abolitionist weekly published in Washington, DC., Stowe's anti-slavery novel was finished forty-three chapters and one year later. John Jewett's small publishing house published the book on March 20, 1852, a couple of weeks before the serial ended. Uncle Tom's Cabin was the best-selling novel of the 19th century and is credited with significantly advancing the abolitionist cause. Its historical impact was so great that it spawned the mythical story that Abraham Lincoln, upon meeting Stowe near the start of the Civil War, was heard to say, ""So this is the little lady who started this great war.""

"*Uncle Tom's Cabin*" is Harriet Beecher Stowe's abolitionist masterpiece. The titular Uncle Tom is the slave of Mr. Shelby, the proprietor of a certain estate in Kentucky, which has fallen into disorder in consequence of the speculative habits of its owner, who, at the opening of the tale, is forced to part not only with Uncle Tom, but with a young quadroon woman named Eliza, the servant of Mrs. Shelby, and wife of George Harris, a slave upon a neighboring estate. Mrs. Harriet Beecher Stowe was an abolitionist and her book is a vehement and unrestrained argument in favor of her creed.

Christmas Summary Classics This series contains summary of Classic books such as Emma, Arne, Arabian Nights, Pride and prejudice, Tower of London, Wealth of Nations etc. Each book is specially crafted after reading complete book in less than 30 pages. One who wants to get joy of book reading especially in very less time can go for it. About The Book When the authoress of "Uncle Tom's Cabin," Harriet Elizabeth Beecher Stowe, visited the White House in 1863, President Lincoln took her hand, and, looking down from his great height, said, "Is this the little woman who brought on so great a war?" But, strangely enough, the attitude of the writer was thoroughly misunderstood. A terrible indictment against the principle of slavery the story certainly is. "Scenes, incidents, conversation, rushed upon her," says one of her biographers, "with a vividness that would not be denied. The book insisted upon getting itself into print." Yet there is no trace of bitterness against those who inherited slaves throughout the story. The most attractive personages are Southerners, the most repulsive Northerners. No more delightful a picture of conditions under slavery has ever been drawn as that with which the book opens--on the Shelby estate in Kentucky. Mrs. Stowe was born at Litchfield, Connecticut, on June 14, 1812. Her father was the Rev. Lyman Beecher, her brother Henry Ward Beecher. She died on July 1, 1896. "Uncle Tom," published in book form in 1852, is one of the most successful novels of modern times. In less than a week of its appearance, 10,000 copies were sold, and before the end of the year 300,000 copies had been supplied to the public. It was almost at once translated into all European languages. Mrs. Stowe wrote about forty other stories, but posterity will know her as the authoress of "Uncle Tom's Cabin" only.
